SMALLPOX AT HAWKESBURY. St. Pierre's, C. B., Nov. 15.—The schooner J. W. Morton, which arrived a few days ago at Port Hawkesbury from Boston via St. Pierre and Louisburg, was placed on the marine railway for repairs, having been damaged on Tuesday. Several of the crew left the vessel at Hawkesbury, and proceeded to their homes on Isle Madame Island, when it was discovered that at least three were suffering from small-pox. They are being attended by Drs. Fixott and LeBlanc of Aribat.

NERVE DISORDERS OF WOMEN Accompanied by Neuralgia, Irritability, Sleeplessness and Depressed Spirits.

Dr. Chase's Nerve Food.

The feminine organism requires an enormous quantity of blood not only to sustain the network of nerves which are found in the womanly system, but also to make good the periodical loss which so weakens the body.

Consequently it happens that just as soon as the blood gets weak and watery or is deficient in quantity the nervous system suffers, and in woman the effects are most severely felt in the form of irregularities and weaknesses of the feminine system.

At the beginning of womanhood, at child birth, during the nursing periods and at the change of life, calls are made for an extra supply of blood, and as a result nervous disorders are exceedingly common at these times, and the health and happiness of the remainder of life may depend on the care of the system.

Because Dr. Chase's Nerve Food actually forms new blood and creates new nerve force, it is the most effective preparation ever used by women to build up the system and restore vigor and strength to the body.

Mrs. Willis Taylor, Henaley Street, Charlottetown, P. E. I., states:—"I suffered from nervous prostration, could not sleep, and frequently had attacks of nervous headache; in fact, my whole system was run down and my health was in anything but a satisfactory condition. Since having used three boxes of Chase's Nerve Food I can say that I never tried any medicine did me so much good. It has built up my system, strengthened the nerves and enabled me to sleep and rest well. It is now a considerable time since I had a headache, and I can truthfully recommend Dr. Chase's Nerve Food as a splendid preparation."

Dr. Chase's Nerve Food, 50 cents a box, at all dealers, or Edmansson, Bates & Co., Toronto.
