### LOOKING 'EM OVER

BY "TEC."

#### THE ABBIE-WOLVERINE BATTLE

Harry Butler's Wolverines with the colorful "Red" Teller on the lineup will arrive in the city tonight, and on Friday will cross sticks with Abegweits in the final Charlottetown game of the Super-Six Series.

Looking the Abegweits over in their last two tilts with Truro and Dalhousie, it seems, although beaten in both fixtures, that they are about to arrive in the win column. Their exhibitions of hockey in three games stamps them as potent factors in the coming race for Northern League hockey honors. At any rate, Wolverines may look for a stubborn and crafty foe here tomorrow night when they hook up with the red and black squad.

#### SLIGHT CHANGE IN SCHEDULE

The new Northern League schedule which appeared in these columns yesterday morning has since undergone a slight change for the better. The League, instead of opening here on Monday, December 14th with Fredericton and Abegweits, has been changed to Wednesday, December 16th, the Monday game being set forward to February 10th. Therefore Abegweits, after Wednesday night's opener with Fredericton, will return to New Brunswick with the Capitals on Thursday morning, playing Moncton Hawks on Friday night; Papermakers in Bathurst on Monday night, and the Tigers in Campbellton on Wednesday.

#### ABBIES AMONG THOSE NAMED

A Nova Scotia sports writer has this to say regarding Maritime title contenders: "Times have certainly changed. Before the season, generally speaking, gets under way the rank and file are quite aware that the Maritime title will rest in one of six centres, namely: Fredericton, Halifax, Truro, Moncton, Charlottetown or Dalhousie. I don't know off-hand how many teams will compete in senior hockey this season but the six teams mentioned are certainly a small percentage. Still, it's a thousand to one shot that the Eastern Canadian title will be borne by one of these six aggregations and the others will be among the "also rans."

#### RAMBLERS TAKE TO ICE IN AMHERST

The Amherst Ramblers held a workout in the Amherst Arena Tuesday night for the first time this season. The ice was a little rough but if it continues cold for the next few days the Amherst fans expect to see an exhibition game by the middle of next week.

#### REFEREES

Wolverines, although having nothing particular against Jimmy Fallon of Newcastle as a referee for tomorrow night's game, have a hope that Pete MacDonald will be on the end of the whistle. Pete is a very efficient arbiter too, but

coming from Halifax doesn't stamp him as "neutral" according to the referee arrangement. They're both good, however, and it's a safe bet that the fans and players alike would be given every consideration, no matter which one of the two handled the game.

#### HAROLD DRUMMIE NAMED

Harold Drummie of Saint John has been chosen as official referee for Wednesday night's game here with the Capitals. Jack Brown, Moncton, and the above mentioned Fallon are also named by the Northern League as referees.

#### ONLY ONE REINSTATED

The Maritime Provinces are slimly represented in the list of reinstatements recently granted by the Amateur Athletic Union of Canada at their annual meeting in Winnipeg. The name of this lone "horseman" is one E. S. Laycock. He may be a famous Maritime athlete but the writer has never heard of him.

#### ABBIES AMONG THOSE NAMED

A Nova Scotia sports writer has this to say regarding Maritime title contenders:

"Times have certainly changed. Before the season, generally speaking, gets under way the rank and file are quite aware that the Maritime title will rest in one of six centres, namely: Fredericton, Halifax, Truro, Moncton, Charlottetown or Dalhousie. I don't know off-hand how many teams will compete in senior hockey this season but the six teams mentioned are certainly a small percentage. Still, it's a thousand to one shot that the Eastern Canadian title will be borne by one of these six aggregations and the others will be among the "also rans."

#### Children's Aid Monthly Meeting

The regular monthly meeting of the Board of management of the Children's Aid Society of Prince County was held in the Town Hall Tuesday evening, Dr. J. A. McPhee the president presided. The agent and trustee officer reported only one bad case of truancy during the month. The matter of the damage to the windows in the Baptist Church had been dealt with by the Juvenile Court. The case of some children in a country district was also brought to the attention of the society. The following resolution moved by Miss Eleanor Green and seconded by Heath Strong, K. O., was ordered engrossed on the minutes.

#### Suggested Measure Would Be Unsatisfactory

LONDON, Dec. 9. (Canadian Press Cable)—Prime Minister R. B. Bennett has branded as "unsatisfactory" a suggestion advanced by the London Morning Post that Canadian and foreign flour imports be prohibited entry into Great Britain to compensate for an increased wheat quota.

WHEREAS by the recent death of Rev. J. J. McDonald, the Children's Aid Society has lost one of its charter members and chief organizers.

BE IT RESOLVED that we, the members of the Society express our deep regret in our loss, and our sincere appreciation of the wise counsel and willing help of one who never spared himself in his efforts to save neglected, destitute, and delinquent children of our Town and County.

THEREFORE we place this resolution on our records but a more fitting memorial will be found in the lives of the little ones whose unfortunate condition he has helped to better.

Rev. G. J. McLellan was president and was welcomed by the President and other members of the Board of Management.—S.

# "Do you know what the president just told me?"

THERE goes Mr. Smith now. You know he's one of the two men the president has been considering for the new district managership. I suppose I really shouldn't mention this, but Mr. Emmett chose Mr. Louis, the younger man. His experience didn't compare with Mr. Smith's, and it seemed to me that Mr. Smith was better qualified for the position.

"But Mr. Louis starts to work for us next Monday. I'd like to tell Mr. Smith why he lost out. Certainly his failure to land the position is a real heartache. The president says Mr. Smith isn't particular enough about his appearance. He isn't as clean-shaven as he should be."

