## SUCCESSFUL MEETING N. B. AND MAINE LEAGUE

### AMERICAN BASE BALL GAMES

FREDERICTON, April 10—The N. B. and Maine Baseball League at its adjourned meeting here today authorized secretary D. B. Donald to make formal application to Secretary J. H. Farrell of the National Association of Professional Baseball Leagues, at Auburn, N. Y., for admission of the league of the association with class D classification.

This action was taken pursuant to correspondence which Mr. Donald has been carrying on with Secretary Farrell.

Mayor Hooper, the president, and Secretary Donald were appointed a committee to select the umpires. Secretary Donald reported that a number of applications had been received from candidates for positions.

It was decided to have the league season open on May 20th, and a committee composed of Secretary Donald, Frank J. Leonard and Bob Gately were named to draw up the schedule which will be presented at the next meeting for approval. It is likely that the clubs will draw for the opening games in the different cities.

It was decided that after July 21st all postponed games must be played on the first open date.

A clause was added to the constitution providing that the clubs shall not be allowed to secure players under the optional agreement plan from clubs in leagues of higher classification, and the penalties imposed for violation of this provision are a fine of \$200 and the forfeiture of all games won in which the players concerned have figured.

### CHESS

The Wanderers Chess Club met again on Saturday night at Harvey's sample rooms, Sydney Street. There are now only a few games to play and the excitement is high as it is impossible even yet to decide who the winners may be.

The score for the evening is as follows—Mr. May lost one to Mr. Woodman, Mr. Tombs won two from Mr. McRae. These players also had one game drawn. Dr. Leslie won one from Mr. Mutch, Mr. Dungen won one from Mr. Tombs, Mr. Mutch won one from Mr. Lundie, Mr. May won one from Mr. Worthy, Mr. Worthy won one from Mr. May.

This Monday evening at 7 p. m. the Chess Club will meet at Dr. Ross's. This meeting promises to be one of the most exciting of the series for a number of these games will be played.

### WILSON THROWS FIRST BALL

WASHINGTON, April 10.—President Wilson forgot about the tariff and matters of state for more than two hours to-day and watched Washington defeat the New York team of the American League by a score of 2 to 1 in the opening game of the season here to-day. He tossed the first ball from the grand stand according to custom.

Vice-President Marshall, members of the cabinet, senators, representatives and a great number of officials were there, and a large part of a crowd that filled the park. The weather was raw and the skies cloudy. Mr. Wilson has always been a baseball fan, being a frequent visitor at the college games at Princeton, and himself played in his youth. Charles Starrett, who played first base for New York, was one of his pupils at Princeton three years ago. McConnell, of New York, was hit less frequently than Johnson, but the latter had the better support.

### HORSE NOTES

From Saturday's Evening Guardian.

\*The beautiful prize winning Clyde mare owned by Mr. Charles Eyrton of Trilby, P. E. I., has dropped a handsome colt of which he is justly proud. This colt was sired by the noted stock-getter Bandit (8463) which is owned by Mr. Wallace Stead of Highfield, P. E. I. It will be remembered that Bandit has sired prize-winning stock for two years in succession at the Provincial Exhibition, Charlottetown.

The Commodore was her first colt, her second was Sahib 2172, Lady Ethlyn's sire was Jack Daw who has 50 in the list by her. Her dam was Queen McGregor by Pergus McGregor, 2282. Rexall Girl's dam is Lady Ethlyn by Bingen 2.061. ### Symptoms Of Consumption Yield to Vinol.

The medical profession does not believe that consumption is inherited, but a person may inherit a weakness or tendency to that disease.

A prominent citizen of Evansville, Ind., writes: "I was ill for five months with a pulmonary trouble, and had the best of doctors; I had hemorrhages and was in a very bad way. Through the advice of a friend I tried Vinol, and I feel that it saved my life. It is all you recommend it to be. I believe it is the greatest medicine on earth. I have advised others to try Vinol, and they have had the same results. (Name furnished on request.)"

Vinol soothes and heals the inflamed surfaces, and allays the cough. Vinol creates an appetite, strengthens the digestive organs, and gives the patient strength to throw off incipient pulmonary diseases.

Try a bottle of Vinol with the understanding that your money will be returned if it does not help you. E. A. Foster, Central Drugstore, Charlottetown, P. E. I.

### RICHMOND BEAT TORONTO

RICHMOND, Va., April 8—The Toronto ball team lost another game yesterday, being defeated by the Richmond team of the Virginia League by 6 to 1.

The weather was extremely cold, and the players were muffled in big sweater coats and jerseys. The Leafs, fresh from the warm South, took no chances in the frigid atmosphere.

The program was for Maxwell and Hearn to divide the game as near equally as possible in the box. Maxwell went three innings, and declined to pitch more on account of the cold. Hearn finished up, but lost control, owing to the frigidly and high wind, Richmond used three twirlers, and they suffered similarly.

The feature play of the game was made by Catcher Truett in the Peterboro recruit, in the eighth inning. With first base occupied and nobody out, the batsman put down a sacrifice hit. Bradley fielded the ball close to the foul line about twenty feet from the plate, and Fitzpatrick, expecting the play at second, covered the bag. Bradley threw the batsman out at first, but third was left uncovered. Truett hustled to the bag and took Jordan's throw in time to get the runner. It was a play seldom seen.

Arrayed against the Leafs were Ayres, Frey and Bussey in the box. Ayres is a local collegian who serves as a pitcher for the Washington Americans. Griffith has tried, very hard to get this boy to report, but he will not go so until June if, at all, as he is finishing a four-year course in medicine.

Bussey was in the Canadian League in 1905, and has since been with Washington and other major league teams on trial. His performance was good enough for any team.
