

WITHDRAWS FROM THE ALLIANCE

The following letter was published yesterday's Patriot:—
 Charlotte, P. E. I., June 13th, 1927.
 Mr. A. MacLeod,
 Secretary,
 Temperance Alliance,
 Charlottetown.

Dear Sir:—
 In the Patriot newspaper of the 11th inst. my name appears as an incorporator of the Temperance Alliance.

When I was asked to sign that paper I was under the impression that it was merely a request to the signers to comply with the request of certain petitioners to be incorporated as The Prince Edward Island Temperance Alliance, and did not constitute my being a member of the Alliance. If you otherwise I hereby request that my name be stricken off the list of membership, and also from the list of incorporators.

I intend to vote for Government Control believing that Prohibition has been, and would continue to be,

Red Cross Acknowledges I. O. D. E. Contribution

Mrs. Manning Macnall,
 Secretary, I. O. D. E.,
 Charlottetown, P. E. I.

Dear Mrs. Macnall:—
 I beg to acknowledge with so much thanks the cheque for three hundred dollars (\$300.00), the daughters of the Empires' simple and beautiful gift to our Crippled Children Fund.

You know I quite understood that the one hundred dollars given last fall was to be raised on Rose Day and was disbursed when I read in the morning paper that you were giving us three hundred dollars, practically the entire proceeds of the Rose Day Sale, in addition to the other. I simply cannot begin to thank you for this wonderful

Maritime REID WINS RACE

FREDERICTON, N. B., June 14.—The five mile road race (finishing on the Athletic Field of the University of N. B., which was the chief feature of the field day, held Saturday under the auspices of the Fredericton Rotary Club, was won by P. B. Reid of Marysville, in 29 minutes, 25 seconds.

Reid was the outstanding mile runner of the University of New Brunswick's track team of 1927.

Baseball Trade
 NEW YORK, June 14.—Eddie Farrell, young infielder, and Kent Greenfield, and Hugh McQuillan, pitchers, have been traded by the New York Giants to the Boston Braves, for Larry Benton, pitcher, Zach Taylor, catcher, and Thomas, a rookie infielder.

Thomas probably will be farmed out and Andy Cohen, now with Buffalo, recalled for utility field purposes.

Runners Claim Some New Marks
 SAINT JOHN, N.B., June 13.—Donald Rivers, of Saint John High School, and Howard McCurdy, Sydney, N.S., of the Robbsey Col- legiate School, it is claimed here, both hung up new records of 10 seconds flat for the 100 yards dash and 23 seconds flat for the 220 yards in the interscholastic track meet at Robbsey on Saturday afternoon. These were the only records that were made at the meet.

Wins Long Race
 AVALON, Santa Catalina Island, June 13.—Frank Hagney, of Hollywood, 1913 winner of the Austral- ian sculling championships, won the Long Beach to Santa Catalina Island rowing marathon yesterday after five hours and forty-minutes of rowing.

Major Goodsell, present sculling champion of Australia, came in second.

Record Swim Is Not Recognized
 PARIS, June 13.—The claim of a new record for a swim across the English Channel set forth by the Czechoslovak swimmer Venceslas, as announced by the Czechoslovak Legation here, has given the Paris papers what they describe as a "mystery."

Some of the papers are openly suspicious and despatches reaching Paris from Calais and Boulogne say that no conveying tug, rowboat or fishing smack has left either city for a Channel swim thus far this year.

The Czech Legation in Paris refused to confirm the report being said that Spacek swam from Wissant, between Calais and Cap Gris Nez, to Dover on Thursday 13, in ten hours, 45 minutes were furnished by the swimmer personally upon his arrival in Paris.

Steeple Jills 150 Feet Climb
 (By British United Press)
 LONDON, June 14.—Miss Vera Tomlinson, aged 19, wearing a walking dress and high-heeled shoes, climbed a chimney 150 feet high in Clarence Road, Leeds, the other day and claimed the world's record for such a feat on the part of a woman.

She is a daughter of William Tomlinson, a Leeds steeplejack, and her climb was inspired by a newspaper report that another girl had set up a world's record by ascending a chimney 145 feet high.

Mr. Tomlinson and his workmen had been repairing the chimney and fixing a lightning conductor, and the girl made use of their ladders and gear.

To prove that she was not worried by the wind, at the top of the chimney she sat on the seven-inch coping and smoked a cigarette.

