

LUCKY MR. BROWN.

"If it had not been for 'Fruit-a-tives,' Mr. Lemuel Brown, of Avondale, N.B., would still be living on stale bread and porridge, and suffering tortures with indigestion.

His stomach was so weak that he had to give up all kinds of meats, potatoes and other vegetables, and even deny himself the comforts of a cup of tea. Fortunately, Mr. Brown read about 'Fruit-a-tives,' bought a box and was so much improved by taking the tablets, that he used four boxes altogether.
