NAVY LEAGUE.—If the weather proves favorable today the Charlottetown branch of the Boys' Naval Brigade will go under canvas at McDonald's Farm, West River. The boys will be under the direction of Mr. Clements, and no doubt will have a most enjoyable time. It is their intention to have their cutter towed up the river by motor boat. They expect to stay ten days.

AUTO PARTY RETURNS.—Messrs Gilbert Landry, Angus McLeod, and Roy Campbell returned home Sunday evening by auto from a week-end visit to Murray River, Beach Point, and Wood Islands. They report an abundant crop for the farmers of southern King's. They speak particularly of the potato crop, which they believe is farther advanced than preceding years, notwithstanding the dry weather. They congratulate the farmer on holding the ruling reins over "Mr. Potato Bug," but wish to draw their attention to the vast amount of fruit lost every year by those army-worms which they see hanging in clusters on the branches of apple trees in nearly every orchard. They advise the removal and destruction of these to ensure a fighting chance for the apple tree.

SCHOOL EXAMINATION.—The semi-annual examination of the Little River School, Lot 56, was held on the 29th of June, 1924, was largely attended by parents and visitors. Mr. Jas. Mills, Sr., acted as chairman. The children were examined in the different subjects by the teacher, Miss Winifred McLeod. The following programme was rendered:—

Opening—address, Miss Mills; address of welcome, Mabel Keefe; Recitations, (Chas. Sted, Jr., D. McDonald, Jas. Mills, Jr., Ducl. Ross, Mills and Tyle Mills; Recitations, Lyle Mills; Arthur Keefe, Laura Lawless; Raymond McDonald, Mary C. McDonald; Recitations, Miss Bessie Duncan; Keefe. After distributing the prizes, the teacher treated all to a light luncheon. The chairman made some remarks of the splendid improvement of the children and how sorry both pupils and parents were to lose such a proficient teacher. The chairman then called on Charles Sted, Jr., and Lyle Mills, who presented Miss McLeod with an address and a well filled purse. The teacher then replied with a few well chosen remarks, saying she had spent some very happy years in Little River school and hoped her successor would be treated as she had been. After singing God Save the King, and wishing Miss McLeod all future happiness, all departed for home saying it was one of the best examinations ever held in Little River.

GET A GOOD GRIP ON HEALTH

Look out for the unnatural weakness that indicates thinness of blood and lack of power. It means that your bodily organs are starving for want of good nourishment; that the red corpuscles are fewer, unequal to demands of health. Hood's Sarsaparilla increases strength of the delicate and nervous, restores red corpuscles, makes the blood carry health to every part, creates an appetite. If you need a good cathartic medicine, Hood's Pills will satisfy.