About a month ago a 15-year-old Canterbury girl, Dorothy Baker, climbed to the top of the chimney stack of the Canterbury electricity works, which is 145 feet high.

REID WINS RACE

loally supported with blessed results.

Story after story was told by Mrs. Sanford illustrating how light and truth had been brought with many dark and sad lives of those who have come into Canada from other lands. A chart was exhibited, bearing the heading "Wanted" Recruits for the King's Service—for work on the home base and then further afield. Another chart targeted "Aim for results" with the target 100 per cent. Missionary Church was deeply suggested and making a willing appeal.

Miss Mary Fitzpatrick of Radway Court, Alberta, was the second speaker, her subject "On Missions in Canada" "Where and Why"—All over Canada they extend from coast to coast—and they are undertaken because of the Master's command, "Go ye into all the world and preach the gospel beginning at Jerusalem." Our responsibility to our Home Mission work is truly a great one. That the work is worth while was illustrated by brief accounts of what is being done in the way of splendid service by some of those who have been brought to a knowledge of God through His Son Jesus Christ. The work is not being accomplished without difficulties and oppositions, and these things cannot be ignored and there is yet a long way to go before there will be established anywhere an ideal community. A brief account of the work done at Radway Centre closed Miss Fitzpatrick's interesting address.

The story of Home Mission work done in Eastern Canada was presented by Miss Elizabeth MacIver, who for years has been developing her life for the work of the United Mission in Sydney. The imperative need of the mission was related and Miss MacIver made grateful acknowledgement of the loyal support given by the Womens Missionary Society. Almost every European Nationality in Europe is represented in that neighborhood in Sydney and many distressing conditions made the situation a difficult one. Yet here as in other places the power of the gospel has prevailed in the power of sin and new desires for right living and clean lives rewarded the work done. Through the young people older persons have been reached and helped and these same young people are learning to be good citizens of this world and heirs of the Kingdom of Heaven. The Summer school has been the medium through which the very little ones were gathered in—and taught the precious truth. The Summer Camp is another activity, and the untiring efforts of Miss Newsome who is Miss MacIver's co-worker has done very much to bring the benefits of Fresh Air joy to children whose lives otherwise, would have been dreary, unsanitary and wretched. Not less important is the work done among the mothers and older women—for these too have need and should make a strong appeal to the sympathy and interest of our Christian womanhood. Reference was also made by Miss MacIver to the good work done by the Scotch town Mission and Miss Grant's faithful efforts to teach and uplift those in that district. An earnest appeal for constant prayer on the part of W.M.S. workers reminded us of the proof we can thus give of our desire and purpose to support this great work and its workers.

At the close of the address a motion picture was appointed with chairman as follows:
 Courtesy Committee—Mrs. J. J. Fraser.
 Credential Committee—Mrs. A. P. Hayes.
 Resolutions Committee—Mrs. O'Brien.
 Special Committee—Mrs. J. T. Burchell.

The Press Committee was also named and reported the proceedings of the Convention certain ladies being assigned to the several cities and districts of the Maritime Provinces as follows:
 Mrs. F. M. Tait, Mrs. H. G. Clark, Mrs. M. Grant, Mrs. McLean, Mrs. King, and Mrs. A. J. Mathieson.

Just before the close of the meeting Mrs. J. E. Lewis of Halifax, on behalf of the Temperance Alliance delivered a very spirited and impressive address of ten minutes, which was heartily applauded by the large congregation.

Practically the full choir of Trinity United Church was in attendance and led in the devotional singing. The Harmony Male Eight rendered a selection, and the choir gave the anthem "I Love thy Kingdom Lord."

The meeting closed with the doxology.

At 2:30 yesterday afternoon the Executive Committee of the Maritime Conference Branch of the Women's Missionary Society of the United Church of Canada held a session in Heartz Memorial Hall.

A large amount of routine business was transacted, and greetings were sent to Miss Enice, Peters and Miss Annetta Rose now home on furlough, and Dr. Florence Murray, who is soon to leave for Canada, from the foreign field.

Further reports of the meetings of the Conference Branch will appear each day until the conclusion of the sessions.

his daughter, although she lived in the same house, was persuaded by the Clerk to the Staple Hill (Somerset) magistrates the other day to speak and then shake hands with her.

