

Her Daughter Took Very Sick As Result Of Catching Cold.

Mrs. Dennis Delaney, Friar's Head, N.S., writes: "At the close of the year 1907, our youngest daughter, five years old, took very sick as the result of catching cold. She became very weak and could not move around at all. We consulted doctors and gave her various kinds of medicine but they did not seem to relieve her any. On the advice of a friend I procured a bottle of your valuable remedy, Dr. Wood's Norway Pine Syrup, and after using the first bottle noticeable improvement was the result and after using three bottles she was entirely cured. I can certify that it was through your valuable remedy that she regained her strength and would advise every mother having young ones similarly afflicted to obtain your valuable remedy. For myself I would not be without a bottle in the house."

Dr. Wood's Norway Pine Syrup contains all the lung healing virtues of the Norway pine tree combined with Wild Cherry bark and other peatral remedies. It has stood the test for many years, and is now more generally used than ever. Price 25 cents at all dealers. Manufactured only by The T. Millburn Co., Limited, Toronto, Ont.
