

Do You Know-

That we operate the only Lens Grinding Plant on P. E. Island?

That we employ a skilled Surface Grinder, and are daily grinding from the rough glass—the most complicated kinds of lenses?

These are facts, which mean a good deal to the Glass wearing public, doing away with the annoying delays caused by sending away for special lenses.

Send your glasses in by mail, you'll get them back promptly and in perfect condition.

Call in and look over our plant.

Mr. Maxwell Suffered Years With Pimples Healed by Cuticura

"I suffered for years with pimples and blackheads on my face. The latter one could hardly get a pin point between, and the former itched and burned so that I could not sleep at night, and my face was just a mass of eruptions.

"I decided to give Cuticura Soap and Ointment a trial, and after using two cases of Cuticura Soap and two boxes of Cuticura Ointment I was completely healed." (Signed) R. B. Maxwell, Upper Sackville, N. S., August 10, 1917.

You may think that because Cuticura does such wonderful work in soothing and healing severe itching and burning eczemas it is not adapted to the gentle uses of the toilet. On the contrary, that is just where it is most effective in preventing these serious skin troubles.

For Free Sample Each by Mail address post-card: "Cuticura," Dept. A, Boston, U.S.A." Sold everywhere.
