— **McSORLEY — DRISCOLL** — On March 8, 1943 at St. Malachi's Church, Ormstown, P.Q., the Rev. Father P. H. Delage united in the Holy Bonds of Matrimony, Marion Patricia Driscoll, R.N., daughter of Mrs Driscoll and the late M. P. Driscoll of Summerside, P.E.I. and Alexander McSorley, only son of Mrs McSorley and the late Dr. McSorley of Edmonton, Alta. The bride looked charming in a two-piece hyacinthe blue wool ensemble with navy accessories and wore a corsage of pink roses and fern. The couple were unattended, the ceremony being witnessed by Mr. George Collum and Mr. Philip McCaffrey. The altar and altar rail were prettily decorated with forget-me-nots, roses and other flowers. Following the ceremony the happy couple received the felicitations of many friends who were present, and they left immediately on an extended tour of the province. On their return they will reside at Ormstown where the groom is employed. The groom's gift to the bride was a white gold bracelet and ear rings. The bride is Assistant Superintendent of the Barrie Memorial Hospital, Ormstown and has many friends in the Maritimes, having received her education in Freetown, Miscouche Convent and Prince of Wales College, and later having trained at Hotel Dieu, Moncton. Previous to her marriage the bride was entertained at a shower in her honor held at the home of Miss Charlotte Hebert, R.N., Ormstown. After the guests had assembled, the bride-to-be, completely taken by surprise, entered the room to the strains of the Wedding March played by Miss Rita Smith, at the conclusion of which Miss Suzanne Hebert presented the guest of honor with a corsage of pink roses. She was the recipient of many lovely gifts, which had been placed on a beautiful decorated bridal table. A delicious buffet supper was served. The table decorations were carried out with tall pink tapers and pink carnations, while silver wedding bells hung from the chandeliers. The evening was brought to a close by the bride-to-be expressing her appreciation to the hostess and her friends for a very enjoyable evening. All joined in singing "For She's a Jolly Good Fellow." BORDEN NATIONALS VS. SUMMERSIDE ROYALS

A friendly game of hockey was played in Borden rink on Tuesday evening between the Summerside Royals and the Borden Nations. The ice was good and a large crowd was in attendance. The first period which ended two all showed that the teams were evenly matched. In the second period two penalties for the Borden team proved costly as Summerside with their splendid passing plays netted three goals while Borden was shorthanded and, with another goal before the whistle sounded, the second period ended 6-2. In the last period the playing was fast and open with both teams making splendid rushes from one end of rink to the other. It was just the kind of fast clean hockey that good sport fans enjoy and the crowd were kept on their toes with excitement. In this period Borden had a slight edge on the play getting 4 goals to Summerside 3. Both goalies had many hard shots to handle in this game which ended 9—6 in favor of Summerside.

Sportsmen Hear Address On Conservation

Mr. W. R. Bird, writer and naturalist addressed a large gathering of sportsmen and other lovers of nature and wild life, more than 600 in all, at a meeting held in Prince of Wales College auditorium last night.

Mr. W. H. Tidmarsh, president of the P.E.I. Fish and Game Protective Association presided. Seated on the platform also were Mr. J. Walter Jones, M L A, Bunbury, Mr. A. E. Morrison, original founder of the association in this Province in 1906, Mr. A. H. Mould, vice-president of the association and Mr. W. R. Shaw, Deputy Minister of Agriculture.

Mr. B Graham Rogers of the P E I Travel Bureau introduced the guest speaker.

In the course of his address Mr Bird told of the regulations enforced in Nova Scotia to conserve the supply of fish in the 40 salmon streams in the Province and also of the efforts to protect the moose, deer and partridge by closed season.

"If you face the outcry against these regulations and enforce the law, after the first year you'll have no trouble, and the average citizen is law-abiding," was the advice offered by Mr. Bird from the experience he had gleaned in his province.

He stated that in Nova Scotia there were 316 good fishing streams and 500 lakes. He also told of the wonderful developments in tuna fishing in Nova Scotia particularly at Wedgeport, where the world's record in tuna fishing was made by a fourteen year old girl. This sport has proven very popular with American tourists—the ladies as well as the men.

The speaker advocated a rod license for every angler, closer patrolling of the streams, and keeping them free from sawdust.

There are now five or six camps with modern conveniences along the streams in Nova Scotia and 53 in New Brunswick. Rental for these is from $10 to $14 a day. These are much sought after by tourists from New England.

