Home Runs Feature Cardinals 8-2 Win Over Chicago Cubs

(Canadian Press)

A home run by Del Rice with the bases loaded and another by Whitey Kurowski escorted Harry Brecheen and St. Louis Cardinals to an 8-2 National League victory over Chicago Cubs yesterday.

Brecheen carefully distributed 11 hits, which materialized into two runs—Bill Nicholson's 13th homer of the season in the second and a single and a double in the ninth. Cards pounded three Cub pitchers for 14 hits to sweep the two-game series.

A crowd of 17,782, bringing Wrigley Field attendance over the 1,000,000-mark for 1947, saw the Cardinals clip Claude Passeau for six runs in the fourth, topped by Rice's ninth homer of the season.

Pittsburgh Pirates jumped on four Cincinnati hurlers for 11 hits and 10 bases on balls to gain a 14-4 victory.

Grady Hatton hit his 11th homer of the season in the first to give the Reds an early lead but the Pirates came back in their half with three runs and coasted the rest of the way.

Although outhit, Boston Braves defeated the league-leading Brooklyn Dodgers 4-2 behind Johnny Sain, who turned in his 15th victory against seven defeats.

The loss reduced the Brooklyn lead over the second-place St. Louis Cardinals to six games.

Johnny Mize blasted his 33rd and 34th home runs of the year to pace New York Giants to a 5-2 victory over Philadelphia Phillies. Lefty Dave Koslo checked the Phils on three hits to post his 13th victory of the season as against six setbacks.

Mize reached starting and losing pitcher Blix Donnelly for his initial homer of the game in the sixth inning and Williard Marshall followed with his 28th circuit drive to enable the Giants to snap a 2-2 tie. Mize belted his second round-tripper in the eighth off relief pitcher Schoolboy Rowe.

The three homers boosted the Giants' total to 151 for the season.

Maritime Track And Field Meet To Be Revived

TRURO, N. S., Aug. 5—(CP)—The Maritime track and field championships will be revived this year in a meet at Halifax Wanderers' Grounds, Sept 6, it was announced here today following a meeting of the Maritime Amateur Athletic Union executive.

Plans completed at the meeting call for full card of track and field events and emphasize a program of junior sports for the same day. Jack W. Thomas, last registrar for the M.A.A.U., was re-appointed to that position today. The Halifax Wanderers Club will shoulder the responsibility of staging the meet.

Chairman W. W. Reid of Charlottetown said application forms and data concerning the competition would be distributed by the executive. Entries would close Sept. 2. In qualifying junior sport, Reid said any athlete who had not reached the age of 20 by July 1 would be termed a junior.

Junior section of the meet will include 100 and 220 yard dashes, half-mile and mile runs and the running broad jump. Prizes equivalent to those given seniors will be awarded.

Those attending the meeting were Hugh A. Noble of Halifax, Provincial supervisor of physical education; executive member Sam Doyle of Charlottetown, Dr. W. C. Ross, vice-president, and Fred Pickard, secretary.

Looking For New Records At Hambletonian

By SID FEDER

GOSHEN, N. Y., Aug. 5—(AP)—Smilin' Bill Cane, impresario of Good Time Track, looked forward today to rewrite the Hambletonian attendance and betting record books as 13 trotters entered for tomorrow's 22nd running of the harness-racing classic.

Only five were given winning chances and the one to beat was a giant bargain-counter stepper from Dixie called Rodney, which has whipped practically everything in sight up to now.

Some 18,000 tickets were sold up to tonight, and that figure alone was far over the previous record-attendance of 16,390, set a year ago.

Surprise entries today were Black Key, to be driven by his owner, Olen Humphries of Asmore, Ill.; Harry Short's Patrick Hanover from Columbus, O.; E. Roland Harriman's local hope, American Ballad, to be piloted by Harry Pownall, winner of the 1945 Hambletonian, and Tyson Hanover from the Exmore (Va.) barn of M. J. Duer.

Outsiders were Grand Parade, from the Baker Acres Stable of E. J. Baker of Northbrook, Ill., who won with Greyhound in 1935; Harvy Sheppard's Deanna Hanover from Hannover, Pa., and Joe's Pride, owned by Octave Blake of South Plainfield, N. J.

