IF A GIRL MARRIES FOR MONEY SHE HAS ONLY THE POOR THINGS MONEY BUYS, WHEREAS IF SHE MARRIES FOR LOVE SHE HAS SOMETHING THAT GROWS MORE AND MORE PRECIOUS AS THE YEARS GO BY

Love is a gift of the gods. You cannot make that, no matter how hard you try. No effort of the will can make you thrill at the touch that is destined to you or give flavor to kisses that are dust and ashes on your lips. So, if you marry for money and lose it, you have nothing left.

If you marry for love you will have something of which you never tire, something that keeps your heart alive, something that keeps your interest in life fresh and vivid and alert, something that grows more and more precious as the years go by.

Love satisfies a woman. But money never does. Notice the faces of the women you have married for love, how soft and tender and beautiful they are; then look at the faces of the women who have married for money, and see how hard and bitter and cynical they have grown.

You see, my dear girl, marriage is a very queer business. And then some. It isn't just a trade in which one gives so much and gets so much and in which one is justified in making the best bargain one can for oneself. It is an affair in which it is literally more blessed to give than to receive, where one must give without counting the cost and in which those who put in the most get out the most.

It takes the magic of love to blind a wife to her husband's faults and see in them nothing but adorable peculiarities; to keep her believing that a mediocre man is an oracle whose every utterance is worth repeating, and to see in some bay-windowed, bald-headed, middle-aged husband a sheik that she believes every flapper is trying to steal away from her.

It would even seem that heaven prospers the love marriage and puts a curse upon the mercenary marriage. Half the prosperous men and women you know will tell you that they married on a shoestring, and how scrimped and saved and worked together and lived on bread and cheese and kisses to get a start in the world.

UNCLE RAY'S CORNER

A FAMOUS TEMPLE OF INDIA When we speak of an Indian we usually mean one of the "white men" who were native to the Americas when Columbus came. He gave the natives that mistaken name, thinking he had found an island off the coast of India. We have kept the name through all these years.

Best Remedy for Obsolete Cough Made at Home

You'll never know how quickly a stubborn cough or chest cold can be conquered, until you try this famous recipe. It is used in millions of homes, because it gives more prompt, positive relief than anything else. It's no trouble at all to make, and costs but a trifle. Into a 10 oz. bottle, pour 2 1/2 ounces of Pinex; then add plain granulated sugar syrup or strained honey to make 15 ounces. This makes two-thirds of the money usually spent for cough medicine, and gives you a purer, better remedy. It never spoils, and tastes good—children like it.