Mr. J Walter Jones, M L A, expressed his early and very real interest in the growing of various kinds of trees. This has been quite a hobby with Mr. Jones ever since he started farming in Bunbury in 1913. He stated that he has brought 10,000 trees of various kinds to the province since that time, among them six varieties of pine, two of ash, white cedars, etc. His love of trees has developed his interest in birds for the two have a close affinity.

Referring to the legislation concerning fish and game, Mr. Jones stated that one hears much about legislating for the average man. He believed that the country must rely on men of vision, who have ideas that are highly valuable. Such men can win many to their viewpoint.

Mr. W R Shaw told of the construction of a dam an Annandale for trout fishing and of efforts to construct similar ones in Montague and in Prince County. Only the Annandale dam has yet been completed.

Mr. Shaw emphasized the importance of securing a Natural Resources expert for this Province. This man would be expected to have a knowledge of forestry problems and could help in the development of Irish moss and other new industries. He also stressed the importance of the Fish and Game Association as an advisory board to confer with the Department of Agriculture on the best methods of expending the money received from licenses.

Mr. B. Graham Rogers then showed films depicting the marvellous fishing and hunting grounds in New Brunswick and Nova Scotia.

The films were "Spring Tonic", brought here by Mr. W. R Bird; "Sportsman's Seventh Heaven", secured from the New Brunswick Travel Bureau, and Lingley's "Salmon Fishing", and "Hinterland of Trout", secured from the Canadian National Railways. These were greatly enjoyed by the audience.

An opportunity was given those present to become members of the Fish and Game Association at the close of the meeting. Thirty new members joined.

Akarit line which led to the union of the Britons and Americans in southern Tunisia. But the Britons are the first to point out that the manner in which these American infantrymen, with their excellent artillery, staved off repeated German tank thrusts during the Mareth offensive and continued to hammer Rommel's flank while Gen. Montgomery got ready for the Akarit attack, counted much in the scales for the Allied break-through.

Rommel's position grew more critical hourly. Front reports said that American troops in the Maknassy sector 45 miles to the northwest had cleaned out Axis flank positions to gain elbow room for another lunge toward the sea in an effort to cut off Rommel.

The Americans were only 28 miles from the Axis coastal road in this sector, and another U.S column southeast of El Guetar was beating down Axis resistance in order to join the 8th Army

Raked by Allied airmen participating in the greatest aerial armada ever hurled into action in Africa.

500 Planes In Action

At least 500 planes bombed and strafed Rommel's rear airfields yesterday in co-ordination with the 8th army land blow, while others striking at Sicily and the Mediterranean narrows off Tunisia sank or damaged at least 17 Axis ships.

This Allied aerial performance was reported to have eclipsed Monday's 1,000 sorties, and reconnaissance has established that the Monday raids alone resulted in the destruction or damage of 150 parked enemy planes in Sicily and Tunisia.

A concentration of hundreds of British guns opened the Wadi Akarit barrage which broke the back of Rommel's 12-mile defence line in the darkness early yesterday morning. (Mr. Churchill said 500 guns were engaged in the barrage.)

British and Indian infantrymen plunging through holes torn in the German-Italian positions quickly overwhelmed two hills anchoring the Wadi Akarit line in the west. Tanks and mobile infantry also poured through the breaches.

Ilsley Has Simplified Tax Form

OTTAWA, April 7 —(CP)—Good news for the man who earns not more than $3,000 a year—the Government is going to figure out your income tax for you.

Finance Minister Ilsley today gave notice of an amendment to the income tax budget resolutions, designed to make possible a simplified income tax form and save figuring for persons in the lower income brackets.

It provides that individuals receiving incomes from all sources of not more than $3,000 and not receiving investment income of more than $1,500 shall be subject to the amount of tax set forth in a table to be approved by the Governor-in-Council.

The table will specify the tax payable on incomes falling within ranges of $10. The tax payable on any income within a $10 range will be the midway amount, between the amounts payable at the limit on either side of the range, in dollars and ignoring the cents.

Trial Of Liquor Conspiracy Cases Adjourned To April 27

The special session of the Supreme Court for the trial of liquor conspiracy charges, which opened at Summerside on Tuesday, adjourned yesterday till April 27 at 11 o'clock.

