

# ESCAPED OPERATION FOR PILES

It is most disheartening to be told by your physician that nothing short of an operation will cure you of piles. The expense, the suffering, the risk, is too great, and so you endure the misery of this wretched ailment.

But why not be cured by Dr. Chase's Ointment. Relief is prompt, cure certain and lasting, when you use persistently this great soothing, healing ointment.

Mr. Mawer

Mr. J. Mawer, Roden, Man., writes: "Dr. Chase's Ointment is a wonderful preparation. I had itching piles for five or six years and though I tried two doctors' prescriptions and used many other preparations could not obtain much benefit. The doctor told me there was no cure for me, and that I would have to undergo an operation."

"I bought a box of Dr. Chase's Ointment and was completely cured in one week. As this was six months ago and there has been no return of the old trouble, I believe that the cure is a permanent one."

Dr. Chase's Ointment has a truly wonderful record of cures to back it up. Many cases of 10, 20, 30 years' standing have been cured by its use. 60 cents a box; all dealers. Sample box free, if you mention this paper. Edmanson, Bates & Co., Limited, Toronto.

### LATEST FROM THEATRES

#### F. F. PROCTOR'S NEW YORK

Proctor's 5th Avenue Theatre, now the acknowledged pacemaker for Manhattan's vaudeville, will run one of the classiest bills of its career next week, the bright particular star of which will be burlesque, lithesome and brilliant, Tricie Friganza, hailed far and wide as America's leading female funmaker. Miss Friganza, who has been away from New York or many moons returns in exuberant spirits with new material in every department of her entertainment, which means that we will be treated to many original ideas in costumes, songs and patter. Next on the program in importance will be Jesse L. Lasky's recent triumph "Clowning," while a special feature will be the Broadway debut of Maria L. & Co. in "Porcelain," a series of tableaux reproducing the world's most famous masterpieces in china. A quartette of smart acts will be disclosed in DuBar's 9 White Hussars, a singing band; Fred Duprez, international monologist; Ed. Vinton and his dog comedian "Buster" and Lewis and Doty, fashion-plate comedians. Much more amusement will be offered by Morris and Beasley in "The Manicure Shop," Cooper and Keshel in snappy repartee; Three Arthurs, bicyclists of perfect proficiency; Judge and Gail, comedy acrobats and Proctor's Photo Plays.

#### PROCTOR'S 125TH ST. THEATRE

"The Seven Mischief Makers," a tabloid musical comedy will head the big twelve-act bill at Proctor's 125th St. Theatre. Other acts are Mattie Choate and company in a comedy sketch; Chester Johnstone and his company of bicyclists; Henry Murphy, comedian; Goldie Mohr, comedienne; Perce and Knoll, comedy skit; Francis Powers, character comedienne; Rose Marston and Company in a comedy skit; Two Kitties, musical comedy; Dunning Madden, swift steppere; Flying Geese, aerial artist and black and white photo plays. There will be an entire change of bill on Thursday.

#### EDEN MUSEE, NEW YORK.

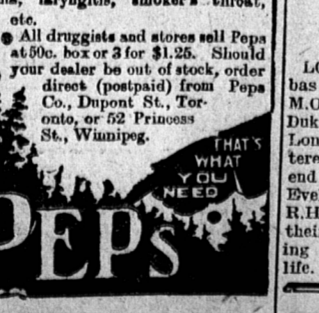

The world established Eden Musee of New York is one of the most important amusement houses in New York City. There is no other similar amusement place in the country and which has so many attractions as the Eden Musee. The World in Wax with its ever changing variety of figures and tableaux, contains over 350 individual figures, comprising celebrities of every walk of life and depicting scenes from all over the world. Then the Cinematograph de Luxe, which shows an entire change of subject every hour, shows scenic, nature, comic and dramatic scenes, from Europe and this country. The Band concerts play an interesting part of the large varied program while the stage is held every afternoon and evening by that master magician and illusionist, Mr. Dunninger, who starts his seventeenth week of an extended engagement. This clever artist also changes his program every week, and his most successful illusion called the "Astral Levitation" is the talk of his thousands of visitors, who never fail to appreciate and enjoy his performance. Large groups on tableaux are now in preparation, and will be placed on exhibition shortly.

