Suffered From Boils Constipation And Sick Headache.

There is no more frequent source of illness than that arising from bad blood. When the blood becomes impure the whole system is impure; boils and pimples break out, the bowels become constipated, and the head aches more or less.

Do not neglect to purify the blood on the first appearance of a pimple or boil. Cleanse it thoroughly by the use of Burdock Blood Bitters and thus prevent untold suffering.

Mr. D. M. McBlaine, Niagara Falls Ont., writes: "It is with pleasure I testify to the sterling qualities of your Burdock Blood Bitters. After the Boer War, through which I served in the 1st L.I., I suffered from boils, constipation and sick headaches, and tried many preparations, but got relief from none. It was an old comrade of mine, got me to try it. Burdock Blood Bitters. To say I get relief is to put it mildly. It made me myself again, viz., a man who knows no what it is to be sick, and who has been and is still, an athlete."

To anyone in want of purified blood, and the resultant all round vigorous health, I can conscientiously recommend B.B.B. Get the 3 B's. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

FIGHTING TUBERCULOSIS IN DAIRY CATTLE OF PROVINCE.

FREDERICTON, March 5.—The committee on agriculture met this morning. W. B. Dickson presided. Hon. Dr. Landry on behalf of the special committee appointed to frame a bill to provide legislation for the stamping out and checking of cattle tuberculosis in the province, as well as to provide means by which the municipalities would be given the power to inspect milk brought in from outside counties, said that the committee had adopted a resolution which he presented to the meeting which was, in substance, that the matter of legislating, as far as the question of tuberculosis was concerned, should be left over until next session of the legislature, and that in the meantime the department should use every means in ascertaining what form of law should be placed on the statute books. Regarding the question of the inspection of milk, Dr. Landry presented an amendment of the Public Health Act, and gives each local Board of Health in any part of the province the power of inspection of any milk brought in from any outside district in the province. A committee consisting of Dr. Landry, Secretary Daggett and Mr. Dickson, Kings, were appointed to provide work to be considered by the committee on agriculture at future meetings. A resolution was also passed giving the Department of Agriculture power to employ a qualified veterinary surgeon to examine dairy herds suspected of being affected with tuberculosis.

BABY DISCLOSED HIDING PLACE OF WHISKEY.

COBALT, March 6.—The eight-month-old child of Jos. Peloni, 212 Lang Street, cost his parents a \$100 fine on Saturday. Provincial Constable Jerry Lefebvre was pretty sure that Peloni had whiskey on the premises, so when he searched the house he did not leave many places without scrutiny. Still he did not suspect that the firewater was in the cradle till he heard the frolicsome youngster crow and kick, and he heard the familiar clink under the blankets. Then he inserted his hand in spite of the woman's screams, and found three bottles snugly concealed under baby's legs.

TROUBLED WITH KIDNEYS COULD NOT SWEEP FLOOR.

It is hard for a woman to look after her household duties when she is suffering from a weak and aching back, for no woman can be strong and well when the kidneys are out of order.

The weak, lame and aching back comes from sick kidneys and should be attended to at once so as to avoid years of suffering from the kidney trouble which is sure to follow if the back is neglected.

On the first sign of a pain in the back, Doan's Kidney Pills should be taken. They go right to the seat of the trouble.

Mrs. Joseph Throop, Upper Point De Butte, N.B., writes: "I cannot speak too well of Doan's Kidney Pills. For two years I was so tired, life was a burden and I got up more tired than when I went to bed, and my back was so lame I could hardly straighten up. I took different kinds of medicine, but none of them did me any good until a friend advised me to try Doan's Kidney Pills. I did so and to-day I don't know what it is to be tired and my lame back is all gone. I can recommend them to any person suffering with lame back and that terrible tired feeling."

Price, 50 cents a box, 3 for \$1.25, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

When ordering direct specify "Doan's." "We can't tell the name of the maker, but you won't have any trouble in guessing once you see the glove, then you will understand why we jumped at the chance to get them to sell at 98c a pair. 3-10M2iEii
