## LOCAL BRIEFS

THE flames referred to in yesterday's GUARDIAN was not one of the city force.

EMPIRE LODGE, Knights of Pythias, will hold a special meeting tonight in Mechanics' Hall, at 8 o'clock, to finish conferring the ranks on charter members. All who have not received their ranks please attend tonight.

At the Police Court yesterday the case against Andrew Doyle for a breach of the Liquor Regulation Act was dismissed. Frank Gormely, for assaulting Albert P. Allin, was fined \$5 or 30 days. Rose Kavanaugh, drunk and incapable, was fined \$2 or 10 days. A case against John Wakeling for disturbing religious service was dismissed.

WHAT nearly terminated in another fatality occurred Wednesday night at Montague, when little Willard, nine-year-old son of Capt. Kennedy, was walking in the curve of the wharf. He accidentally lost his balance and fell overboard, and was in the water some ten minutes, when his elder brother Harry heroically jumped into the water and rescued him from a watery grave.

THE officers of Empire Lodge, Knights of Pythias, No. 19, were duly installed in the Odd Fellow's Hall last night, by Deputy Grand Chancellor A. Macbeth, assisted by Past Chancellors J. R. McKee, as Grand Master at Arms, T. A. MacLean, Grand Prelate, J. J. Davies, as Grand Vice Chancellor. Chancellor Commander, F. S. Jost; Vice Chancellor, Arthur G. Peake; Prelate, Rev. J. W. McConnell; Master of Work, K. Finlayson; Keeper of Records and Seals, G. J. Lane; Master of Finance, W. W. Clarke; Master of Exchequer, J. S. Thomson; Master at Arms, Leonard McKay; Inner Guard, F. P. Newson; Outer Guard, J. N. Sutherland. Empire Lodge will in future meet every Friday night, at 8 o'clock, in Mechanics' Hall, Prowse Block.

A meeting of the city Sunday school workers was held in the ladies' parlor of Zion church last night. Mr. Coffin acted as chairman and Mr. E. S. McPhail secretary. At prayer Rev. Mr. Raymond, secretary of the Provincial Association explained the object of the meeting viz; organizing a district meeting of Sunday school workers in Charlottetown and Royalty. The Rev. gentlemen laid special stress on the value of organization; co-operation of all denominations; education; extension of work, and lastly evangelization. He emphasized the value of normal work among Sunday School teachers. On motion, Mr. Stanley, Supt. of First Methodist Sunday School, was appointed President; Mr. A. W. Sterns, Vice President; Mr. E. S. McPhail, Secretary. Rev. G. P. Raymond was appointed leader of the normal class which was organized and Mrs. S. Sanderson, Sec'y. Treas. The meeting adjourned to meet next Wednesday night after prayer service in the ladies' parlor, Zion Church. Rev. Mr. Whiston closed the meeting with a short prayer.

J. KEELOR McDONALD was home from Charlottetown, to spend the holidays with his family at New Glasgow and returned last Thursday. He is erecting a large building there, and has had big contracts all over the provinces.—Colonial Standard.

A correspondent in the Maritime Merchant in referring to the strengthening of British arms says: The British clerks are each contributing two shillings or more. This plan might be adopted in these provinces, and 25 cent amounts collected from clerks everywhere in Nova Scotia, New Brunswick, and Prince Edward Island.

THE Red Cross, on a white ground, is a coat of arms honored and protected by all civilized nations. It means help for the wounded, sick and dying on the battle field, and the present war in South Africa gives us a relative interest in this most excellent and faithful organization for our boys have gone to the front. Ladies' Aid Societies to the Red Cross have been organized in all our sister Provinces, so we of P. E. Island, being no less patriotic, have done the same, and ask one and all who are interested to lend a helping hand, either by work, contributions of money or embodiment, in such things as flannel-ette, rubber sheeting, hot water bottles, air pillows, Bovril and other beef extracts, etc. Rev. Leo Williams has placed a room in St Paul's Schoolroom at the disposal of the ladies, and on Monday next at 2 o'clock the room will be open for any one who will come and help sew or bring contributions. Our box must leave here on Friday, s. m. so as to ensure its being in time to sail by the transport leaving Halifax on Monday the 15th. City merchants have been asked for contributions and it is desirable that these shall be delivered at St. Paul's Schoolroom, Monday morning next at 10 o'clock.

