—ACCIDENT.—Mr. Camille Desrochers of Miscouche, while sawing wood with a circular saw Tuesday afternoon at a neighbor's home, had the misfortune of cutting his left hand very badly. He was immediately driven to the P. C. Hospital, Summerside, where he received medical attention and is resting as well as can be expected.

—WEDDING BELLS.—A very pretty wedding took place in St. Dunstan's Cathedral on Tuesday January 31st, the principals being Miss Devlinia Griffin of South Shore, P. E. I., and Mr. Angelo Coady of Regina, Sask. The ceremony was performed by Rev. W. V. McDonald of the Cathedral staff. After the ceremony the happy young couple left by the morning train en route to their future home in Regina. They have the best wishes of a host of friends.

—MARGATE CIRCUIT.—Interest in the movement for a building and endowment fund for the Mount Zion University at Sackville is rapidly developing not only in the city and towns of the province but in the outlying districts as well. Sunday Mr. C. Boardman Brown who is in charge of the organization of the movement for the Island Province visited the Margate circuit and notwithstanding the stormy day, was greeted at Margate, Frextown and Kensington by interested congregations to whom he delivered admirable addresses upon the theme of Manhood and Leadership as developed in our educational institutions especially Mount Allison. Mr. C. C. Baker has accepted the position of Church Chairman for the Margate congregation and Mr. James F. Mayhew for the Kensington congregation and it is hoped that the complete organization of the field may soon be effected and the movement pushed to success.

—MARRIAGE.—The marriage took place in St. Paul's Church, Summerside, on the 4th inst, by Rev. J. C. McDonald, of Mr. John Harry Murphy of Mininogish, and Thelma Annie Butler of the same place.

—THE STORM.—The snow storm of Sunday night has been decidedly the worst of the season. Reports from country districts state that the roads are blocked with snow drifts which require shovelling in many places.

—HOCKEY.—A most interesting game of hockey was played on the Conquest Rink at Kensington on Saturday between the Summerside Trail Rangers and the Kensington Conquests. Mr. Peter McMahon was referee who scrutinized every particular and combination play and noted impartially every infraction of the strictest rule of supreme umpire. The Conquests won by a lead of ten points. A return match will be played at Summerside. The Conquests are now flushed with victory, yet not satisfied. They will meet the Confederates of Malpeque who have shown sufficient athletic ability to feel that a victory won from them will be dearly purchased. The spirit of healthy sport that animates the aspiring youth deservingly encouraged and enthusiastically encouraged. The facilities thus developed will be made the better able to grapple with the problems of life when estate of manhood has been gained.—Y.

—RECOVERING.—Her many friends will be pleased to learn that Mrs. Edward McKenna, Elmisdale, who was recently operated on for appendicitis at the P. C. Hospital health, Mr. McKenna has been in town for a few days and will accompany his wife home in the course of a day or two.

The citizens will be asked to select three new councillors and a Mayor. It is understood that Messrs. Thos. D. Carriers and Edward W. Manson, are again offering. The citizens are very much in favor of a public meeting to discuss generally the civic situation, so that the people will be the better able to give the "Candidates" offering the "once over", as it is claimed many things might well be brought to light that seem to have been forgotten.

He Sleeps All Night Long Now

GETS UP EVERY MORNING FRESH AS A DAISY SINCE TAKING TANLAC, SAYS SCHOOP.

"What I needed was just an all round building up and Tanlac has done that very thing," said Joseph Schoop.

"For at least a year before taking Tanlac I was in a badly run-down condition. I wasn't sick, exactly but had no strength or energy and it didn't take anything hardly to tire me out. What little sleep I got seemed to do me no good and I got up in the morning with a dull, bad taste in my mouth and feeling worse than I did on going to bed. I had a dull headache all the time and felt weak and languid and it was a drag for me to get through my work."

"But Tanlac has straightened me out in every way. I have gained ten pounds in weight and am stronger and feel more like working than I have for years. I sleep fine and get up feeling as fresh as a daisy and feel good all through the day. I have recommended Tanlac to a great many of my friends. It is certainly a great medicine."

Tanlac is sold in Charlottetown by the Badger Beer and by C. E. Ward & Son, St. Peter's Bay.

be certainly did put up a great race with this horse in Class B. Una Aubrey owned and driven by Donald McCarthy was a strong contender in this race but unfortunately broke the hobbles in the first heat and for this had to be content with 2nd money as "Thomson" a beautiful black gelding owned by Anse O'Brien and driven by Mr. O'Brien captured 2nd place in this race and will sure be some strong contender from now in the balance of the races held. It is the intention of the Club to hold another meet in the near future and due notice will be given later on and it is hoped that all of the best horses in this vicinity will be on hand to enter and take part in the various races as you know boys the place to win the races and to show the fans how fast your horse can go is to contend in the races not to all your racing around the stoves and let the fast horse remain in the barn.

A great many spectators were noticed from the surrounding towns and each one was quite satisfied with the afternoon's racing. The officials were highly congratulated by the spectators for the capable way in which the various races were pulled off and not one of the races was registered from the interest or disinterested parties for any of the races and Starter John Christopher sure done him self proud for the grand way in which he got the horses away in each race and when you please them all "Jack" you are going some.

Below is a list of the officials and the order of the races.
