Coroners Inquest In McDougall Case

A coroner's jury last night found that Francis McDougall, 10, came to his death Sunday, June 20, 1948 from a fractured skull caused by having his bicycle run into a car driven by Hubert Roberts, Charlottetown, on the Pleasant Grove Road, and that no blame was attached to the driver.

The inquest, held in the Council Chambers, was presided over by Dr. G. L. Smith. The jury comprised Byron Brown (foreman), Robert Dalziel, Samuel Kennedy, Jr., W. M. Hughes, Judson MacEachern, Ernest Lord, and Thomas White.

The witnesses were Dr. T. L. Farmer, Cst. A. W. Green, R.C.M. P., Cecil Roberts, Stella McDonald, Melvin McCormack, and Orville Roberts.

Dr. Farmer said he saw Francis McDougall at the City Hospital at 2 o'clock, Sunday afternoon, June 20. The boy was dead. There was a fracture at the base of the skull which had caused death.

Orville Roberts, 15, said he saw Francis McDougall going out Ernest Glow's yard on a bicycle to the main road. Saw him hit the car.

Cst. A.W. Green, said the marks on the car showed the bicycle had struck the car. There was poor vision at that point for a car by reason of so many trees. The brakes on the car were good. Witness had seen Roberts after the acident and he was sober but distressed which, witness said, was natural under the circumstances.

The remaining witnesses said the car was travelling between 30 and 35 miles an hour and that the boy had come out of the yard on to the road at a good rate of speed and had struck the car.

C.W.L. Sub-Division Organized In Seven Mile Bay

Organization of the Catholic Women's League of Canada is making steady progress in the Province, several new sub-divisions having been recently added to the list. On the afternoon of Sunday, June 20th, an interested and representative group of ladies assembled in the parish hall of St. Peter's, Seven Mile Bay, the purpose of the meeting being organization, under the banner of the C.W.L.

Rev. Dr. W. V. McDonald, parish priest, introduced and welcomed Mrs. Frank Murray, Provincial organizer (Prince and Queen's) who presided and conducted the business of the meeting. A cordial welcome was extended to the president of the Provincial Council, Mrs. Henry Trainor, who was also in attendance.

Following the formal opening of the meeting with prayer by Rev. Father McDonald, the regular procedure of organization followed with the appointment of Miss Florrie Green as secretary "pro tem." The objective of the meeting was expressed in a motion carried that a sub-division to be known as "St. Peter's Sub-division", Seven Mile Bay, be organized. Those present became charter members of the newly-formed sub-division, through their acceptance of the League "Promise" read by the chairman.

Preceding the election of officers, the chairman addressed the meeting on "The Catholic Women's League," explaining its origin, its policy and objectives, along national and provincial lines. In accordance with the universality of the church, it is world-wide, (with international affiliation), and its ranks are open for membership to women of all races, and of every social status and intellectual level. The need for unity, for greater numerical strength was emphasized, if the League is to take effective action to offset the pagan influences of the present-day world. The speaker briefly summarized the many phases of endeavor covered by the League program, special reference being made to its contribution to the higher education of our young girls, through national and provincial scholarships. On the success of the parish sub-division, which is the foundation of the organization, depends, in a great measure, its success in the diocese, the province and the nation. The keynote of success, said the speaker, would be found in loyalty to the principles embodied in the motto "For God and Canada", with co-operation in all work for the betterment of the parish and community.

The election of officers was then carried out and the officers are: Director, Rev. W. V. McDonald; president, Miss Florrie Green; first vice-president, Miss Mary McCarville; second vice-president, Mrs. Arthur C. Green; third vice-president, Mrs. James Murray; secretary, Miss Aletha Noonan; treasurer, Mrs. Allan Niles; councillors, Mrs. Joseph Murphy, Mrs. Joseph Arsenault, Mrs. Wilfred Connolly, Mrs. Daniel Keough, Mrs. Daniel McCardle, Mrs. Harry Green, Mrs. Walter Hammill, Mrs. Wilfred McCormack, Mrs. Brendan Sherry.

Councillors elected represent the many districts of the parish, namely, Augustine Cove, Fernwood, Seven Mile Bay, Bedeque, Tryon, Chelton, Searletown and Albany.

Installation of officers was conducted by the organizer, Mrs. Murray, who extended congratulations to each, to which the president and officers responded in a fitting manner. The Reverend Director expressed his sincere appreciation of having the C.W.L. organized in the pariah, as he realized so well the need and value of united effort. He congratulated the officers and members, who in carrying out their duties as such, would be a valuable asset in catechetical instruction and other lines of parish endeavor. He expressed his appreciation of the presence at the meeting of the president and organizer of the Provincial Council.

Mrs. Trainor graciously extended congratulations and good wishes to the Reverend Director and officers of the newly-formed sub-division, and expressed her pleasure in being present at a meeting to further extend the good work of the League. She pleasantly anticipated the attendance of the Director and members of the new sub-division, with the president as voting delegate, at the annual convention which is to be held in Kinkora.

The president, Miss Florrie Green, graciously extended a vote of thanks to the visiting ladies, which was moved by Mrs. George Sherry and seconded by Mrs. Daniel Keough.

All present had the privilege of attending Benediction in the Parish Church, with Rev. Father McDonald as celebrant.

Strong Market For Poultry In The U. S.

The market in the United States for live and dressed poultry is firm and the demand strong and will likely remain this way for some time, Mr. F. M. Nash, senior poultry products inspector said yesterday in a Dominion Department of Agriculture egg and poultry market report. Truck loads of fowl continue to move from Prince Edward Island to market and truck-lot dealers are paying producers twenty-three cents per lb. for fowl five pounds and over, delivered to assembling or truck loading points. Those desiring to market poultry in this manner should watch the local press for information.

Egg Receipts Down

Egg receipts as reported by operators of registered egg grading stations are down from last week. The quality is remarkably good for the season of year but there should be no let up on the feeding of the flock and the care of the product, if the production of Grade A eggs is to remain at present levels.

In accordance with the recent announcement by the Special Products Board that egg prices would advance five cents per dozen on Grade A eggs as of July 1st, local dealers have now advanced their prices effective June 25th by this amount and are now quoting for ungraded eggs delivered: A Large 42½, A Medium 40½, and quoting operators of grading stations for the graded pack f.o.b. station: A Large 47½, A Medium 45½.

It should be borne in mind that only eggs purchased from producers after June 24th or eggs which the producer received the increased price will be paid for at this new rate. Dealers will be required to sign an affidavit before receiving the increased price that the eggs were purchased after the above date.

Local poultry market not very active and dealers are quoting producers for dressed poultry basis rail grading chicken: AMF 32, B 25, C 15. Fowl: A 28, B 26, C 10.
