Hay Fever can be Cured by Japanese Catarrh Cure.

IT KILLS THE GERM WHICH IS THE CAUSE OF THIS MOST PREVALENT COMPLAINT.

Hay fever has been the cause of much scientific study and research by many of the most prominent physicians throughout the world. Many of them differ as to its real cause, but the majority agree that the cause is due to the little germs contained in pollen grains, principally hay pollen, but many other flowers and plants contribute largely to its cause. The Japanese Catarrh Cure has been found the only complete cure for hay fever. It contains an organic compound of iodine, which is a thoroughly harmless antiseptic, and destroys the hay fever germs completely. It soothes, heals and gives almost immediate relief. You will find it pleasant to use. We will be pleased to send you a trial quantity free. Enclose 5 cent stamp for postage, to The Griffiths & Macpherson Co., Limited, 121 Church St., Toronto. Sold by all druggists, 50 cents, or mailed direct.

Miss Minnie Moore will take a limited number of pupils in vocal music. Apply at Mrs. George Davies' Brick Row, or P. O. Box 259.

THE PRESBYTERIAN CHURCH IN ERECTION AT VANKLEEK HILL

The Wall of which fell during construction, killing Rev. J. McLeod and others. The funeral of the late Rev. J. McLeod, a native of P. E. Island, who was killed by the falling of the wall of the building took place yesterday afternoon at two o'clock. Before one o'clock the people began to assemble, and by two the street was filled with the crowd. There were about twenty-five clergymen present from different points, some of them representing the Glengarry presbytery. A special C. P. R. car carried the funeral party from here to Sect. town, Que., where the interment takes place.—Montreal Witness.
