Quite a happy and bright gathering took place at Edward Smith's, Hunter River, on the 15th, ult., when the youth and beauty of Hunter River and near vicinity spent the evening in music, games and making candy. Music was furnished by Messrs Waye, Andrews, and Patterson. Much credit is due to Mrs. Smith for the refreshments served after which followed the most enjoyable part of the evening, pulling the candy and eating it. When the guests departed they voted it the pleasantest evening they had ever spent. Com.

Albert and Mrs. Jenkins, Pownal, on Wednesday last entertained the officers and members of Court Abegweit I.O.F., Pownal, at their comfortable home. As this was also the anniversary of Mrs. Jenkins' birth the meeting was doubly interesting. The happy company were enjoying themselves immensely, merry peals of laughter ringing through the house when the charming hostess announced that supper was ready, and there was an evolution of Domestic Science exuberlantly set forth, which made grastonomy possible. Everything of the best and the best of everything. After discussing this part of the program for about an hour, the guests retired from the dining hall. Mrs Jenkins was the recipient of some handsome and valuable presents and kind wishes for many happy birthdays. As the hour drew on to 12 a move was made homeward having spent a very pleasant evening. McDonald, Clyde River, have been forwarded to Brothers John, Alexander and Ewen McFadyen, of Riverdale:—As Orange brethren, we are taught to bear one another's burden but we know how empty our words would sound in trying to convey to you our heartfelt sympathy in this hour of sorrow by a sister's vacant chair. We can only direct you to the Great Head of our Order, who is ever ready to comfort. We know that your loss is her gain, but if we live a Christian life as she hath done, and as behooves us as Orangemen to do so, we shall all be united again where sorrow and parting are no more."

AFTER SUFFERING TEN YEARS

Cured by Lydia E. Pinkham's Vegetable Compound

MARLTON, N.J.—I feel that Lydia E. Pinkham's Vegetable Compound has given me new life. I suffered for ten years with serious female troubles, inflammation, ulceration, indigestion, nervousness, and could not sleep. Doctors gave me up, as they said my troubles were chronic. I was in despair, and did not care whether I lived or died, when I read about Lydia E. Pinkham's Vegetable Compound; so I began to take it, and am well again and relieved of all my suffering."—Mrs. GEORGE JORDY, Box 40, Marlton, N.J.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs, and to-day holds the record for the largest number of actual cures of female diseases we know of, and thousands of voluntary testimonials are on file in the Pinkham laboratory at Lynn, Mass., from women who have been cured from almost every form of female complaints, inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration. Every suffering woman owes it to herself to give Lydia E. Pinkham's Vegetable Compound a trial.

If you would like special advice about your case write a confidential letter to Mrs. Pinkham, at Lynn, Mass. Her advice is free, and always helpful.
