

PANDORA RANGE

Large Broiler Door

Open the broiler or toasting door of the Pandora and you'll find an opening much more generous than on ordinary ranges. It's both wide and deep, so that you can easily place a big steak right over and almost touching the red hot coals, where it will broil quickly. And it's only by rapid broiling that a steak will retain its natural flavor and rich, juicy tenderness. Pandora is the range that cooks things right.

This broiler door can also be used for feeding the fire without disturbing the pots, etc., on the top.

If your local dealer doesn't sell the Pandora, write direct to us for free booklet

Beautiful and Reliable Furs

That this is going to prove a "Fur Season" is evident from the great demand. That this old reliable house is, as heretofore, head quarters for reliable furs, is equally evident from our unusually large sales for this early season.

Our furs need little boasting - they speak for themselves - and our reputation for selling reliable guaranteed furs in the past, is now bearing good fruit.

We have as usual an immense range of all the best varieties such as Mink, Sable, Stone Marten, Marmot, Mock Fisher, Isabella Fox &c. in sets and separate piece, at all prices; according to quality, up to the very best.

Our stock of ladies fur coats is up to our usual high standard, both in quality and style, and come in all the best kinds such as Persian lamb, Russian Lamb, Seal Astrachan &c.

Our men's Coon coats are splendid. There is no question of values here, they simply cannot be equalled much less surpassed. Come in and prove this. You will also find the prices moderate.

We have a nice range of ladies fur-lined coats at different prices. If you want is not among them, we will take your order, and have a coat made to your own choice. This is by far the best method, as you can then have the combination of style, cloth, fur and price you require, which is so hard to get in a ready made. Your order can be completed in about 10 days.

All visitors to the exhibition are cordially invited to come in and view our immense showing, which is certainly well worth a visit.
