His many friends wish him well in his new abode.—B.

RECRUITING STRONG.—Thirty-two recruits for the Infantry Company now being organized here were examined by the Medical Inspector, Dr. S. R. Jenkins, yesterday. This speaks well for the growing spirit among the young men of the province, and there is now every prospect of the required number being secured within a very short time. Those who do not hurry up will lose their opportunity.

Mr. Lowther, who has a brother now a Sergeant in England, had finished two years in Prince of Wales College and has been attending Mt. Allison University for about two weeks when he offered his services and was accepted.—H.

Windsor Campbell, Montague, who was with the employ of Poola and Thompson Ltd., has enlisted for overseas service at the front, and is now with the No. 2, heavy Siege Battery at Charlottetown. Walker, Despatch Rider in France. The letter also contained two souvenirs made from the brick clay of a church shelled at Ypres in a recent engagement.

—BOUND TO FIGHT.—The young man from "Sumner" who a couple of weeks ago, presented himself for enlistment but was turned down on account of having a doubled up toe has since secured the services of a surgeon who removed part of the offending member. It is now stated that the wound is almost healed and the boy with the right mettle, intends, in the very near future to again offer his services for King and Country.—H.

***WELCOMED HOME.**—A grand reception at which about two hundred invited guests were present took place at Milltown Cross, Tuesday, Oct. 21st at the home of Alexander and Mrs. Reynolds, for their son, Marshall, and his bride, on their return from a trip to the Maritime Provinces. A sumptuous repast was partaken of by all, served in Mrs. Reynolds' most hospitable manner. The many valuable and useful presents—sent for the high esteem in which the young couple are held in the community. The Guardian wishes Mr. and Mrs. Reynolds a happy and prosperous journey through life.—B.

—WOMEN'S INSTITUTES.—The regular meeting of the Traveller's Rest Women's Institute was held on Oct. 21st at the home of Mrs. J. T. White, Sherbrooke. There were thirty members and six visitors present. The programme consisted of a "Question Box" which proved both instructive and entertaining. At the meeting arrangements were completed for sending a Christmas box to the Island Soldiers at the front. Next meeting will be held at the home of Mrs. Samuel Hall, Sherbrooke. Subject "Bread-making" by Mrs. James Dunn, St. Eleanor's, followed by a discussion of the subject by the members.

***BRIDGE IMPROVEMENTS.**—The approaches to the steel bridge, Montague, are nearing completion, the ones at the south end being done, and the north end nearly so, and it cannot be done too quickly, for the comfort and convenience of the travelling public, who when it rains have to wade and slide at times. It will be a great improvement to the village when completed, and it is hoped that the different sidewalk committees will take hold, and have the sidewalk extended on both sides, to the approach of the bridge, so that when the winter and spring slush comes, we will have a dry place to trod on.—B.

***SPLENDID SUCCESS.**—The Patriotic Concert given under the auspices of the Montague branch of the Women's Patriotic Association, in the Auditorium on Friday evening last, was a decided success. Lieutenant-Governor MacDonald presided in the usual pleasant and affable manner. The Rev. Dr. Fullerton gave a short address on "Patriotism," emphasizing the importance of the present phase of the European war, and Kitchener's urgent call for more men. Lieut. Dawson, of the Island Infantry, followed with a practical address to the young men. The programme consisted of vocal and musical selections, interspersed with tableaux and pantomimes, in which much ingenuity was shown in the stage effects. About \$100.00 was realized for "Red Cross Work," to assist in providing comforts for the soldier boys at the front.

WEDDING BELLS.—A pretty wedding was solemnized Monday morning at 6:30 o'clock in Notre Dame Academy, when Miss Kathleen Halloran and Mr. J. Peter McDonald, the well known and popular young druggist of the Two Moors were united in marriage. Rev. Maurice McDonald performed the ceremony, the choir of Notre Dame convent rendering appropriate music. The bride was prettily attired in a becoming costume of Belgian blue and wore a black hat with pink trimmings. She was given away by her father, Mr. Edward Halloran, while her sister, Miss Norene, was the bridesmaid and Mr. Frank Hennessey, did the honors of best man. There were many beautiful and valuable wedding presents, including a carving set from the groom's fellow members of the Rollo Hose Company, two chairs from his fellow members of the Model House, a silver tea set from Mr. Frank Hennessey, and many other gifts from relatives and friends. The happy couple left on a wedding trip to Boston and New York and upon their return they will make their home in the new house recently built by Mr. McDonald on Rochford Street. The Guardian joins with their hosts of friends in extending heartiest congratulations.

***GLENFANNING AND VICINITY.**—Mr. Ambrose Logan, Inspector of Egg Circles was here last week, visiting some of the patrons of the industry. Mr. James P. Rice has left for Kellys Cross where he goes to work on the new Roman Catholic Church which is in course of construction there. His father, Mr. Patrick Rice has the contract for the masonry work of the building. The Messrs. Rice are experts in their line. One of their most noted works being the rebuilding of the tower of St. Peter's Bay Roman Catholic Church, a work which seemed to defy the efforts of the most skilled workman to make permanent, but since its construction by Rice Bros. some years ago, it is one of the best built and handsomest church towers on Prince Edward Island; and greatly enhances the beauty of that magnificent church building.—Two Sisters from St. Vincent de Paul Roman Catholic Orphanage were here last week on a collecting tour.—Mr. Swan expert for the International Harvester Company was here last week.—Mr. George Sutherland of Cardigan Bridge who has been local representative for this company is leaving for Charlottetown where he has obtained a more lucrative position in the company's employment. His place at Cardigan Bridge will be filled by Mr. Nelson of Montague who has rented Mr. Sutherland's house and who it is understood to be one of the principals in an important event which is to take place in the near future.—B.

McLeod in the newly-fitted up Manse, and presented them with congratulatory addresses, accompanied by a beautiful Silver Service from Marie, an elegant case of silver, including knives, forks, spoons etc. from St. Peter's, and a purse of money from Greenwith and Cable Head. The presentation from Greenwith and Cable Head was made by Mrs. J. K. Simons and Mrs. C. Anderson and the presentation from St. Peter's by Mrs. Pope and others. HOSPITAL HIGH TEA.—The ladies who have had charge of the catering in the Market Hall on behalf of the Charlottetown Hospital were kept busy yesterday afternoon attending to the wants of the many visitors who were in town for Dollar Day. All the afternoon the big hall clanged, calling all and sundry to partake of the fare provided. The interior of the Market Hall was beautifully draped with red, white and blue bunting and patriotic flags, and the tables decorated with flowers. The special 25-cent lunch served at 2 o'clock left nothing to be desired in the way of quantity, quality or variety of eatables. It will be continued all day to-day, and it is to be hoped the efforts of all the ladies connected with this work will be rewarded by a large addition to the depleted funds of this deserving institution.

OF LOCAL INTEREST.—The Boston Advertiser says that the Supreme Court will soon be called upon to take action concerning the suit of Mrs. Lillian M. Glover (now Delemarre) against the Waltham Laundry Co. and Samuel D. Elmore, executor of the estate of her former husband, Clarence F. Glover, who was murdered near his place of business. The death of Winfield S. Slocum, who was appointed by the court to hear and report on the facts, has interrupted matters. Mrs. Glover-Delemarre wants the respondents enjoined from selling 198 shares of the stock of the laundry standing in the name of her former husband, she claiming that on Sept. 23, 1898, under her maiden name of Lillian M. LeBlanc, she purchased from Frank T. Simes, for \$5,000, a steam laundry in Waltham, and employed Glover to manage it for her.