The girl's mother had applied for a separation order, but on the magistrates' advice the couple agreed to try and live together for the next six weeks at any rate and if they could "bury the hatchet."

Miss Mary Fitzpatrick of Radway Court, Alberta, was the second speaker, her subject "On Missions in Canada" "Where and Why"—All over Canada they extend from coast to coast—and they are undertaken because of the Master's command, "Go ye into all the world and preach the gospel beginning at Jerusalem." Our responsibility to our Home Mission work is truly a great one. That the work is worth while was illustrated by brief accounts of what is being done in the way of splendid service by some of those who have been brought to a knowledge of God through His Son Jesus Christ. The work is not being accomplished without difficulties and oppositions, and these things cannot be ignored and there is yet a long way to go before there will be established anywhere an ideal community. A brief account of the work done at Radway Centre closed Miss Fitzpatrick's interesting address.

The story of Home Mission work done in Eastern Canada was presented by Miss Elizabeth MacIver, who for years has been developing her life for the work of the United Mission in Sydney. The imperative need of the mission was related and Miss MacIver made grateful acknowledgement of the loyal support given by the Womens Missionary Society. Almost every European Nationality in Europe is represented in that neighborhood in Sydney and many distressing conditions made the situation a difficult one. Yet here as in other places the power of the gospel has prevailed in the power of sin and new desires for right living and clean lives rewarded the work done. Through the young people older persons have been reached and helped and these same young people are learning to be good citizens of this world and heirs of the Kingdom of Heaven. The Summer school has been the medium through which the very little ones were gathered in—and taught the precious truth. The Summer Camp is another activity, and the untiring efforts of Miss Newsome who is Miss MacIver's co-worker has done very much to bring the benefits of Fresh Air joy to children whose lives otherwise, would have been dreary, unsanitary and wretched. Not less important is the work done among the mothers and older women—for these too have need and should make a strong appeal to the sympathy and interest of our Christian womanhood. Reference was also made by Miss MacIver to the good work done by the Scotch town Mission and Miss Grant's faithful efforts to teach and uplift those in that district. An earnest appeal for constant prayer on the part of W.M.S. workers reminded us of the proof we can thus give of our desire and purpose to support this great work and its workers.

At the close of the address a motion picture was appointed with chairman as follows:
 Courtesy Committee—Mrs. J. J. Fraser.
 Credential Committee—Mrs. A. P. Hayes.
 Resolutions Committee—Mrs. O'Brien.
 Special Committee—Mrs. J. T. Burchell.

The Press Committee was also named and reported the proceedings of the Convention certain ladies being assigned to the several cities and districts of the Maritime Provinces as follows:
 Mrs. F. M. Tait, Mrs. H. G. Clark, Mrs. M. Grant, Mrs. McLean, Mrs. King, and Mrs. A. J. Mathieson.

Just before the close of the meeting Mrs. J. E. Lewis of Halifax, on behalf of the Temperance Alliance delivered a very spirited and impressive address of ten minutes, which was heartily applauded by the large congregation.

Practically the full choir of Trinity United Church was in attendance and led in the devotional singing. The Harmony Male Eight rendered a selection, and the choir gave the anthem "I Love thy Kingdom Lord."

The meeting closed with the doxology.

At 2:30 yesterday afternoon the Executive Committee of the Maritime Conference Branch of the Women's Missionary Society of the United Church of Canada held a session in Heartz Memorial Hall.

A large amount of routine business was transacted, and greetings were sent to Miss Enice, Peters and Miss Annetta Rose now home on furlough, and Dr. Florence Murray, who is soon to leave for Canada, from the foreign field.

Further reports of the meetings of the Conference Branch will appear each day until the conclusion of the sessions.

his daughter, although she lived in the same house, was persuaded by the Clerk to the Staple Hill (Somerset) magistrates the other day to speak and then shake hands with her.

The girl's mother had applied for a separation order, but on the magistrates' advice the couple agreed to try and live together for the next six weeks at any rate and if they could "bury the hatchet."

REID WINS RACE

loally supported with blessed results.

Story after story was told by Mrs. Sanford illustrating how light and truth had been brought with many dark and sad lives of those who have come into Canada from other lands. A chart was exhibited, bearing the heading "Wanted" Recruits for the King's Service—for work on the home base and then further afield. Another chart targeted "Aim for results" with the target 100 per cent. Missionary Church was deeply suggested and making a willing appeal.
