CITY AND COUNTRY

Guardian Correspondents Everywhere.

THE M. R. B. B. C. meets for practice this evening at 7 o'clock sharp.

THE Antigonish Casket says:—The Rev. Mr. Clarke and Mrs. Clarke, of Tryon, P. E. Island, are visiting their son Payson, Antigonish.

At the police court yesterday morning Andrew Smith charged with drunkenness appeared before Stipendiary McDonald and was fined \$2 or 10 days.

PRINCE Edward Preceptory, Knights Templars met in Summerside last night. Dr. R. McNeil, Messrs. W. K. Rogers and John Hobbs left the city by the 4.10 train to be in attendance.

THE telegraphic despatches yesterday say that lobsters are fair and herring and cod scarce at Georgetown. At Malpeque cod and lobsters are fair and at Bloomfield lobsters fair and herring scarce.

THE square on the western part of the Jail is being graded and will be enclosed with a fence. The improvement after a delay of many years will no doubt be very acceptable to the residents of that section of the city.

REV. G. P. Raymond is soliciting subscriptions toward the debt upon the Baptist Church of this city. Already the Rev. gentleman has met with unqualified success and some \$1200 has been received in cash and pledges.

THE Rossland Miner says. Mr. Robert Hurry yesterday received the sad intelligence of the death of his mother at Charlottetown, P. E. I., Sunday. Mrs. Hurry was 82 years of age and leaves living a family of nine of whom Mr. Robert Hurry and Mrs. G. Munroe of Ashcroft, B. C., reside in this province.

THE flagship Crescent, with Vice Admiral Bedford, wife, family and staff on board, will arrive here on the morning of the 31st, for the summer, leaving Bermuda on the 28th. She will be accompanied up by the torpedo boat destroyer Quail, and likely the cruisers Proserpine, Pallas and Psyche.—Halifax Recorder.

REPORTS received from the different sections of the Province show that the verdure of the country is rapidly advancing. In this particular this Province appears to be enjoying better things than the eastern States. An exchange says: "None of the circus performers now in the city can make a backward spring that will beat the one we have been having".

A FEW days ago THE GUARDIAN called attention to the beautiful bed of tulips in the Gardens on the north side of the Colonial Building. It was stated at that time that the plants were taken from Mr. Haszard's hot house. Since writing the local referred to Messrs. Haszard & Moore state that the bed of tulips referred to do not need a hot house, but are of a hardy nature quite surviving the chilly blasts of our winter climate. At least the bed referred to is a witness to the fact.

A GENTLEMAN living in Sydney in writing to a friend in Charlottetown is evidently not an admirer of the habits of many of the people in Sydney. He says the foreigners here have apparently brought the state of the religion of their own homes with them. It is a common occurrence to see parties equipped with fishing rods, guns, etc. on Sunday en route to some point of recreation. The writer greatly regrets that the sanctifying of the Sabbath should be disturbed but looks forward to a day when such will close.

THE SALVATION ARMY.—To-night! To-night! To-night! Staff Captain V. Jost of Charlottetown who starts for Spokane, Pacific Coast on Monday to take charge of the Rescue work in Spokane, Butte and Vancouver as Divisional Officer will lead a special meeting in the Army Barracks on Thursday when she will be able to explain and give some statistics and figures in connection with the same. We would recommend all to take this meeting in. Miss Jost will no doubt give some of her experiences at St. John and Halifax which will be very interesting. Come at 8. Ice Cream and cake on Friday night in Barracks.

HE READ "AN AD"

And Followed its Advice—The result was Better than He Expected, but in a Different Way, POINT AU PIC, Que., May 20—(Special),—Henry Gagnon, of this place, reads the advertisements. His back was sore. His urine of an unnatural color, and he was sick. So when he read an advertisement of Dodd's Kidney Pills, he wondered if they would relieve him. He had made up his mind that nothing would cure him, but he was hopeful that these Pills, about which he had read and heard so much, might perhaps relieve him a little. So he made up his mind to try. He did so, and was very much surprised at the result. This is how he put it:—"At first, I had little faith, but now I am happy to say, that I am completely cured. Dodd's Kidney Pills are a grand medicine, and I shall always recommend them for Kidney Disease."

BUT THEY SHOULDN'T UNLOAD ON US.

The losses from fire in the United States last year were \$153,000,000, or more than half as great as the British war loan and it represents a dead loss. It was a hard year for the insurance companies no doubt.—Portland Argus.

Stratford, 4th Aug, 1893 Messrs. C. C. Richards & Co.

Gentlemen,—My neighbor's boy age 4 years old, fell into a tub of boiling water, and got scalded fearfully. A few days later his legs swelled to three times their natural and broke out in running sores. His parents could get nothing to help him till I recommended MINARD'S LINIMENT, which after using two bottles, completely cured him and I know of several cases around here almost as remarkable, cured by the same Liniment, and I can truly say I never handled a medicine which has had as good a sale or given such universal satisfaction, M. HIBBERT, General Merchant.

Difficult Digestion

That is dyspepsia. It makes life miserable. Its sufferers eat not because they WANT to—but simply because they MUST.

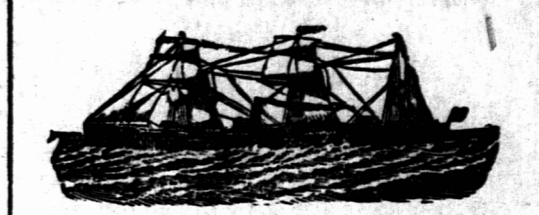

They complain of a bad taste in the mouth, a tenderness at the pit of the stomach, a feeling of puffy fullness; headache, heartburn and what not.

Hood's Sarsaparilla cured Joseph F. Laine, Flanagan, Ky. who writes: "I was troubled with dyspepsia for a number of years and took medicine that did me no good. I was advised by friends to try Hood's Sarsaparilla which I did and it put my bowels in perfect condition, gave me strength and energy and made me feel like a new person."