In addition to Berry and Pownall, the drivers' list includes three other former Hambletonian winners—Fred Egan, the Longwood (Fla.) pilot who clicked in 1940 and will be in the sulky back of Volotone this time; Sep Palin, the Indiana ace who was up behind Greyhound in 1935 and will try again with Hoot Mon tomorrow, and Ben White, headman of them all, who has won four Hambletonians and will do the honors for Deanna Hanover this year.

Bunny "Ace" McCloskey gets his big chance at the Forum next Wednesday night when he tangles with Roger Whynott in a ten round bout that should provide local fans with the most spectacular bit of fisticuffs seen here in a long while. Of undoubted ability Whynott has been knocking over opposition regularly and if McCloskey can get by him he will have definitely returned to the pinnacle he enjoyed up to the night he met Joe Pyle about a year ago.

✦ ✦ ✦ ✦

That was the night McCloskey, weak from taking off weight to meet fight requirements for that bout went out in the second heat. He plummeted far down the fistic ladder and it has taken hard, courageous work for him to fight back to the top.

✦ ✦ ✦ ✦

But the former Island boy has proven he had the courage to surmount the difficulties. Since that night he has gone on knocking over opponents or winning by decision and the most important victory was the night he kayoed tough, hard hitting Jimmy Mooney of Moncton in three heats, a fight that saw him come back from the verge of a one-round knockout.

✦ ✦ ✦ ✦

That night, and this can be told now Bunny was suffering from a twisted ankle and damaged ribs the result of an accident the afternoon of the scrap. He didn't want it mentioned at the time but after the setto McCloskey was forced to lay up for three weeks. That is an example of the courage the youngster possesses and the Canadian middleweight champion can be sure of facing a foe that will not take one backward step no matter how tough the milling is.

✦ ✦ ✦ ✦

Next Wednesday night's scrap will be the first one for McCloskey since the Mooney engagement but for the past three weeks or so he has been working himself into razor-like condition; reports from his training camp state he is belaboring his sparring partners in every workout and his handlers feel certain that a razor-sharp Maritime middleweight champion will answer the bell the night of August 13th.

✦ ✦ ✦ ✦

It has taken weeks of negotiations by co-promoters Archer and McLellan to finalize matters also Whynott's handlers have plenty respect for the dynamite contained in the Ace's left hand and were a bit wary of signing but their efforts were finally successful and with that success the popular Island born fighter receives a chance that can mean very, very much to his mitt slinging future.

✦ ✦ ✦ ✦

Montague races this afternoon should be productive of plenty of photo finishes when the bearcats of Island racing strips start battling each other from wire to wire. On the occasion of the last meeting there neck and neck finishes were the order of the afternoon and horsemen who follow the races keenly and expertly are predicting an even better race this afternoon.

✦ ✦ ✦ ✦

Although the date is still a month away bicycle racing enthusiasts are already showing a keen interest in the 10-mile bicycle race being staged by Bill Bevins' Repair Shop. Many inquiries have been coming in and now that the date has been definitely set it is likely that the pedal pushers will be out in full force in training sessions.

✦ ✦ ✦ ✦

The second stage of the Phillips-Slomka versus Murley-Francis horseshoe challenge match takes place tonight when three more games will be played. The former team lead by one game as a result of their opening night's victory but onlookers are looking for Francis and Murley to square matters this evening.

✦ ✦ ✦ ✦

An event of the Brighton Horseshoe Club that always attracts keen interest is the P.E.I. singles tournament. This year's tourney is scheduled to get underway August 18th and with much interest being shown this year it is expected that secretary Jack McCourt will be called upon to handle a record number of entries.

Servo's Comeback Campaign Halted

BRIDGEPORT, Conn., Aug. 5—(AP)—Joe DeMartino, 145, of Bridgeport, brought Marty Servo's comeback campaign to a stunning halt tonight as he knocked out the former world's welterweight champion after 1:28 of the first round of their scheduled 10-round bout.

