

**THAT THROAT-TICKLING**

It's first, the throat;  
Then, the bronchial tubes;  
Next, the lungs;  
At last, Consumption.

There's nothing so bad for a cough as coughing!  
There's nothing so good for a cough as—

**Ayer's Cherry Pectoral**

The best time to take it is when the cold first comes on, when the trouble is in the throat.  
Throat tickling, throat colds, throat coughs are all easily controlled with Ayer's Cherry Pectoral.  
Doctors first prescribed this nearly 60 years ago. They use it more today than ever. They know its ingredients. They understand how it heals congested membranes and overcomes inflammation. Ask your own doctor about using this medicine for colds, coughs, and all lung troubles.

J. C. AYER CO., Lowell, Mass.

"I had a terrible cough last spring, and it took just one bottle of Ayer's Cherry Pectoral to completely cure me. I have used this medicine in my family for many, many years."  
Mrs. J. B. DANFORTH, St. Joseph, Mich.

Expert Optician, Desbrisay Block.

KENSINGTON and vicinity lost one of its most highly respected citizens in the death of Mrs. William Paynter. She had been in failing health for some time. Her many friends looked hopefully forward to her recovery until it was discovered that her disease was cancer of the stomach and that no skill could cure her. While the best medical skill was used, she gradually weakened until she peacefully fell asleep on Saturday morning last, Feb. 7th. Mrs. Paynter was highly esteemed by all who knew her. She was a most valued and consistent member of the Methodist Church for a period of over forty years. She shall be missed in the church which she loved, and whose interests she was always ready to serve. It can truly be said of her that she adorned the doctrine of the Master by her life. She shall be missed in the community, and in her home which she hallowed by her Christian life and influence. She leaves a husband and three sons and four daughters, besides a wide circle of relatives and friends. The funeral which was one of the largest seen here for years, was held on Monday, 9th. The service was conducted at the house by the pastor of the church, Rev. Mr. Dystant, assisted by Revs. Messrs. Winfield and Smith of Kensington, and Rev. Mr. Wightman of Bodeque, a former pastor. The community tender their heartfelt sympathy to the bereaved husband and family.

**THE RIGHT THING.**

A New Catarrh Cure, Which is Rapidly Coming to the Front.

For several years, Red Gum, Blood root and Hydrastin have been recognized as standard remedies for catarrhal troubles, but they have always been given separately and only very recently an ingenious chemist succeeded in combining them, together with other antiseptics into a pleasant, effective tablet.

Druggists sell this remedy under the name of Stuart's Catarrh Tablets and it has met with remarkable success in the cure of nasal catarrh, bronchial and throat catarrh and in catarrh of the stomach.

Mr. F. N. Benton, whose address is care of Clarke House, Troy, N. Y., says:—"When I run up against anything that is good I like to tell people of it. I have been troubled with catarrh more or less for some time. Last winter more than ever. Tried several so-called cures, but did not get any benefit from them. About six weeks ago I bought a 50 cent box of Stuart's Catarrh Tablets and I am glad to say that they have done wonders for me and I do not hesitate to let all my friends know that Stuart's Catarrh Tablets are the right thing."

Mr. Geo. J. Casanova, of Hotel Griffon West 9th street, New York City, writes:—"I have commenced using Stuart's Catarrh Tablets, and already they have given me better results than any catarrh cure I have ever tried."

A leading physician of Pittsburg advises the use of Stuart's Catarrh Tablets in preference to any other treatment for Catarrh of head, and throat or stomach. He claims they are far superior to inhalers, salves, lozenges or powder, and are much more convenient and pleasant to take and are so harmless that little children take them with benefit as they contain no opiate, cocaine or any poisonous drug.

OTTAWA, Feb. 10.—A big delegation of representatives of the pottery business is here today seeing the Finance Minister of Canada with a view of getting more protection for their industry. They complain of United States competition.

**DESPAIRED OF BEING CURED.**

Mrs. W. E. Jeffrey, 44 Hicks Ave., Kingston, Ont., states: I suffered agony with itching piles. In fact, I don't believe that any person who has not had piles can realize what I endured. The first application of Dr. Chase's Ointment brought relief and it has since entirely cured me. I hope that this testimonial will be the means of bringing comfort to other sufferers by making known the great power of this ointment.

**COLD IN THE YUKON.**

SEATTLE, Wash., Feb. 10.—The steamer Farrelton has arrived from Skagway with a number of Dawson men who came over the ice. She brought \$50,000 in gold. The weather on the Yukon is intensely cold from 50 to 60 degrees below zero.

DEAR SIRS,—I was for seven years sufferer from Bronchial trouble, and would be so hoarse at times that I could scarcely speak above a whisper. I got no relief from anything till I tried your MINARD'S HONEY BALSAM. Two bottles gave relief and six bottles made a complete cure. I could heartily recommend it to anyone suffering from throat or lung trouble.
