—FUR BUYERS LEAVE—Mr. Justin Rötter and Mr. A. L. Rosebourne, who have been buying furs in Summerside for the past six weeks leave this morning. Mr. Rosebourne is going to Montreal and Mr. Rötter to New York. Both gentlemen report having bought more furs in a shorter time than other years. Mr. Rötter stated that the pelts taken from pups showed that there had been considerable improvement in breeding last year and more careful selection of type. There were considerable off color pelts in the old foses but that was because so many ranchers were cutting out their foxes and getting clear of a lot of poor stock. On the whole, Mr. Rötter said the color phases were better. He hoped that another year would see a great improvement in both foxes and prices of pelts. Mr. Rötter was convinced that care in breeding and feeding had a great deal more bearing on the quality and color of a skin than the weather. Mr. Rötter is going to New Brunswick, and then on to New York and Montreal leaving early in February for France.—S

—DEATH OF MR. FIDELLE T. POIRIER—Many friends learned with regret of the sudden passing of Mr. Fidelle T. Poirier at his home in Wellington last Wednesday. Mr. Poirier was having some cards made with his wife when he collapsed. Dr. Delaney was called in at once but he found he had passed away. Mr. Poirier was 82 years of age and had run a hotel for many years in Wellington. Later he and his wife moved to live in Fort Kent, Maine, and returned about three years ago to make their home in their native province. Mr. Poirier was most highly esteemed and did much for the betterment of the community in which he lived. Besides his widow he leaves to mourn the following sons and daughters, Mrs. Richard Belanger, St. Charles, Quebec; Mrs. Albert Wareham and Miss Millicent of Montreal; Alcide, Somerville, Mass; Sylvère Wyoona Minn.; Augustine, Montreal and Dr. John Poirier of Waterville, Mass. The funeral took place last Friday and was largely attended.—S

—DEATH OF MR. ROBERT H. MACKINNON—There passed away in the Prince County Hospital on Sunday, Mr. Robert H. MacKinnon after an illness of about three months. Mr. MacKinnon was a native of Bideford and was the son of the late John MacKinnon. He was unmarried and had lived for many years in the United States, returning about ten or twelve years ago to his native place and has since resided on the homestead with his mother. He leaves to mourn besides his mother, a sister Mrs. Claude Williams who lived at home; a brother, A. G. MacKinnon of Bideford; as well as a brother and sister in the United States; Mr. W. J. MacKinnon of Arlington, Mass.; Mrs. Anderson of Cambridge. Another sister, Mrs. Robert Ellis passed away only last week at her home in Boston. Mr. MacKinnon was most highly esteemed and many friends extend sympathy to the bereaved. The funeral took place yesterday afternoon from the Anglican Church at Fort Hill, Rev. A. H. Hart Day officiating and was largely attended.—S

—THE BETHLEHEM PAGEANT, which was presented in Tyne Valley on Christmas night, was repeated in Lot 14 United Church on Sunday Evening, Jan. 8th. The program was put on by the Tyne Valley and Northham districts in connection with the United Church at Tyne Valley. The large audience listened with rapt attention as the wonderful story of the quest of the Shepherds and wise-men proceeded. The Bethlehem scenery, the costumes and the coloured lights contributed greatly in making this beautiful pageant deeply impressive, and a thing not to be easily forgotten. At times, touching incidents in the pictured story brought tears to the eyes of more than one present. Those who sponsored this entertainment will always cherish in their hearts a deep sense of gratitude to all who so heartily cooperated, and not only to those who actually took part in the program is our deep appreciation due, but also to those in the homes, who, regardless of creed, gave of their time and talents to the making of costumes, flowers, etc. The general atmosphere of helpfulness and good will seemed a foretaste of that great day coming, when all differences in religious beliefs shall be swept aside—merged in the one overwhelming desire to serve and worship the King of Kings—the Wonderful Creator and Loving Father of us all.

Urge Briton Head Wheat Committee

(C. P. by Guardian's Special Wire) LONDON, Jan. 10.—The British Government will be asked to nominate a permanent chairman to the International Wheat Advisory Committee to succeed the United States Ambassador to Great Britain.

The committee adopted a motion by Paul Devinat of France and Carlos Brebbia of Argentina inviting the British Government to nominate a chairman after Ray Atherton, presiding in the abdication of the chairmanship would sense of Ambassador Joseph Kennedy, announced the United States wished to give up the position. Mr. Atherton said the United States Government believed to be in the best interests of the committee.

Most of the discussion at this afternoon's session of the committee concerned nutrition and industrial uses for wheat. The major question of deciding whether the Governments represented on the committee should be advised to call a diplomatic conference to draft an international wheat agreement will be decided tomorrow.

It appears likely the committee will report in favor of an international agreement in an effort to ston costly competing individual price schemes. It appears less likely there will be unanimity on the concrete proposals to be recommended to a world conference on such topics as export restrictions, import quotas and acreage reduction.

Jack Benny Faces Charge Of Smuggling

(A. P. by Guardian's Special Wire) NEW YORK, Jan. 10.—Jack Benny, radio and screen star, was indicted by a Federal Grand Jury late today on a charge of smuggling jewelry in conspiracy with Albert N. Chaperau, pseudo-diplomat and convicted smuggler who has entangled other notables in customs violations.

The three counts in the indictment against them charge importing, illegally smuggling, transporting and concealing two gold clips and a gold bracelet—all diamond-studded.

The domestic value was placed at \$2,131 and the jewels were described out of court as gifts from Benny to Mary Livingstone, his wife and partner in comedy. The date of the alleged smuggling was Oct. 7, 1937.

Benny, after protesting his innocence in a long, clear-waving appearance before the special Grand Jury, pleaded not guilty and his bail was fixed at \$1,000. Trial was set for Jan. 24.

Chaperau, a shadowy international figure, was indicted previously with radio comedian George Burns of the Burns and (Gracie) Allen team, with Mrs. Elma Lauer, wife of a state supreme court justice, and with his own wife, who is in Paris. Both Burns and Mrs. Lauer have pleaded guilty to separate indictments linking them with Chaperau, who was convicted yesterday after waiving trial by jury and staking his case on a claim of diplomatic immunity from customs on the ground that he was a commercial attaché of the Nicaraguan Consulate here.

Federal Judge Murray Hulbert disallowed the claim when it was shown the State Department had no record of Chaperau as a diplomat and it was disclosed also that the Consul General who appointed him had been recalled to Nicaragua and replaced. Each count against Benny carries, upon conviction, a maximum penalty of two years in prison and \$5,000 fine.

COMMITTED TO TRIAL AMHERST, N. S., Jan. 10.—(CP)—Arthur Anderson of West Bay, near here, was committed for trial today on a charge of assaulting Joseph Davis, also of West Bay, on Christmas Eve. Anderson is alleged to have beaten Davis with a club and left him unconscious on the highway. He was released on \$2,000 bail.
