Blood Disorders

are simply kidney disorders. The kidneys filter the blood of all that shouldn't be there. The blood passes through the kidneys every three minutes. If the kidneys do their work no impurity or cause of disorder can remain in the circulation longer than that time. Therefore if your blood is out of order your kidneys have failed in their work. They are in need of stimulation, strengthening or doctoring. One medicine will do all three, the finest and most imitated blood medicine there is.

HIS LIVER DIDN'T WORK

And Dreadful Headaches and Depression Followed—Cured by FERROZONE

Mr. Lionel S. LaSalle of Scotchboro had a trying time with liver complaint, but wisely used Ferrozone in time. He says: "My liver got sluggish and torpid, and made me feel about half dead. When I got up in the morning I was as tired as if I had slept all night. My head ached and spoke swam before my eyes incessantly. If I bent over or did any stooping work I would be a perfect 'what in two minutes. I felt depressed and out of sorts, and only got relief from Ferrozone. It went right to work, and before long cured me. I feel ever so much improved in health since using Ferrozone, which I strongly recommend for the kidneys and liver." Mr. E. E. Mooriet of Springfield says: "For years I was subject to frequent attacks of liver complaint, and no remedy ever cured like Ferrozone. When my head ached to split, and I felt drowsy and sick, Ferrozone relieved quickly. I used Ferrozone two months after being cured, and haven't been bothered since." When it comes to curing liver and kidney ailments you can't beat Ferrozone. It has a special action on these organs, and at once puts them in a strong healthy condition. Ferrozone isn't the kind that just relieves—it cures, and cures thoroughly. Ferrozone prevents a return of further trouble, and costs only 50c. a box, or six boxes for \$2.50. All by mail from the Ferrozone Company, Kingston, Ont. Get a supply to-day.
