

Summer Complaint.

Very few people escape an attack of summer complaint. It comes on so quickly, with so little warning, that every one should have in the house a bottle of Dr. Fowler's Wild Strawberry and be prepared to check it at once.

"I have used Dr. Fowler's Extract of Wild Strawberry for years and found it to be the best medicine I ever had for Diarrhoea and Summer Complaint. I have used more than a dozen bottles and would not be without it in my house. I consider it a safe and reliable remedy for all bowel complaints of children or adults."

JACOB SIMMERMAN,
Smithville, Ont.

Diarrhoea of Infants.

Too many babies die every year of cholera infantum. That dread disease soon blots out a little life. Don't let your baby be a victim. Dr. Fowler's Extract of Wild Strawberry is the only safe remedy for the diarrhoea of infants.

"I cured my baby of a bad attack of cholera by using Dr. Fowler's Extract of Wild Strawberry for it; nothing else did any good; but the baby improved from the first dose of Wild Strawberry. I highly recommend it to mothers."

MRS. W. WALTERS,
Richmond St., Hamilton.

Dr. Fowler's Extract of Wild Strawberry is sold by medicine dealers everywhere at 35 cents a bottle. Beware all substitutes and imitations, many of which are positively dangerous.

Diarrhoea and Dysentery.

Nothing will weaken the system so quickly as an attack of diarrhoea or dysentery and no disease will prove so rapidly fatal if neglected and allowed to run its course unchecked. The only safe, prompt and effective remedy is Dr. Fowler's Extract of Wild Strawberry; it not only checks the diarrhoea,

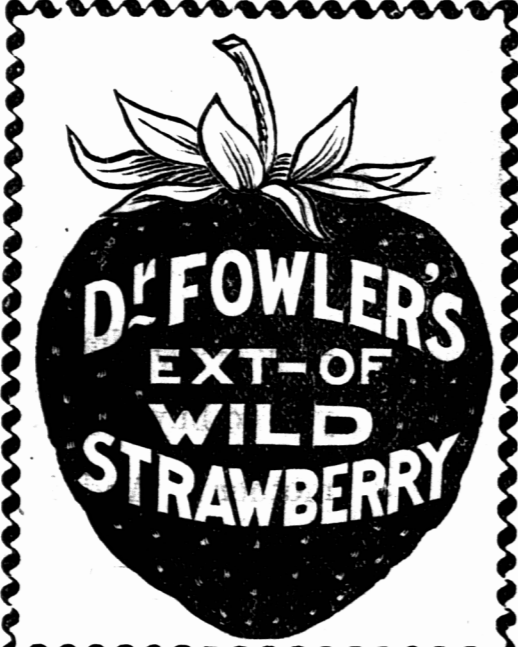

but stimulates the weakened heart. "I have been greatly troubled with dysentery for some time. Dr. Fowler's Extract of Wild Strawberry I consider a wonderful medicine for bowel complaints, as it has given me great relief when all other remedies failed."

W. P. LITTLE,
Alexander Station, Man.

Cramps and Colic.

"Some time ago I was taken very ill with vomiting, diarrhoea and cramps, which pained me so much that I could hardly bear the suffering. I tried many things but they were of no use. I was advised to take Dr. Fowler's Extract of Wild Strawberry and it was the first thing I got that would stay on my stomach. It gave me almost instant relief from the pain and stopped the vomiting and diarrhoea. I cannot recommend it too highly, as I consider there is no remedy equal to it for bowel complaints."

NERVOUS DIARRHOEA.

Many Speakers, Actors, Singers and Clergymen suffer from Diarrhoea when they appear in public.

It can be prevented by taking a few doses of Dr. Fowler's Extract of Wild Strawberry.

There are many people whom nervous excitement of any kind effects in a remarkable manner causing diarrhoea. I knew an estimable clergyman who was afflicted every time he appeared in public. He could get nothing to check this distressing condition of the bowels, until he tried Dr. Fowler's Extract of Wild Strawberry. It acted like a charm in his case, and he always carried a bottle of the remedy with him afterwards. Some men have had to retire from public life altogether on account of their trouble becoming chronic. There is no need of this, however, as Dr. Fowler's Strawberry can control and cure the severest cases.

It is not a new or untried remedy, as it has a record of over forty years of cures to its credit and is recognized on all hands as the only reliable remedy ever offered to the public as a safe and certain cure for diarrhoea, dysentery, Colic, cramps, cholera, morbus, and summer complaint, whether of children or adults.

The price of Dr. Fowler's Extract of Wild Strawberry is 25 cts. a bottle, and we would warn you against accepting any substitute or imitation. Many of these are positively dangerous and you are risking your life when you take them.