Mr. Justice A. C. Saunders, who presided said that as he had already stated, he was going to have an inquiry into the question of a letter which was raised on Tuesday. He continued:-

"In view of the fact that the farmers will be needed on their farms in May, this is an agricultural Province and, in fairness to them, I think the appropriate time for this Court to be held is when they are least busy. I suggest we adjourn till the 27th instant. In the meantime I hope to get word from the Department of Justice. As I said, I expect to have an investigation. I will suggest to them that the convenient time to have his court would be in November. I hope they will accede to my suggestion."

His Lordship then said he would like to hear expressions of opinion on the matter from Counsel.

Mr. R. S. Hinton, for the Dominion Government, said that the Department of Justice desired the trials to be held as soon as possible. He referred to a report in the press that an adjournment had been asked for by the prosecution. "That is a false impression" he said. "We were prepared to go ahead, and the defence brought up this objection. The prosecution is still ready to go ahead, and with all speed We look with disfavour on the idea of waiting till November. The informations were laid last fall and the cases would have been ready for the fall term except for the Victory Loan. We asked for a special session at this time for the benefit of the farmers."

Hon. Thane A. Campbell, Attorney-General, said that from the point of view of expeditious proceedings he agreed with counsel for the Dominion Government (Mr. Hinton). A special session had been arranged at the request of the Department of National Revenue and the whole machinery set in motion for an early disposition of the cases "In regard to the rehearing of the case at which the jury had disagreed at the last session, it would seem the natural proceeding for another judge to hear the case. Mr. Justice Arsenault mentioned to me some time ago that he would likely preside at the new trial".

The Attorney-General said he thought it best to proceed. In view of the reprehensible letter referred to in court he could understand Judge Arsenault's reluctance to preside. "I have no doubt that counsel for the prosecution are totally ignorant of this matter. If they would declare their disassociation with the matter Judge Arsenault might hear the case." If on the other hand it is impossible to proceed the Attorney-General said it seemed to him that trials of cases of this kind, at that time, would prove a severe and unnecessary hardship on the jurors He said, that if it is absolutely impossible to proceed he would agree with the court on an adjournment till November. He again urged arrangements be made to proceed if possible, if counsel for the prosecution "are entirely innocent and declare themselves so to be" he could not see that Judge Arsenault would have any objection.

The court then said that the prosecution were certainly most desirous of proceeding at once and that it was his suggestion to adjourn. He had called Judge Arsenault and he had definitely stated that he would not hear the cases. His Lordship said that as he was placed in an embarassing position he thought it best to adjourn till the 27 inst. On that date the court will deal with a further adjournment or probably the cases may be proceeded with.

Mr. W H. Noonan said that the defence agreed with the suggestion to adjourn. They would submit to any ruling of the court. With reference to the remarks of counsel for the Dominion Government that the defence had delayed the prosecution, he replied that they had never done so. They had attended the preliminary inquiry for seventeen or eighteen adjournments at the request of the prosecution. They had done everything they could to cooperate with counsel for the prosecution.

The court then adjourned till April 27 at eleven o'clock. Counsel in attendance yesterday were the Attorney-General, Hon T. A. Campbell, R S Hinton for the prosecution and J. Watson MacNaught, K.C., and W. Henry Noonan for the defence.—S.

Active Year For Local C.W.L.

The following report was submitted at the Annual meeting Charlottetown Sub-division C W L by the recording secretary, Miss Evangeline Vessey:

"It is my privilege this evening to present a brief report of the different activities of the Charlottetown sub-division Catholic Women's League, from April 1942 to April 1943.

During the year there were eleven executive two being special, and ten regular meetings.

The Diocesan Convention was held in Summerside in September, 1942. Mrs. Stephen Trainor was voting delegate and reported convention proceedings at the October meeting. Two additional delegates and several members of our subdivision attended this convention.

On Remembrance Day, a wreath was placed on the Soldier's Monument by the President. Flowers were sent to the Basilica and Redemptorist Church at the Christmas and Easter feasts. All National and Diocesan fees and voluntary donations to National work have been paid. Donations were sent to: Sisters of St. Martha Building Fund, Red Cross, Tuberculosis League, Russian Fund, Hospital Bazaar, Barbra Sanctuary Society, British Children, Overseas Cigarette Fund, Dispensary, Social Service and Monastery.

The Treasurer, Mrs. Ernest McTague, reports that the total receipts for the year amounted to $665.60 in C.W.L. acct. and $331.80 in war acct.

Funds were raised to carry on the work of the sub-division through sponsoring a picture "Target for Tonight" at the Prince Edward Theatre. A privilege which is indeed appreciated. A Tag Sale was held for our war fund, besides Social for same purpose and a Rummage Sale.

