EXPLANATION OF CONTEST

In each of the numbered panels above, there appears a sentence or phrase taken from eight of the advertisements appearing on this page. In making up your solution it is necessary to read the advertisements until you locate those from which the eight sentences or phrases have been taken. Write the name and address of the firms in whose advertisement you found the sentences, and then list the numbers of the "Bulletins" as given at the end of each panel in which they appear.

To make your solution eligible for a prize, attach a receipt showing that you have done business with one or more of "The Business Bulletin" advertisers during the current week. State also on your solution on which of the advertisers you wish your prize order drawn. Receipts must be to the value of at least twenty-five cents. The value of the attached receipt has no bearing on the awarding of prize orders.

From all correct replies received each week, four will be drawn and the prizes awarded in the order in which the drawings are made: 1st, \$4.00; 2nd, \$3.00; 3rd, \$2.00 and 4th, \$1.00. All prizes are awarded in the form of merchandise orders on the firms advertising on this page. Additional prizes totalling \$40.00 will also be awarded. These awards are: 1st, \$25.00; 2nd, \$10.00; 3rd, \$5.00 and will be won by the three persons who have sent in the most replies during the twenty six weeks this feature will appear. The first issue is January 13th and the final appearance will be July 7th.
