The death occurred at Rockland, Mass., on Aug. 26th of Maggie (Ross) Gill, wife of Mr. E. H. Gill. She leaves to mourn besides her husband a son and daughter, E. Ross Gill and Mrs. Henry, an aged mother. Mrs. John Ross, Grafton St., Charlottetown, and five sisters, Mrs. G. A. Aitkin, Georgetown; Mrs. A. C. MacLeod, French River; Mrs. C. H. Nash, Washington, and Miss Sadie and Mary Ross at home to all of whom is extended sincerest sympathy.

WOMEN'S PATRIOTIC MEETING.—At the Armouries yesterday afternoon forty enthusiastic ladies of the P. E. I. Women's Patriotic Association were gathered together to consider how best they could further the interests of the Red Cross Society, in co-operation with which laudable institution it is working. The meeting, which began at 2.30 o'clock, was presided over by Mrs. Rogers, of Government House. There were in use two bandage-rolling machines, and three sewing machines, one of which was very kindly lent by Mr. Forsyth, of Miller Bros. The ladies highly appreciated Mr. Forsyth's kindness. A large number of names were added to the membership roll and several contributions were received by the Treasurer, Mrs. Chas. Lyons. This is a splendid beginning, and donations in money or in the form of suitable material are requested by the Association. The hall was placed at the disposal of the ladies by Col. Peake.

Again the angel of death visited Saint Peter's Parish and called from its midst on Tuesday, the 18th instant, one of the most popular young men of that place, Mr. Peter E. Burge. Deceased had been in failing health for about four years and although not apparently seriously ill yet the thread of life was gradually wearing away and at the end of the allotted time at the early age of twenty-seven years, death laid its icy hands on the dear and frail form and claimed it for his own. He was a graduate of the U. C. College in the year 1908 and in the fall of the same year he moved to Western Canada where he resided for five years and was very successful in his business career, but owing to delicate health he was obliged to return to his loving home. Deceased was the son of Mr. and Mrs. Michael Burge, and besides his parents he leaves to mourn three sisters and three brothers: Mrs. W. A. McKinnon, of St. George's; Jennie, of Providence, R. I.; Edward, of Winnipeg, Manitoba; Anselm, operator, P. E. I. Railway.

DO YOU SUFFER FROM BACKACHE!

When your kidneys are weak and torpid they do not properly perform their functions; your back aches and you do not feel like doing much of anything. You are likely to be despondent and to borrow trouble, just as if you hadn't enough already. Don't be a victim any longer. The old reliable medicine, Hood's Sarsaparilla, gives strength and tone to the kidneys and builds up the whole system. Get it today.

Laura and Louis at home. A large number of friends and relatives followed his remains to Saint Peter's Church where the last rites of his church was performed by Rev. A. A. McAulay, parish priest, after which his body was interred in the adjoining cemetery while his soul, clear of his transitory and ungrateful world, his friends trust, found a resting place in heaven.

The people of Dundas and vicinity were fairly shocked when word came that he was dead. He had been ailing of heart failure, at his home in Haverhill, Mass., on the evening before the 17th instant. In the prime of life, being only forty years of age, and in the midst of a very successful practice he was cut down without a moment's warning. He had just come away with his horse and had just come home and unhitched and was leading him into the stall when he fell dead. His wife (who is herself a medical student of the fourth year) wondered the little boy to see what was keeping him, he came in and said that papa was lying down in the stable. She rushed out and found, to her horror, that her husband was dead. She sent out for other doctors, but nothing could be done, life had departed.

He was a man who had worked himself up against many difficulties to the high position which he occupied. He received his early education in the common school in the district, and was fairly advanced in years before he became a student of medicine, but became a very successful practitioner and surgeon. He was a broad minded and large hearted man, full of kindness and sympathy and always stood for what is best in religion and in moral character, a loving, indulgent husband and father, and to every member of the old home and will be greatly missed, both in Haverhill where he practiced and in Dundas where he was brought up.

