We would therefore respectfully suggest to the Provincial Legislature that an immediate investigation and survey be made by competent and independent electrical engineers...

It is only by securing expert and scientific opinion that assurance may be given on the feasibility of electrical establishment...

Mr. Hughes' Answer - In the presentation of the brief on water power resources had been made more than twenty years ago...

Dr. W. J. P. MacMillan: "What do you think when you put it in your platform?"

Mr. Hughes: "There is nothing there about water power on Prince Edward Island."

Mr. MacMillan: "Rural electrification yes, if you can get the power."

Mr. Heath Strong: "I might ask how Mr. Austin Scates developed the Dunk River water power?"