Convenors' Reports

The following reports of the different Convenors contain a summary of the year's work:

War Work:— A brief summary as given by the Convener, Miss Mary McDonnell, shows that $331.80 was made thro' Tag Sales, Socials, Bridges, etc., and disbursed for Patriotic work. 1094 articles (garments cut and made, knitted goods and Hospital supplies were contributed and 1629 quilts labelled and packed, our Red Cross Committees and members of our different guilds accomplished this splendid work. 350 cards for sugar rations were distributed and 320 collected and signed. Members assisted in writing and checking same Several members serve on the Women's Advisory Committee W.P.T.B. 13 civic meetings were attended. War Savings stamps and certificates to the value of $2362.25 have been sold. Goods to the value of $187.50 were sent to the British Children at Christmas. Patriotic work included entertainment of numbers of service men in our homes during the holiday season and at other times The War Services Committee convists of 12 divisions covering every phase of aid to the men in the service, including the spiritual part without which patriotism is a lost issue. Recognizing this, Communion breakfasts have been sponsored religious articles, and reading matter supplied The Convener extends sincere thanks to all members and friends, not forgetting the generous public for co-operation in making this patriotic work such a splendid success.

Social Service:— Mrs. Sarah Benoit, Convenor, and her committee meet weekly at the Social Service rooms to make and repair garments for this charitable endeavor. Many new garments were made and numerous donations were received and distributed by the Sisters of Social Service. Individual members gave many articles of clothing to needy persons. In May this sub-division sponsored a picture in the Prince Edward Theatre, the proceeds of which were given to charity. It is of interest to note that the sub-division has contributed $1864.25 to Social Service during the past ten years.

Publicity:— The work of the sub-division has received due publicity through its Press Convener, Mrs. Frank Murray. This includes the reporting of ten monthly meetings, all advertising regarding League activities, and insertion of letters of special significance regarding our contribution to the War effort. The Convener extends sincere appreciation to the Press for courtesy and co-operation.

Membership:— Membership in the sub-division has made a noteworthy increase during the past year. With the many demands on our organization, due to world conditions, the need for an increased membership was realized. The active interest of the Convener, Mrs. J. H. Blanchard has been instrumental in having 58 new members added to our membership list.

Institutions:— Mrs. John Pollard, Convener, and her committee, did splendid work in dispensing Christmas gifts to the Institutions. Each inmate of the Provincial Infirmary was remembered, 187 bags of confections as well as gifts of tobacco, having been sent there. Hampers of fruit and candy were also sent to the Monastery Social Service, and Sacred Heart Home. Approximately 300 magazines and papers were supplied the several institutions, and 12 prayer books were sent to Infirmary. The convener extends appreciation to all members, also to the firms for generous donations.

Correspondence:— The Secretary Mrs. W.J.P. MacMillan reports 97 letters having been received from Societies and individuals both at home and abroad. Numerous letters, dealing with correspondence received, and notices of all regular and special meetings, letters of sympathy to members bereaved, and messages of congratulation have been attended to by the Secretary.

Magazine:— Through the efforts of the Convener, Mrs C. L McDonald, thirty-two new subscriptions have been received for "The Canadian League." Contributions have been made to the pages of our magazine, by Mrs Frank Murray, National Convener, re Girl Guide Work.

Citizenship:— That the members of our sub-division are interested in every work pertaining to a higher citizenship is evident by the fact that the Convener, Mrs. P J. Ready, reports C.W.L. representation on the following: Red Cross Society, Institute for Blind, Tuberculosis League, Anti-Cancer Society, Provincial and Local Girl Guides, Salvage Corps, Women's Advisory Committee, W.P.T.B. Canadian Legion, A.R.P. Service Corps.

Education:— Prizes were given to St. Dunstan's University and our city schools at the closing of the school terms, also, for Christian Doctrine. The Collegiate Club, sponsored by the sub-division, is functioning as usual under the direction of Rev J W McCardle, and weekly socials are sponsored by the Convener, Mrs. Nellie Nicholson and her committee.

Book Review:— An interesting list of the best books available in the Public Library — consisting of fiction, essays, biographies, poetry and children's stories are to be found in the vestibule of the Basilica and Redemptorist Church. It is of special significance to note, that tourists have shown interest to the extent of asking permission to copy said lists. "The Canadian League" carries in every issue a special list of the best books. New books were recommended and reviewed, and a new list will be published soon.