*That's the night Cough!*  
You know it! It begins with a tickling, irritating sensation in your throat. You cough to clear the throat. In a moment, there it is again! A minute's peace, then again you cough, and so on until you cough your throat sore, and by the time the cough is sufficiently allayed to permit you to sleep, you are thoroughly worn out. This kind of experience is particularly trying to old people.

Peps make it quite unnecessary for you to have this kind of thing happening. These night coughs are due to the formation of mucus in the air passages, or to a little inflammation in the bronchial tubes. As soon as you put a Peps on your tongue, and allow it to slowly dissolve, healing balsamic fumes are liberated, which are breathed down the air passages and bronchi. These healing essences allay irritation, and so transform the hard phlegm and mucus that it is easily expelled. They impart, too, a feeling of warmth and a glow of comfort in the region where pain and irritation were before felt. Remember, also, Peps contains no opiates—no poisonous compounds. This makes Peps so suitable for the coughs and colds of children; and mothers should quickly grasp and appreciate this vast superiority.

Just as the out-door treatment for consumption—the "breathing" treatment—is now admitted to be the only rational treatment, so the "Peps" treatment for colds and lung troubles is the only rational home treatment. Peps treatment means the BREATHING down to the lungs, bronchial tubes, and chest cavity, of healing, strengthening, purifying medicinal ingredients. You can't SWALLOW medicine into your lungs. If a medicine can't be BREATHED, it can't get to the lungs and bronchial tubes. Peps provides a medicine you breathe—not swallow. For all disorders or irritations of the lungs, or bronchial tubes, therefore, use Peps. These include catarrh, coughs, bronchitis, sore throat, tightness or aching across the chest, difficulty in breathing, hoarseness, asthma, laryngitis, smoker's throat, etc.

All druggists and stores sell Peps at 50c. box or 3 for \$1.25. Should your dealer be out of stock, order direct (postpaid) from Peps Co., Dupont St., Toronto, or 52 Princess St., Winnipeg.

Activity of the Woman Suffrage party is being demonstrated in two ways at the New York Hippodrome—first in a section of the performance of the spectacle "America" in which a suffragette parade is presented in full detail, and secondly in the action of various state and city organizations in arranging huge theatre parties and banquets at the theatre that has given their cause such recognition.

The organization of the City of New York and of the state have selected January 26th and 27th for that purpose and expect to fill the huge house at both the afternoon and evening performances during their two-day benefit.

The following day, Wednesday, Jan. 28th, has been selected by the Woman Suffrage Party of New Jersey for their benefit and demonstration, and a big, outpouring is looked for from the President's state. A number of excursions have been arranged from the most remote sections.

This departure is a marked innovation on the part of the New York Hippodrome management, particularly at this time when the current attraction, "America," is proving a magnet that is taking the vast seating capacity at nearly every performance and giving the institution an era of prosperity unprecedented in amusement annals. The combination of educational value, dramatic interest, color, life, music, scenic grandeur and spectacular sensationalism found in "America" is responsible for its remarkable appeal to the public and its record as the greatest drawing card ever staged at the world's largest theatre.

### LONDON SOCIETY GOSSIP.

LONDON, Jan. 17.—Captain Bon-has Henry Rivers, Bukley, C.M.G., M.O.V., comptroller of the Duke of Connaught, has returned to London in an anticipation of an interesting domestic event due at the end of the month. His wife was Miss Evelyn Pelly, lady-in-waiting to E. R.H., the Duchess of Connaught, and their wedding was quite an interesting romance of government house life.
