### "Dodsworth" Draws Large Crowd At Capitol Theatre

"Dodsworth" one of Samuel Goldwyn's most magnificent productions is playing at the Capitol Theatre tonight and those who attended the theatre last night, said it was one of the finest pieces of entertainment they had seen. Adapted to the screen by Sidney Howard from the novel by Sinclair Lewis, it combines all the best features of the book, and adding several charming features of its own, it was a smash hit on Broadway and had a splendid run. Brilliantly acted by a perfect cast with Walter Huston in the title role, assisted by Ruth Chatterton, Paul Lukas, Mary Astor and David Niven, this absorbing film tells the story of Sam Dodsworth, a hard working middle western business man who retires to travel. The story is right up to the minute with some of the scenes on the Queen Mary on her maiden voyage, when the Dodsworths sailed to Paris, seeking rest and culture, but finding love and romance.