A generous hearted citizen has intimated his intention to give ten thousand dollars for the establishment of a public library for Charlottetown. He has also expressed a desire to purchase the Young Men's Christian Association building, it being the most suitable place in which to house the library. The Executive Committee of the Y. M. C. A. met yesterday afternoon. The matter of the disposal of the property was discussed and the committee decided that it was best to call a special general meeting of all the members of the Y. M. C. A. and lay the matter before them. A special meeting of all the members is therefore called for Tuesday night, Jan. 16th at 8 o'clock in the Y. M. C. A. Parlor. Only those who are ticket holders and whose subscription for this year has been paid will have the privilege of speaking and voting on this most important matter—important because it touches the interests of the time honored Young Men's Christian Association, as well as the new project, the public library—so that it will be necessary for any who want to take part in the meeting on Tuesday night, Jan. 16th, to see that they are in good standing as any one voting who was not would invalidate any business brought up.—W. C. TURNER, Secretary, of Executive.

THE kiln and grist mills belonging to Edward Munn, Brudenell, some three miles from Montague, were destroyed by fire on Wednesday night shortly after ten o'clock. The carding and cloth mills were saved with great difficulty as the fire burned fiercely. The fire is supposed to have originated in the kiln. The loss is a heavy one and the message from Montague last night stated that the mills were not insured.

QUITE a large audience assembled in Grace Church last night to hear Mr. T. C. James lecture on the Sudan. Colonel Moore ably presided. The lecture from beginning to end was a thorough masterpiece of eloquence and showed a most careful preparation and thorough knowledge of all the historic facts in connection with the Sudanese war. The conquest of the Sudan was traced from beginning to end. The building of the great railway completed in 1897, under the general superintendence of General Hector McDonald was explained. The formation of the Egyptian army with its officers was dwelt upon at length—special reference being made to General Gordon and his assassination, to Lord Kitchener, General Gatacre and others who are now to the front in South Africa. The battle of Omdurman was most graphically described. The illustrations were wonderfully helped by the pictures thrown on the canvas—such as Lord Kitchener, General Gordon, the Island Contingent and our beloved Sovereign Queen Victoria. At the close a vote of thanks, moved by Mr. J. D. Seaman and seconded by Rev. G. W. Ross was unanimously carried and tendered to the lecturer. The meeting closed by singing the National Anthem.

THE C. E. of the North Bedeque Presbyterian church held a very successful social at the mense on Tuesday evening Jan. 2nd. Although the roads were in a somewhat bad condition the majority of the young people of the congregation were present. A good entertainment had been provided. Mr. Hensley Stavert was chosen chairman and filled the office very acceptably. The following program was carried out: Instrumental duet William Tellyby Mrs. and Miss Whidden; chorus, Whip-poor-will by choir; recitation, Helen Whidden; solo, The lost chord, Clement Carruthers; recitation, Biddy's Trouble, Lottie Ross; Trio, Trust her not, Miss Annie Murray, Mrs. Whidden (2) Clement Carruthers; dialogue, The rival Speakers, by Messrs. Geo. H. Ross and Geo. Read, solo, An Awful Little Scrub, Clement Carruthers; Recitation, The Mapl. Emma Rogers, dialogue, Married by two new Justice of Peace by Miss Etta Humphrey and Messrs. Robt. Barker and Geo. Rogers; chorus, Homeward Bound, Choir. The whole program was well rendered. Several of the numbers received accolades. The dialogues in particular were well acted and brought forth peals of laughter. After the literary part of the program was over games were indulged in for some time, after which all sat down to an excellent repast of fruit prepared by ten members of the C. E. When leaving they joined hands and sang And Lang Srue. The proceeds of the evening were brought to a close by singing the National Anthem. Many thanks are due to (Rev) Mr. and Mrs. Whidden and family for the way they so kindly gave the young people the use of the mense and all things necessary to the successful carrying on of the social.
