ROTARY MEETING. Mr. Austin A. Scates, Freetown, was the guest speaker at the meeting of the Summerside Rotary Club on Thursday. His subject was "Nitrogen and its part in World War Two." He dealt with its place in agriculture and its use for war purposes. Nitrogen in fertilizer gives greenness to plants and strength to their growth. The regular source of nitrogen has been from sodium nitrate which is obtained from the gas found in the manufacture of coke. Now, however, the speaker said, the main supply is obtained from the air. This is called nitrogen fixation. The speaker also dealt with the use of nitrogen in making explosives. 1-19-45

Canon—MacLean Wedding. A quiet wedding took place yesterday afternoon, January 18, at 3 p.m. at the home of Mr. Roy E. MacLean, Central Street, Summerside, when his sister, Miss Georgie Lamont MacLean, became the bride of Sergeant Giles Ben Cannon of Egin, Ont. now stationed at No. 10 B. and G. School. Purchase of beef for Britain in January, 1945 alone represent the equivalent of 2,000 head. The farmer on the average-sized family farm in Canada is not receiving an income greater than he should, but rather less than he is entitled to in light of the incomes of other groups. If Britain, the United States and Canada could agree on a common medium of exchange with all trade restrictions removed, the countries would benefit. A wider such a system was extended to other countries, the greater the benefit.
