All the members look forward with pleasure to the starting again of the Club in the coming winter.

GOOD TIME.—A very enjoyable evening was spent at the home of Mr. Chron MacVittie, "Birch Row" when the young and beauty of Westmoreland and surroundings gathered there. Music, games and other amusements were indulged in until the many friends were invited to the dining room were a dainty luncheon was nicely prepared by Mrs. Chron MacVittie. After luncheon, the games were again renewed and were continued till the wee small hours of the morning, when the happy party departed wishing Mr. and Mrs. MacVittie, the compliments of the season. Many were disappointed on arriving when they found that, on account of the condition of the roads, their daughter, Miss Granville, Teacher at Appin Road was unable to reach home.

A CLOSE CALL.—A well known Charlottetown family now residing in Calgary, Mr. and Mrs. Henry Jenkins and their little child, recently had a narrow escape from poisoning by coal gas. The gas escaped from a stove during the night, while the family were asleep. Indeed the probability is that they would all have been asphyxiated in their beds by the poisonous fumes, had not the child become very ill, and its cries awakened Mr. and Mrs. Jenkins. This Mrs. Jenkins were so weak from saving them all doubtlessly from a horrible death. As it was, all were glad that it had no worse a consequence.