His remains arrived at Dundas on Friday, accompanied by the widow and by Capt. W. W. Roswell, sent by the Waldemar Company, U. R. K. P., of which the deceased was a member, to relieve the widow of all care. The funeral took place on the following Saturday and was very largely attended by both Protestants and Catholics, with whom the doctor was very popular, and who expressed their sincere regret at his untimely death. The services at the house were conducted by the Pastor M. N. MacLeod, assisted by Rev. Mr. Macintosh of Souris, and Rev. Mr. Rand of the Baptist Church, Dundas, after which the Masonic Order took charge of the remains and buried them with Masonic honors in the family lot in the cemetery in the Presbyterian Church, Dundas. He leaves to mourn, besides a sorrowing widow and little boy, father, brother, and three sisters, who have the sincere sympathy of a large circle of friends, relatives and acquaintances in their deep sorrow.

The esteem in which the late Doctor was held in Haverhill is seen from the following article copied from the Haverhill Gazette of the 19th instant.
"Escorted by the Waldemar Company, U. R. K. P., the body of Dr. Samuel A. Nicholson was borne from the late home 215 Main Street, Bradford district, to the Boston and Main depot, from which point it was taken by train to Dundas, Prince Edward Island, for burial.
"Rev. James L. McLaughlin, pastor of the Advent Christian Church, officiated at the services at the home at 2 o'clock. In attendance were relatives and friends of the departed physician from many places. The

body reposed in a massive solid quartered oak half couch casket which was all but buried beneath the wealth of floral tokens received.
"People of every station called to pay their respects to the deceased man, who ministered to rich and poor alike. A guard of honor was placed about the bier by Waldemar Company, composed of Sir Knight J. H. Schofield, Captain William Thompson, Captain Henry Higgins and Sir Knight Nory Doucette.

"Waldemar Company turned out in a body for the services, about fifty members acting as escort to the body to the railroad station. The organization was accompanied by the Haverhill brass band, which played as the cortege made its way slowly through the streets to the depot.
"The bearers were selected from the seven different organizations with which Dr. Nicholson was affiliated. These were the Masonic fraternity, Plymouth Rock Colony, Pilgrim Father, Palestine Lodge K. P., Waldemar Company, U. R. K. P., Clan Douglas, D. S. C., Passaquot Tribe, Red Men and Haverhill Lodge, L. O. U.
"Captain William W. Roswell, of Waldemar Company, accompanied the body to Dundas, P. E. I. the birth place of the dead Doctor, where the remains will be placed at rest in the family lot with full Masonic rites."

WEDDING BELLS.—A quiet, pretty wedding was celebrated at the Bay View, St. Peter's, on Wednesday, the 26th inst., when Mary Elizabeth Matheson, daughter of the late Mr. Malcolm Matheson, of Dundas, was married to Mr. Peter McLeod, son of Mr. Malcolm McLeod, of Dundas. The ceremony was performed by Rev. J. M. McLeod, of St. Peter's, cousin of the bride, in the presence of the immediate family and friends of the contracting parties, the parlors being very prettily decorated for the occasion. The old saying "happy is the bride whom the sun shines on" never was demonstrated better than on this occasion, it being a perfect day. The bride's costume consisted of a white silk dress, with lace and pearl trimmings, and she carried a magnificent bouquet of white flowers. Miss Alice Matheson acted as bridesmaid and Mr. Roy MacLaine, of St. Peter's, as best man. The flower girls were two nieces of the bride and

several pieces of furniture, silverware, cut glass, etc. Miss Edith Mohr, of New York, and Mr. and Mrs. J. W. McKay, of Halifax, were present. Mr. George F. Urling, of Boston, Mass., came on especially to attend the wedding, arriving in town on Tuesday and leaving after the ceremony. All their friends wish them success and much happiness in their nuptial bliss.

JOHN R. DINNIS PEDIGREED FOXES LTD.

