THE KING IS GETTING TOO FAT

London, May 21—King Edward unable since his accident in the rabbit hole, to walk, has become so heavy that Sir Frederick Treves has ordered the King riding exercise.

Accordingly, most mornings the monarch telephones over to Marlborough House and he and the Prince of Wales go for an early ride joining what is familiarly known as the liver brigade.

Among such a crowd of dancers, yellow skinned health seekers the King looks the picture of health.

King Edward laughs and grows fat. Wherever he goes to a race meeting or a public gathering of any kind you are sure to hear constantly, almost continuously, that particular laugh of his, which comes out on the left side of his mouth and sounds like a prolonged chuckle or chortle, to use Lancashire expression.

IT HEALS THE LUNGS.

When the antiseptic vapor of "Catarrhozone" is inhaled it spreads through the breathing organs, carrying healing and health to the sore spots. An irritable throat "Catarrhozone" cures in five minutes, bronchitis it soothes instantly, weak lungs are fed and quickly nourished back to health. To be free from colds and coughs, to avoid catarrh and bronchitis—use Catarrhozone; it is prescribed by more than twenty thousand physicians in America alone, and used by the people of nine nations.

ALBANI'S CAUTION.

Will Never Sing More Than Three Times a Week.

The life of a great prima donna is not the path of roses that some seem to think. To reach a position of eminence in the first place means a life of hard work, and a sacrifice of everything which does not tend to the one end. Then if one is so fortunate as to reach the desired goal, the same self sacrifice must be continued, in order to preserve that place. Madame Albani has always taken the very best care of herself, and one rule which she has always strictly adhered to is, that of limiting her public appearances to but three a week. Not for thirty years has she departed from this rule, no matter what the inducements, and the result has been quite evident by the wonderful preservation of her voice at the present time. Madame Albani always travels in the best luxurious style, and on the present tour, as on all previous ones, she has secured a very handsome private car. Hundreds are eagerly anticipating the appearance of Madame Albani and company on June 4th in the Market Hall. The subscription list is now open at Jamieson's drugstore.

EMBROIDERED LINEN WAISTS

Some of the large stores are showing prepared waists of white embroidered linen. The material though fine is somewhat less so than last season. There is a broad plumetis device surrounding the entire front of the waist. There is also some kind of adornment for the cuffs and collar. They are selling at the absurd price of $2.25 to 5.50 and needless to say their success is enormous. These waists are sellers. There is 3 yards of 36 inch linen in the waist length and it is extremely dressy in appearance.

ADVERTISING IS BROAD.

Advertising in itself means publicity and publicity is a very broad and comprehensive term. It does not mean simply a word whispered to a favored few. It is, rather, synonymous with a general, broadcast declaration, and the broader the scope of the announcement, the better the advertising. No occupied space that directs attention along given and desired lines can be reasonably regarded as wasted; nor can any funds expended to this end be adjudged extravagance.—American Medical Journa
