Mr. Joseph says the water must have been running four or five hours before the accident was discovered. He estimates his loss at about \$1000. WAS FORCED TO QUIT HIS WORK

GAINS FIFTEEN POUNDS ON TANLAC—NOW WORKS EVERY DAY

"My work was more than I could stand and I had to give it up, but since taking Tanlac I am working all day long without the least trouble," said J. De Crugenaere of 181 Dubuc St., Winnipeg, a few days ago. Mr. De Crugenaere served for three years with the Canadian Expeditionary forces in France where he contracted the Distinguished Conduct Medal. He is employed in the government shops at Transcona.

"It was nearly a year ago that my health failed," continued Mr. De Crugenaere, "and I kept going all day long without the least trouble, but I ate hardly enough to keep me going. My stomach was terribly upset and for hours after every meal I felt so bloated up with gas that I felt miserable. My heart palpitated so bad I could hardly stand it and at times I could so weak I could not lift my sledge hammer. I had a continual pain right between my shoulder blades and often it was so severe I had to stop in my work and draw my shoulders up hard to ease it. My sleep was restless and I would lie wide awake for hours at a time even though I was exhausted when I went to bed. I got up of mornings so weak and worn out I had to drag myself off to work. Finally I gave up completely and had to quit work."

"I had heard so many of the boys down at the shop talking about Tanlac that I decided to try it. Well, sir, it has fixed me up the finest kind and now I am back at my work and never miss a day. My appetite is fine and I can eat three big meals a day and never suffer one bit afterwards. I don't have that bloated feeling any more and my heart-action is normal and regular. The pain between my shoulder blades has left me and when I get to bed at night I sleep like a log. My strength and energy have come back and, as I said, I have picked up fifteen pounds in weight and just go about feeling fine all the time."

TANLAC is sold in Charlottetown by Reddin Bros., in Georgetown by Seymour C. Knight, in Souris by Jas. G. Ferguson, in Montague by H. J. Mabon, in Kensington by Kier & McFadden and in Emerald Junction by P. F. Hughes.

The semi-annual examination of Bellevue school was held on Dec. 24th. The large number of rate-payers and others present indicated the interest taken in the welfare of the school. The various classes were examined in different subjects by the teacher, Miss Mary Bruce and showed by their ready answers that they were well grounded in their studies.

The exams being over the pupils took charge and rendered an excellent programme consisting of dialogues, recitations and singing. After which they presented the teacher with a valuable gift and the following address:

Dear Miss Bruce,
We know not what you long for most,
Not the gifts you highly treasure
But we shall wish for you the greatest pleasure.
In tendering you this token of our esteem and affection we, your loving pupils of Bellevue school wish you the good wishes for a Merry Christmas and a joyous New Year. If our small gift will keep us in your memory it will have fulfilled its purpose in part and in full if it should be a talisman of good luck in the future.

He had been ailing for some months, but good recovery, but God willed otherwise and on Friday Jan. 16th, his pure spirit passed away. Everything possible was done by bringing him to the Charlottetown Hospital where he had the expert attention of Dr. Jenkins and the loving care of the Good Sisters. But death was not to be denied. On Jan. 19th, his funeral took place. Tender hands laid him by the side of his brother there to await a glorious resurrection. In life they were together in death they were scarcely divided.

His pastor Rev. Joseph McLean V.G. performed the last rites at church and grave. May His Soul rest in Peace.

A very sad death occurred at the home of her daughter Mrs. Younger Kingston P. E. I. on Nov. 10th, when Mrs. Mary Ann Beer, a most respected and one of the oldest residents of Barrington, P. E.
