## Farm For Sale

Sealed Tenders will be received at the office of the undersigned up to and including Tuesday the Second day of May 1916 at the hour of five o'clock p. m., for the purchase of that desirable farm property at North Bedoue owned by James M. Hacker. This property consists of a main farm of eighty four acres situated on the north side of McDonald's Point, and a smaller farm of twenty-four and one-half acres situated one mile distant along the Road leading from Summerside to Bedoue. The main farm is all cleared, well fenced and in a good state of cultivation. It has a shore frontage on Bedoue Bay of about fifteen chains and is within a half mile of oyster areas and mussel mud deposits. There is a modern dwelling house of ten rooms and two large barns with several outbuildings.

The smaller farm contains about fourteen acres of cleared land in a good state of cultivation and with a perennial spring of water at one end, thus affording ideal conditions for pasturage. The remaining ten acres are arched with a good growth of hard and soft wood, forming a site very suitable for a fox ranch.

Tenders to state prices per acre and the terms desired and to be marked "Tender for Main Farm" or "Tender to Small Farm" as the case may be.