Sick Visiting:— Mrs. Henry Curran, as Convener, has been faithful in visiting members who have been ill and reports thirty-three visits paid in this line during the past term.

Girl Guides:— That a greater interest is being shown in the work of Guiding is evidenced in the splendid report submitted by the Convener, Mrs J. D. McGuigan. A brief summary of this shows that the number of Guides and their ranking is — Commissioners 1, Captains 4, Lieutenants 4, Guide Companies 4, Brownie Packs 2. Total number of girls composing above is 168; activities include—an afternoon tea at Notre Dame Academy, taking part in Corpus Christi procession, Sale of War Savings Stamps assisting in Salvage drive, sewing and knitting for overseas children victims of air raids, attending camp, etc. Meetings were held regularly throughout the year.

Study Clubs: — The Convener, Mrs. J. E. Cullen, reports that, owing to the great need of concentrating on the requirements of the men on active service, our Study Clubs were converted into knitting clubs and the making of ditty bags, the numbers of which will be given in the War Service Report.

Programme:— Owing to the need of conserving time devoted to increased activities during the past year, meetings have been devoted entirely to business with the exception of the New Year meeting which featured a delightful musical program. The Convener, Mrs. J. J. Trainor, extends sincere thanks to the artists who gave of their time and talent on that occasion.

The sincere appreciation of the sub-division is extended to our Chaplain, Reverend L A Dougan, for inspiration to carry out our works in the spirit of faith and loyalty as embodied in our motto "For God and Canada."

CAR FERRY MOVEMENTS — The car ferry SS. "Prince Edward Island" completed eight round trips yesterday in the average time of 55 minutes. On these crossings 30 cars loaded with mixed freight and 50 empty refrigerator cars were carried to the Island. Transported to the mainland were 49 loads of potatoes and turnips and 30 empties. At midnight last night there were 15 loads and 20 reefers at the Tormentine terminal awaiting transportation here. All the freight at Borden had been cleared away.

DEATH OF PO. ARTHUR FLETCHER.—Friends here will regret to learn of the death of PO. Arthur Fletcher, son of Professor W. E. Fletcher, while on active service overseas. The Fletcher family are well known in Charlottetown, Prof. Fletcher having been organist in Trinity United Church for several years. Pilot Officer Fletcher, 21 years of age, had been overseas for four months. He was a graduate of the Lindsay Collegiate Institute and is survived by his parents, one sister in Calgary, one brother in Kingston, and one sister at home in Lindsay. His father, Lieut. Fletcher, is a veteran of the last war and is now stationed at Yarmouth, N. S., on coast guard duty.

NUTRITION COMMITTEE MEETS — Dr. B. C. Keeping gave a report of the meeting of the National Nutrition Council which he had attended recently at Ottawa at the regular meeting of the Provincial Nutrition Committee held yesterday afternoon at the Sanitorium. The series of lectures on Nutrition given to the city teachers and students of Prince of Wales College by Home Economists has recently been completed, it was reported. These lectures have been particularly well received and many teachers have expressed their appreciation of them. It is the desire of the Nutrition committee to prepare a lecture and exhibit to be given the teachers in convention here this month.

FIRST THING EVERY MORNING

EASTERN GUARDIAN

*MEMORIAL SERVICE — On Sudnay, March 28th a part of the morning service at St. Andrews Presbyterian Church was dedicated to the memory of one of its former members, John MacLean Murdock who was killed in action over enemy territory on March 28th, 1942, and buried in Germany on April 2nd. The service was conducted by Mr. Donald Nicholson, Charlottetown, who told how Pilot Officer Murdock had answered the call of King and Country, while attending Acadia University and had enlisted in the Airforce early in the war. After his initial training was completed and he had received the commission the young pilot crossed the Atlantic as a member of Bomber Crew, and made many operational sweeps over Europe. Mr Nicholson speaking words of comfort to the bereaved family said, "No greater love hath any man than this, that a man lay down his life for his friends." This was followed by prayer for the family after which the beautiful hymn, "God Will Take Care of You" was effectively rendered by the speaker. Hymns suitable to the occasion were sung by the congregation and choir. Pilot Officer Murdock was the only son of Mrs. Murdock and the late J W Murdock, Montague. Two sisters are Betty at home and Doreen nurse-in-training in the Prince Edward Island Hospital. A year has gone by since Pilot Officer Murdock laid down his life for his country and again we extend sincere sympathy to his loved ones. L.