U. S. Army Ball Team To Play At S'side Aug. 20

Arrangements were made yesterday for a double-header baseball feature to be played in Summerside on Wednesday, August 20th, between the Summerside All-Stars and a team from the U. S. Army Air Corps base at Harmon Field, Newfoundland. If bad weather should prevent their arrival on Wednesday one game will be played on the following day. The team will arrive by plane on the regular flight to Summerside for milk and will probably remain all night.

Three days a week a big U. S. Army plane puts down at Summerside for fresh pasteurized milk from the Ideal Dairy and other supplies from local stores. This service has been operating for over a year and is now routine. U. S. Army uniforms are as general on the streets of Summerside as those of the R.C.A.F.

The Harmon Field team at present leads the Newfoundland base command league which consists of five teams. They have won 11 and lost three games and won all three games played with outside teams. The teams in the Newfoundland Base Command League are Harmon Field, Fort Pepperal, Fort McAndrew, Goose Bay and Argentia Navy. All transportation between the different posts is by air.

The trip to Summerside will be in the nature of a holiday for the team in reward for the fine work they have done during the past year. Two of their players have had experience in minor professional leagues in the United States so they probably have a pretty good team. The post at Harmon Field has at present approximately 100 officers and 325 men and the team is drawn from all ranks. The team manager is Sgt. Ankram and the arrangements were made yesterday by Lieut. Malchow.

Gordon Hughes Scores Elusive Hole-in-one

That goal of all golfers—the elusive hole-in-one—was marked up on the Belvedere links of the Charlottetown Golf Club for the second time this season last evening.

Qualifying for membership in the exclusive hole-in-one club is Mr. Gordon Hughes, veteran golfer of the local club, who sank his "miracle" shot on the 145 yard No. 6 hole. Mr. Hughes at the time was playing a round with his son-in-law and daughter, Mr. and Mrs. Gordon Drillon.

Three strokes is par for the hole which is bordered on one side by a brook and on the other by a grove of trees. Mr. Hughes used a No. 6 iron on the shot.

About two weeks ago Jimmy Walker Club professional, made a hole-in-one on No. 2 hole.

In club championship elimination play yesterday, Harry Sears defeated Jack Hcloffs one-up and in another round eliminated youthful Cec Dowling, rated a strong contender for the title, by a similar score.

Donate Cup For Junior Baseball

Smallman's Ltd., Summerside, have donated a beautiful silver trophy to be put up for annual competition for the junior baseball championship of the Province, it was learned yesterday. The trophy, which is now on order, is a rose bowl type of trophy. A silver bowl stands on a wooden base flanked by two silver figures of baseball players. When the trophy is presented the bowl is supposed to be filled with cut roses. On the base are a number of silver plaques on which may be inscribed the name of the winning team for each year.

This trophy should serve as an incentive and an encouragement for the futherance of junior baseball in the Province and the winning team this year for the first time will have something tangible to show for its efforts. This trophy should be carefully taken care of by the successive winners as it is theirs only for a year and will be passed along from team to team through the years.

Junior players in the Province should feel indebted to Mr. W. E. Smallman for his generosity on their behalf.—S.

West End Anchors Set Batting Record, Defeat Rovers 14-12

With all three pitchers taking a shellacking from opposing batters, West End Anchors snapped the jinx the Rovers have held over them since the league opener when they pounded out 16 hits for a 14-12 victory in a free hitting encounter at the Park diamond last night. While Anchors were building up a season's record, the Rover bats were not idle by any means. Held hitless for the first three innings, Rovers started their comeback effort in the fourth to score six times on six hits and added runs in the fifth, sixth and seventh but their 13-hit attack off the offerings of Evans and Charlie Ryan were not enough to overcome the early Anchor lead.

Anchors with six safe blows, two of them doubles, and with the losers throwing in their only two errors of the game, scored seven times in the bottom half of the first and added two more in the third for a 3-0 lead.

Rovers could do nothing with Evans offerings the first three frames but they went to work with a will in the fourth with a six run uprising that was only stopped when Charlie Ryan came in in a relief role to account for the final out on a strikeout victim.

Anchors came right back from that blast to score three in their half of the innings; Rovers countered a like number in the fifth with Anchors getting a brace to make it 14-9 but two more in the sixth plus one in the seventh as the winners were being blanked, wasn't quite enough for the Northenders to pull the game out of the fire.