Description of Ranch

The chief point of interest for the thousands of tourists who visit Charlottetown is the Dinnis farm. It is situated about ten minutes' drive from the city on an eminence overlooking the harbor and consists of one hundred and sixty acres of land. It is chiefly of interest because the fox ranch which occupies ten acres of woodland on the highest point of this farm is the largest in the Province and its owner has the reputation of being the most successful of fox breeders up to the present time.

Situated as it is on a wooded hilltop it is ideally located for a fox farm. The natural drainage of the ground is perfect, so that there is no danger of spring freshets so fatal to young foxes. The air is always pure and fresh, for the winds which sweep the hilltop carry away all harmful and disagreeable odors and tumble the chilling fogs into the valley below. The fact that Mr. Dinnis has never had a single case of sickness among his animals since he acquired the present ranch (three years ago) is sufficient evidence of the healthfulness of the ranch and surroundings. The ranch has an enviable history of success. Last year seven per cent. of the Island's increase of young foxes were born in this ranch. This year Mr. Dinnis has raised fifty-eight young foxes. It is not much wonder that he is called the "Wizard Rancher."

The Dinnis Ranch
The largest on Prince Edward Island, containing at present 110 foxes.

Description of Foxes

DINNIS PEDIGREED FOXES are regarded as the type, "par excellence" of silver black fox. They are characterized by thin mobile ears; a full neck, short and arched from the back; width over shoulders and through the heart; a long, delicately turred head; a springy pelt, and pink skin covered with a wealth of fine lustrous fur, particularly marked on limbs and under body; and a large heavy "brush". These are the Hall marks of health and vigour.

The foundation stock of the DINNIS PEDIGREED FOXES was selected from the pens of the Pioneer Ranchmen, Charles Dalton and R. T. Cullen, Alberton, and from the famous Rayner Ranch, Alton, Prince Edward Island. The crossing of these two noted strains has produced a beautiful, vigorous, large animal that combines the fine rich lustrous fur of the one breed with the high quality blood and phenomenal productiveness of the other. The pelts of ancestors of some of these foxes sold for the highest prices on the London market.

The litter reared last year by the mother of Queen Mary (one of the Company's foxes) sold for forty-five thousand dollars (\$45,000), while another litter reared by the dam of the Duke of Connaught sold for forty-six thousand dollars (\$46,000).

AN OPPORTUNITY

to get into a LARGE, PROSPEROUS, and WELL-ESTABLISHED concern.

The John R. Dinnis Pedigreed Foxes Limited

solicits capital for the FURTHER EXTENSION of a very successful Company. The Company owns at present, ELEVEN PAIRS of "PROVED BREEDERS" (two years old), worth at least 50 p. c. more than young pups according to the experience of ranchmen.

There are NO Promoters' Profits in this Proposition because the Directors are selling the new issue at actual cost price of foxes, virtually \$16,000 per pair.

Guarding The Dinnis Ranch

Standing out prominently is the night watchman's house which overlooks the ranch and the public road. Supplementing the eye of this officer is the vigilance of another watchman whose especial business it is to patrol the ranch. There are brilliant lights surrounding the ranch which are turned on every night to enable the trained night watchman to protect the foxes from disturbance.

The equipment is the largest and most up-to-date in the Province. The pens of the PEDIGREED FOXES number one to eleven and occupy the premier position in the ranch. Every convenience that ingenuity can suggest and money procure has been incorporated in the construction of their dens. The pens in which they take exercise are very large, and no pains have been spared to assure absolute comfort to the valuable occupants of these de luxe dwellings. The shareholders of the JOHN R. DINNIS PEDIGREED FOXES LIMITED have sole use and control of Mr. Dinnis' name so long as the Company carries on business.

The extra pairs of foxes added are at a VERY LOW COST VIRTUALLY \$16,000 per pair.

The new investor participates in enhanced value of the ELEVEN Pairs of "OLD BREEDERS".

"It is to be noted that the value of foxes of one year old and upwards ESPECIALLY OF PROVED BREEDERS, is considerably greater than young ones in their first year.
