HOME AND SCHOOL WEL-
FARE GROUP MEET — Dr. H. E.
Clark, president of the Home and
School Welfare Group, was chair-
man on Tuesday evening in the
Summerside High School Auditori-
um at its first meeting of the
season. A letter of appreciation
from the P. E. Teachers' Federa-
tion was read by the secretary,
Mrs. Allison MacLean. Plans were
discussed for ways and means of
supplementing the funds and it
was decided that the suggestions
of a Tag Day and Dance would be
brought to the attention of the
chairman of the Ways and Means
Committee. Mrs. L. H. MacFar-
lane, Mr. Clarence Mercer was the
special speaker of the evening. In
his opening remarks he commended
the Home and School Group for
the work which it had accom-
plished in the past and suggested
that this year the members aim
for even better results. In refer-
ring to the staff changes, he men-
tioned the four new teachers who
had been added, namely, Miss
Saunders and Mr. DesRoches. Mr.
Mercer gave a message to the par-
ents to boost the school, as it is
one they might be proud of, being
one of the finest in the Maricote
Peninsula. He urged the parents
also to get in close touch with
the teachers for best results. He
went on to say "We have draw-
backs but if all work together
great things can be accomplished."
There are 340 pupils enrolled in
this year. New books have been
introduced for use this term by the
Department of Education. A special
feature made possible by Radio
Station CJRW is the weekly by-
gone of junior and senior
school assemblies, alternately, at
10:05 a. m. starting October 5. It
was moved that the Home and
School express its appreciation to
M. F. Schurman Co. Ltd. for its
donation of the Prince County
School Competition. It was moved
that a letter of appreciation be
forwarded to Mr. J. K. Curran for
his donation of an Encyclopedia
Britannica for use in the school.
At the close of the meeting, Mr.
Mercer conducted a tour of in-
spection of the improvements made
in the interior of the building,
such as a new class room in cheery
colors, fitted up in the basement
for Grade VI; a large library
where more books, chiefly of the
classics, are needed; and extra
space for manual training has
been provided. A teachers' rest
room, which had not been avail-
able for the past few years, has
now been returned to them and
donations of used furniture for
making it comfortable would be
greatly appreciated. The Art Club
has been discontinued this year
for lack of a teacher and lack of
space. — S

FUNERAL YESTERDAY —
Funeral services for the late Mrs.
B.W. Tanton were held yesterday
afternoon at three o'clock from the
Compton Funeral Home, Sum-
merside, by the Rev. J.A. McGowan
of Kensington officiating. Pall
bearers were Messrs Donald Baker,
Heath Strong, Arthur Andrew, Eric
Tanton, Sinclair MacKay, John
Clark. The late Mrs. Tanton, who
was 74 years of age, died in Truro,
N.S. on September 20th. She had
been born in Summerside, a daugh-
ter of the late Mr. and Mrs. Neil
Ross and had lived here all her
life up to fifteen years ago when
she moved to Truro. Her husband
died about ten years ago. She is
survived by a daughter, Louise of
Boston, who was here for the fun-
eral and a son, Cecil in Texas. Her

clared in hearings that at existing
rates it would show a "deficiency"
of more than \$32,000,000 this year.
This "deficiency"—almost covered
by the temporary eight-per-cent
increase granted—was the differ-
ence between expected earnings and
the figure set up by the board in
1948 as reasonable requirements for
fixed charges, dividends and sur-
plus.
The case of the former increase,
allowed in March, 1948, was taken
under review by the Board, after
the Provinces pressed their case be-
fore the Cabinet.
Provincial representatives de-
clared in hearings that in their
opinion the railways do not need a
rate increase. They suggested the
carriers had been loose in their
accounting in presenting figures
showing big prospective losses un-
der the present rates.
Mr. Arohbald said it was his
opinion that in considering the
1948 application the Board then
could have made a more careful
amination of the revenue deficiency
of the C.P.R.
In his view a 15-per-cent—not a
21-per-cent increase—would have
covered that deficiency.

SEMI-ANNUAL
Continued from page 1
devoid of transfusion services, he
said and others were inadequately
served. Also prior to the intro-
duction of the Red Cross Transfu-
sion Service the cost of blood
was exorbitant. Since the depot
opened in Halifax about a year ago
over 12,000 bottles of blood have
been collected in Nova Scotia and
Prince Edward Island, he stated
but it is not enough to meet the
requirements of the hospitals.
He said that donors in this Pro-
vince have responded well but he
hoped it could be made better with
more exertion here and there.
Dwelling on some of the reasons
that some people hesitate to be-
come donors, the speaker stated
that the foremost one was fear
that it may be painful and have a
harmful effect on health. "I can
assure you that it is absolutely
painless and it will not harm your
health," he said. "Anyone from 18
to 65 and in normal health can
safely give a donation."
He also stressed to his audience
that fact that the service is free
in every way. It is free up to any
number of bottles any patient may
require.

Other Speakers
The appreciation of the audience
was expressed to the speaker by
the Hon. A.W. Matheson, Provin-
cial Minister of Health and Wel-
fare. Mr. Matheson pointed out
that the grant of \$5,000 made by
the Provincial Government to the
Blood Donor Service is not yet an
annual grant but he hoped it
would be so at the next ses-
sion of the Legislature.
In his introductory remarks the
president, Mr. R.H. Rogers said
the reason the meeting was being
held in Summerside was to meet some
of the people personally and recog-
nize in some way the benefits
Summerside and Prince County
have conferred on the Red Cross.
Their generous support of the Red
Cross has been a source of great
inspiration to the officers and staff
of the Division.

Reports Reviewed
As it was a business meeting the
reports of the various committees
were received and read as prepar-
ed by their respective chairmen.
They were: Treasurer, D.A. Mac-
Kinnon; women's work, Mrs. E.A.
Foster; nutrition committee, Mrs.
Walter Jones; Red Cross Corps,
Miss Dorothy Stewart; Sum-
merside branch, Mrs. F.W. Strong;
nursing committee, Verna Darrach;
water safety, Mrs. Harry Dymore;
blood donor committee, Leo Mc-
Donald; Junior Red Cross, Mrs.
Robert MacCallum.

A dialogue on Junior Red Cross
work was given by Patsy Preston
and Irene Mountain of grade seven,
Summerside High School.
A film entitled, "Miracle Fluid"
depicting the work of the Blood
Transfusion Service was shown. —
