EIGHT YEARS AILING

Then Joseph Boone's Kidney Disease was Cured by Dodd's Kidney Pills,

COTTLE'S COVE, Nfld., Jan. 16.—(Special) Ailing for eight years, seven of which he was unable to work. That is what Kidney Disease did to Joseph Boone, a fisherman of this place. He was treated by several doctors, and after seven months in the hospital was sent home incurable. Dodd's Kidney Pills cured him. He took twenty-one boxes of them, but now he is strong and well, and following his trade of fisherman.

It is cures like these that have made the reputation of Dodd's Kidney Pills. They always cure the Kidneys. Cured Kidneys strain all impurities out of the blood, and with those impurities go nine-tenths of the aches and pains and diseases the flesh is heir to.

SO MUCH WORSE.

"I always read the yellow journals before retiring."

"Why?"

"It makes my nightmares seem like pleasant summer dreams."

BLEEDING, PROTRUDING PILES

Mrs. JAMES BROWN, Hintonburgh, Carlton Co., Ont., writes:—"I suffered from nearly every form of piles for twenty years, both here and in the Old Country, and have tried nearly every remedy. I am only doing justice to Dr. Chase's Ointment when I say that I believe it to be the best remedy obtainable for bleeding and protruding piles, of which it has cured me."

Minute Screws.

"The fourth jewel screw of a watch is so small that to the naked eye it will not look like anything more than a bit of dust," says a watchmaker, "and is probably the smallest screw made. It must necessarily be perfect in every respect, and the character of the workmanship required on it is illustrated by looking at it under a powerful microscope, when it is seen that the threads average 200 to the inch. It is exactly four-thousandths of an inch in diameter, and over 50,000 could be packed into a lady's thimble with ease. Counting these screws is never attempted, of course, but 100 are weighed on a delicate steelyard, and the total number of an output is arrived at by comparing the gross weight with the weight of these. Such tiny screws can only be made in large numbers by machinery and the operation attending their manufacture is one of the most delicate things in watchmaking."—St. Louis Globe-Democrat.

A MARVELLOUS FRESH PRODUCT. This is the statement of those who have used "The D & L" Emulsion. It is said to be rich and sweet as cream and not unpleasant.

Arranged Alphabetically.

A well-known authority on circus matters vouches for the truthfulness of the following story: Business had been very bad with an English provincial circus, and finally the performers, with a tumbler named Zeno at their head, went to the management and insisted on receiving their back pay. They were put off repeatedly. A definite date was at last promised, but the time arrived and still there was no money. Zeno expostulated. Whereupon the management explained that it had commenced to pay salaries, commencing with the names beginning with A, and so on, but that the money had run out somewhat in the S's. The company walked home.

A year later Zeno appeared at the offices of the circus and asked for an engagement.

"Certainly," said the manager. "We will take you on at an increased salary. Now let me enter your name. Mr. Zeno, is it not?"

"One moment," said the performer. "This year my name is Ajax."

A NAGGING COUGH drives sleep and comfort away. You can conquer it with Allen's Lung Balm, which relieves, hard breathing, pain in the chest, and irritation of the throat. Give it freely to children.

HER VELVET COAT.

Coats of velvet or rather velveteen, are lightly favored for the small girl, since they are at once dressy and practical. The darker tints are the best liked for serviceable use, and in brown, genat and black are especially good. The Gretchen shape is often followed, with its shallow yoke over the shoulders, to which the coat is applied in shirs or pleats. The fastening is usually double-breasted, and the lining is either padded or an interlining is made use of. The cap is a smart feature, and is always trimmed in some style, the appliques of medallions being both simple and pretty. The sleeve follows the fashionable fulness, a lace ruffle at the wrist adding to the rich effect, and handsome buttons make for a smart effect. The belt around the hip may be omitted when desired.

CATARRH, PNEUMONIA, CONSUMPTION

Death's fateful trinity they are often called. Catarrh is the first stage, pneumonia often follows, and consumption finally exacts the full penalty. This can all be averted by using healing, balsamic Catarrhose, an antiseptic that penetrates the remotest air cells of the lungs. Catarrhose reaches the entire mucous surface of the throat and breathing apparatus; it carries health wherever it goes, brings instant relief and is absolutely certain to cure. Don't delay, get Catarrhose to-day. It means health, certain cure. Two months' treatment \$1.00, trial size 25c. Catarrhose is guaranteed.

A HOT ONE.

Poeticians There are lots of people who don't know I'm a poet. Funnies—If you don't get some of your poems accepted there are lots of people who won't even suspect it.

TIRED ALL THE TIME

Mrs. GEORGE BEATTIE, Carr's Brook, Colchester Co., N. S. writes:—"Last spring I was very much run down, felt tired all the time, and did not seem to have life or energy enough to do my work. Three boxes of Dr. Chase's Nerve Food did me a world of good, and made work a pleasure to me. I have not had occasion to use any medicine since, and have recommended Dr. Chase's Nerve Food to all my friends."

Fruit-a-tives

or Fruit Liver Tablets

Instead of Fruit.

Fruit is a splendid tonic for stomach and liver. The active principles give fruit its medicinal value. But they occur in such minute quantities, that when fruit is taken with other food, and goes through the process of digestion, their action is lost.

"Fruit-a-tives" are the active principles of apples, oranges, figs and prunes—extracted from fruit juices, combined by our own secret process, and compressed into tablets. They are the concentrated medicinal virtues of fruits and act much more effectively than any other known treatment in curing Indigestion, Dyspepsia, Constipation, Torpid Liver, Biliousness and Kidney troubles. At all druggists. 50c a box.
