

Good Morning, Cup!

by Mary Blake

And a good morning cup of coffee it will be if the cream pitcher holds Irradiated Carnation Milk! Coffee of tempting golden-brown colour—smooth, delightful flavour. You'll bless the day you first tried creaming coffee with Carnation.

What Carnation does for coffee, it does for all creaming—on cereals, in cream soups and sauces, in ice cream—and in fact in every dish in which it is used. That's because Carnation is double rich.

The heat treatment and homogenization which make Carnation Milk safe and smoothly creamy,

also make it much more digestible as an infant food. Carnation is just whole milk with part of the natural water taken out; sterilized so it keeps on the pantry shelf indefinitely; homogenized to give every drop equal creamy smoothness; irradiated for extra "sunshine" vitamin D.

There are glorified recipes of all kinds in the beautifully illustrated Carnation Cook Book—15¢ (postpaid), Carnation Company Limited, Toronto.

FISHERMEN'S NOTICE

The Dominion and Provincial Governments are co-operating to recompense fishermen who have sustained loss or damage to their fishing equipment during the recent severe storms. A representative of the Provincial Fishermen's Loan Board will visit the different fishing localities where loss was sustained for the purpose of taking claims.

BROOKFIELD JOTTINGS—Miss Florence Dollar has returned to Charlottetown to take up her duties in the Charlotte Residence, after spending the Christmas season with her parents, Mr. and Mrs. F. C. Dollar, Brookfield. Many of the people along the railroad are taking advantage of the late train on Saturdays, to do their shopping visiting etc. in the city. Among those who visited Charlottetown last Saturday were, Mrs. Chas. Newport, Milton, Mr. Ambrose Sentner, Colville, Mrs. Ella MacDonald, and Miss Isabelle MacDonald, Whiteville. They returned on the late train Saturday night. The indisposition of Mr. Nelson Bell is deeply regretted by his numerous friends. The Brookfield W. M. S. met last Wednesday at the home of Mrs. John MacLeod with a very good attendance. The many friends of Miss Margaret Diamond are delighted to see her around again after her very serious illness. Mr. F. C. Dollar and family have moved into their new home, their many friends and neighbours appreciate having them remain in the community. The people of Springdale gathered at the home of Mr. Peterson Loyist Road, and gave Mr. Peterson and his bride, formerly Miss Emery of Wood Islands a hearty welcome to the community, and celebrated the occasion by giving them a miscellaneous shower. Mr. Chas. Newport, Tormentine spent the week end with his family in Brookfield.

Get Up at Night?

If your sleep is disturbed by getting up several times at night, if you experience burning and soreness, if your back is lame and sore, you may get relief by taking Dr. Pierce's A-uric. Mrs. T. Higham, 532 Hill St., London, Ont., says: "Dr. Pierce's A-uric Tablets gave me quick relief from backache and kidney irritation. My kidneys caused me so much annoyance the secretions passed too frequently and often irritated and burned. My back would be so lame and sore at times I could hardly get up or down. After using 'A-uric' I was entirely relieved of all the discomfort." Ask your druggist for Dr. Pierce's A-uric today.

unusual. Have an assortment of flower holders for shallow bowls handy. Select carefully vases and bowls which will harmonize with the room you wish to decorate as well as the blossoms you use. A few blooms with buds and leaves, gracefully arranged, will give a more restful effect than an overcrowded vase of miscellaneous flowers. If your bouquet appears topheavy, cut the stems shorter or use a taller vase; if your bouquet looks as if it were going to sink into the bowl, insert a support, use a bowl more shallow or cut flowers with longer stems. Try to achieve proportion and balance between your container and bouquet. Generally speaking, you will like unglazed pottery, clear crystal, burnished metal.

A Real Solvent For Sore Corns

Scientific research has led to a new solvent that makes corns shrivel up and drop right off the foot. Other ingredients have been added to make the action painless. The public can get this remedy at any drug store under the name of Fatsman's Corn Extractor. Don't suffer any longer—let Fatsman's Corn Extractor dissolve away your corns and calluses. To get the result you want, insist on having only Fatsman's Corn Extractor.
