

**HAD OVER 500 BOILS.**

This may seem an exaggeration to you, BUT IT IS TRUE. All sufferers from Bad Blood should read about this marvellous cure by **BURDOCK BLOOD BITTERS.** CURED IN 1885. Mr. David F. Mott wrote us from Spring Valley, Ont., in 1885. He said:—I suffered from impure blood and had over 500 boils, but since taking BURDOCK BLOOD BITTERS I am entirely cured, and can recommend it to any person troubled with bad blood.

**CONFIRMED IN 1901.** Mr. Mott writes us from 62 Broad St., Utica, N.Y., under date of Dec. 31st, 1901. He says:—Some time ago I received a letter from your firm, saying that some years ago you received a testimonial from me, stating that I had over 500 boils. Yes, sir, I had, and I must say that I have never had the re-appearance of one since I took the course of your BURDOCK BLOOD BITTERS. I thank God that I have had good health ever since, for I was a great sufferer. I wish B.B.B. a world of success, which it surely deserves. For sale at all druggists or dealers. **THE T. **The Pride of the Kitchen**

In the olden days was the shelf on shelf of plates, platters and pans. Well, there's no reason why the belle of the kitchen to-day need be ashamed of the culinary department, if her utensils were purchased from us—for we have all the good old things, all the modern utensils, appliances, conveniences.

**THE EXPERIMENTALIST.**

Mr. C. A. Zavitz, Who Visited P.E.I. Recently and is Accomplishing Much for the Farmers of Ontario.

Working quietly and steadily on hundreds of small plots, each scarcely larger than a flower bed, Mr. C. A. Zavitz, experimentalist at the Ontario Agricultural College, is accomplishing a most useful work for the farmers of this Province. Born on a West Middlesex farm 38 years ago, Mr. Zavitz graduated at Guelph in 1888, and was immediately appointed to his present position. He collects seed of promising farm crops from all over the world, experiments for five years on the plots at the model farm, and then an-

MR. C. A. ZAVITZ. nounces his results, as he did at the Experimental Union meeting recently. He has secured the co-operation in this work, covering practically every Ontario township, of ex-students and others, until last year 3,354 miniature experimental farms were at work to some extent under his care, each a centre of information and a distributing point for pure seed to surrounding farmers. There are about 1,000,000 acres of fall wheat grown in Ontario annually, and as Mr. Zavitz and his co-workers have undoubtedly, by the introduction of new varieties and their proper distribution, raised the yield per acre by from one to three bushels, the work of the Experimental Union is most valuable and deserving of every encouragement.

**STRICKEN WITH PARALYSIS**  
Could scarcely walk or talk—Legs and arms were paralyzed—  
Could do no work of any kind—  
**NERVOUS SYSTEM COMPLETELY EXHAUSTED**

People surprised to see him around again, a living witness to the marvellous up-building influence of DR. CHASE'S NERVE FOOD.

MR. JAS. A. DEAL

Mr. Jas. A. Deal, a respected resident of Bridgewater, N.S., writes:—"About a year ago I suffered a stroke of paralysis, which left me in a very bad state of health. To add to my troubles, last winter I took la grippe, which completely exhausted my nervous system. I could scarcely walk or talk, my legs and arms were partially paralyzed, my blood did not circulate properly, and I could not do any work. In fact, I was so bad that the doctors gave me up and thought I could not live through the summer."

"I began the use of Dr. Chase's Nerve Food, and persevered in the treatment, until now I am at work again. The change in my condition has been most remarkable. It is a surprise to everyone to know that I am able to be around again. My nervous system has been built up wonderfully by this remedy. I am able to rest well, my circulation is normal, and my general health good. My appetite is first-class, and I have gained considerably in flesh."

"The results I have obtained from Dr. Chase's Nerve Food have been most gratifying, and I have no hesitation in stating that I believe I owe my life to this preparation. I am willing that you publish this letter, with the hope that it may be the means of helping others to regain their health."

**DRUGGIST CERTIFIES.**

MR. B. H. PORTER, Druggist, Bridgewater, N.S., certifies to this extraordinary cure by Dr. Chase's Nerve Food and states that at one time "no one expected Mr. Deal to live for a month."

**DR. CHASE'S NERVE FOOD**

Like other nervous diseases paralysis and locomotor ataxia are slow in coming on and dreadful in results. The warning comes by way of headache, sleeplessness, twitching of the muscles, irritability, nervousness, impaired memory, inability to concentrate thoughts, and general weakness. Then is the time to prevent the further development of nervous exhaustion by the use of Dr. Chase's Nerve Food. By increasing the quantity and quality of the blood it

adds firm flesh and muscle and builds up the system. Patient treatment is necessary for all nervous diseases, but by weighing yourself while using this great food cure you can prove its marvellous power as a restorative. 50 cents a box, 6 boxes for \$2.50. **FIVE NEW SEATS ON CHANGE.**

MONTREAL, March 20.—The members of the Montreal Stock Exchange this morning voted to increase the membership of the Exchange from fifty-five to sixty seats. It was further agreed that the minimum price at which these seats are to be sold is \$25,000 each. This will put into the hands of the Exchange's treasurer not less than \$125,000. The highest price yet paid for a seat on the Exchange was \$27,500.
