TUESDAY

POTATOES SCARCE.—On account of the recent heavy rains, causing the bad condition of the roads, very little produce is moving in Summerside. The demand for potatoes is much greater than the supply. This is caused by the shortage of the crop. It is estimated that 50 per cent. of the farmers in Prince County have not potatoes enough for home use, while those with a surplus are not too anxious to sell.—H.

PLANTING BULBS.—The season for planting tulips, hyacinths, daffodils out of doors will likely close this week with the advent of Jack Frost to harden up mother earth. To those who intended to plant some of these lovely flowering bulbs, but have not done so, a last reminder is given. There has been a great demand for bulbs this year and it is safe to say the grounds of many citizens will be a thing of beauty to admire with the advent of next spring. Do it now.

FATAL ACCIDENT.—Preston Compton, son of Mr. Stanley Compton, St. Eleanor's, who was seriously injured by the accidental discharge of a gun on Friday afternoon last, died at the Prince County Hospital early Sunday morning. Deceased, who was only 16 years of age, was a general favorite with all and his death will be a great blow to his parents as well as throughout the community. Besides his parents there are left to mourn several brothers and sisters. The funeral took place yesterday afternoon from his parents' home, St. John's Church, St. Eleanor's, the services being conducted by the rector, Rev. C. De W. White, interment taking place in St. John's Cemetery.—C.

Grade II.—1, Vera Andrew; 2, Harold Hertz; 3, Lyall Gurney.

A NARROW ESCAPE.—Yesterday about noon an accident was narrowly averted near the Kindergarten Corner where a buggy, containing a man, his wife and little girl, collided with the corner pavement and upset, throwing the occupants to the ground. The buggy, although it did not runaway, dragged the lady and little girl some little distance in the mud badly scaring them and wetting their clothes. Fortunately no one was seriously hurt, and with the many willing helpers who quickly gathered the horse and buggy were fought and the scattered contents replaced.

ISLANDER DIES IN BOSTON.—Edward W. Doyle, one of the best-known printers of Greater Boston, died at the Boston City Hospital recently. Mr. Doyle was born in Charlottetown in 1846 and went to Boston while a young man. He entered the employ of the Lockwell & Churchill Press and finally became Superintendent. In his later years Mr. Doyle has been in business for himself. He is survived by a widow and six sons.

ANOTHER ISLANDER.—That the company taken across to England by Lieut. J. Toole, from the 56th Battalion, is now under the command of Capt. Bailey, of the 31st battalion and that he himself is now in charge of the platoon formerly commanded by Lieut. Reynolds, is the news that has been sent back to Capt. C. V. McDonald from Lieut. Toole himself. The popular young officer also writes that Lieut. J. R. McDonald, son of Rev. A. D. McDonald, is taking a machine gun course, preparatory to leading a machine gun section to the trenches, and taking a four weeks' infantry course.—News-Telegram, Calgary, November 2, 1915. (Lieutenant McDonald mentioned above is, as stated, a son of the well known on the island, having previously been stationed at West River. Lieutenant McDonald is now in the 9th Reserve Battalion, Shorncliffe, England.)

SOURIS AND BAY FORTUNE

—The Rev. Alexander MacKay, recently of Bedouque, was inducted into the pastoral charge of Souris Presbyterian Church, Souris on Thursday evening, the 4th inst. Rev. J. A. MacLeod, St. Peter's, acted as moderator and gave the charge to the minister. Rev. J. A. Greenlees, Georgetown, preached an appropriate sermon after which the questions prescribed by the church having been put by the Moderator and answered satisfactorily, the minister-elect, Rev. E. Styles, Minister of the Methodist Church in Souris, offered the induction prayers. Rev. Wm. McLeod, Dundas then addressed the congregation. Mr. MacKay comes to Souris with a fine record and their was ample evidence at the induction service that the Souris and Bay Fortune congregations will nobly respond in all the efforts put forth by their young minister on this important field of labour in the East end of the island. During the evening the managers and ladies of the church have had the church and manse put into excellent repair; indeed, it would be hard to find on the island a better equipped manse and churches than in Souris and Bay Fortune. Warm congratulations are extended to the people and Mr. and Mrs. MacKay by their many friends on the union consummated last Thursday evening in the Presbyterian church of Souris. (Patriot and Examiner please copy.)

SHATTERED NERVES

Too many people disregard the warning of jangled nerves. And slowly but surely—neglect lets this curse of modern life affect every organ and every function of the body and mind.

For the nervous system is not independent and separate—but is intimately connected with stomach, liver, heart and brain.

You should heed the very first warning that your nerves telegraph to your intelligence.

First, remove the cause of the trouble. If you don't know what the cause is, consult a capable physician at once.

Second, rebuild and tone up your nervous system with Zoc-tic—the Greek Health Tonic.

It is a new and improved combination of glycer-phosphates, an odorless-refined Cod Liver Oil containing no greasiness and the best procurable tonic wine. Your own physician will tell you that glycer-phosphates contain the actual elements of the human body in the most assimilative form, and the value of Cod Liver Oil in rebuilding tissue, and tonic wine in rebuilding nerve force are too well known to need discussion. Zoc-tic has a delightful taste.

Everywhere in Canada at the same price. One Dollar for a Generous Bottle. Compounded from food and tonic essences by The Zoc-tic Company, Montreal. (5-5)

Sold by E. A. Foster, Central Drugstore, Sunnyside, Charlottetown.

Canadians Have Reason to be Very Proud of "Cee Tee Underclothing"

"CEE TEE" UNDERCLOTHING

ALL PURE WOOL - GUARANTEED UNSHRINKABLE MEANS ECONOMY PLUS COMFORT

NOT only is it manufactured by a firm who established themselves in Canada over 56 years ago—but a firm who have succeeded in producing woolen underclothing (CEE TEE) that is not surpassed anywhere in the world—not even in the Old Country—so famous for the high quality of its woolen goods.

When the British Government came to Canada looking for army underwear, ours was the only firm in Canada that had the necessary machines to produce the garments according to the samples which they brought with them. Therefore, they were compelled to change their specifications so that other knitting companies could be given some work immediately.

"CEE TEE" Underclothing is all made on these special machines, from only the finest Australian merino wool obtainable. This wool is combed and carded until every possible particle of foreign matter is taken out, and it is washed until it is as clean as human ingenuity can make it. The yarn is then knitted to fit the human form. This is why it sets so neatly over the body, making the outer clothing fit as perfectly as possible.

As he stepped from the train he was greeted with a thundering round of applause. He was escorted to Mayor Sterns' auto and taken to the Revere Hotel.