How many men have lost their big opportunity or fallen in the esteem of others because of personal

neglect? Thousands and thousands—we suspect. Yet today a clean shave is not purchased at the price of considerable discomfort. Now Gillette offers a new razor blade of remarkable quality, made to shave tender skin gently. Try the new Gillette on our money-back guarantee. Buy a package and use two blades. Then, if you don't agree that every shave is clean and pleasant, by a wide margin the best you've ever had—return the package to your dealer and get a refund.

### Ottawa Senators May Be Sold

OTTAWA, Ont., Dec. 9. (By the Canadian Press)—Representatives of hockey interests in two large cities are negotiating for the purchase of the Ottawa Senators, who withdrew from the National Hockey League this year, according to Major F. D. Burpee, of the auditorium limited, owners of the franchise.

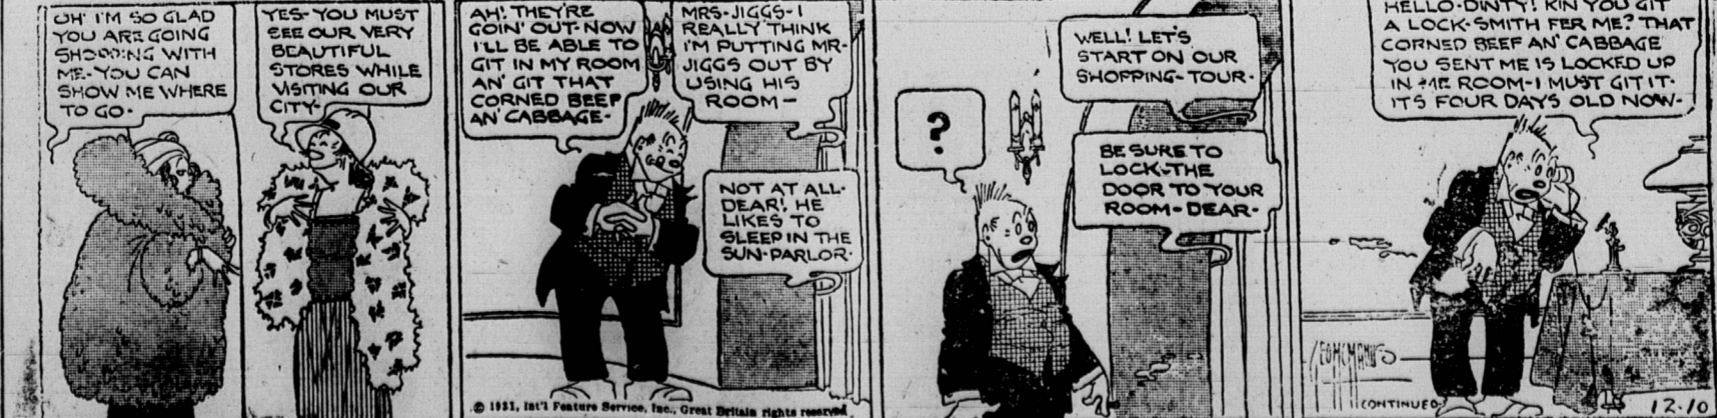

Major Burpee, who announced negotiations were underway for the sale of the Ottawa team at a directors meeting today, did not divulge the names of the cities interested. He was re-elected president of the auditorium limited.

"In the event of a sale we feel satisfied that the proceeds will pay off all losses incurred in the operation of the team here, and what is owed to the former owner," Major Burpee reported to the directors.

VICTORIA, B. C., Dec. 9. (By the Canadian Press)—British Columbia will attempt to present its own railway problem, the future of the Pacific Great Eastern railway and the Peace River country, before the Royal Commission on Transportation when it meets here Thursday, it is believed.

The Government, it was learned today, is preparing exhaustive data on this whole subject in the hope that the commission will be prepared to consider it. But so far it has no indication as to whether provincial railway problems will form part of the commission's agenda or not.

### THE SCORES IN SUPER-SIX PUCK LEAGUE

Schwab, Kane, Estabrooks Among The Chosen.

Vince Ferguson, left winger of the Halifax Wolverines, is the high scoring ace of the Maritimes Big Six pre-season schedule to date, according to the records and, with only one more game remaining, has a mighty good chance of leading the circuit. Vince has bagged three goals and given four assists for a total of seven points.

#### Capitals Well Up

The Fredericton front line star, Ernie Mosher and Sammy McManus, both of whom played with Eastern Nova Scotia League teams last year, trail Ferguson with five points each, made up of three goals and a pair of assists. Mosher added four of these points to his total against Wolverines Monday night.

#### Most Number Goals

Jerry Bradd, Halifax right winger has scored the most number of goals, four, and is bracketed with three others, Aubrey Webster, of Fredericton, "Baldy" Schwab, of Charlottetown, and "Red" Cook, Moncton, at four points each.

#### Leads Rangers

Arnie Butterworth, ace of the Ottawa junior scorers last year, now with Dalhousie Rangers, has scored three goals. Tied with him on points are his team mate, "Pop" Kerr, Steve Estabrooks, of Charlottetown, Reg Shields, Truro, and Joe McIntosh, Moncton.

### Saint John Wins Pin Game

SAINT JOHN, N. B., Dec. 9.—(By The Canadian Press)—Defending the Marven Trophy, a challenge cup for which Maritime provincial teams compete each season, Saint John Imperials defeated Sussex Hawks by a total pinfall of 1477 to 1439 today. The match was one of a series in competition for the trophy.
