**Activities of C.W.L. Discussed**

The annual meeting of the Catholic Women's League was held on Sunday, June 1st, with the President, Mrs. J. Austin Murphy in the chair. The Chaplain, Reverend Eugene Murray opened the meeting with prayer. The minutes of last regular and last annual meeting were then read.

The President gave a splendid address, giving a resume of her year's work, and asked the members to give the same support to her successor in office.

In the Secretary's report read by Mrs. James Lawless was a detailed account of the many interests sponsored by this subdivision in religious, social and other fields of endeavor, all of which were rewarded with an unusual measure of success.

Mrs. Alfred Curley, Secretary-Treasurer, then read the financial statement for the past year, which was very credible.

After the adoption of these reports, Mr. Murray spoke a few words of commendation and encouragement to the members, congratulating them on their splendid record and urging the continued co-operation of all in this great organization, "For God and Canada."

The election of officers for next year then took place, as follows:  
 President, Mrs. Alfred Curley.  
 1st. Vice-president, Mrs. James B. Croken, (re-elected).  
 2nd. Vice-president, Mrs. Emmet Clow.  
 3rd. Vice-president, Miss Mary O'Connor, (re-elected).  
 Secretary, Mrs. James Lawless (re-elected).  
 Treasurer, Mrs. C. W. Croken.  
 Corresponding Secretary, Mrs. M. Tierney (re-elected).

The various Conveners of Standing Committees were then named: Mrs. James Croken, Membership; Miss Mary O'Connor, Ways and Means. Also serving on this committee are: Mrs. John I. Sullivan, Mrs. James Lawless, Mrs. James Croken, Mrs. C. W. Croken, Mrs. James Allen, Mrs. C. W. Croken, Mrs. Barnaby Croken, Mrs. Mar-

**Activities of C.W.L. Discussed**

shall Hughes, Miss Martina White and Miss Beatrice McCourt.

Mrs. John Sullivan, Education; Mrs. Harry Hughes, Social Welfare; Mrs. John McCarville and Miss Lily Murphy were elected Councilors.

It was decided to buy prizes for civic and Mrs. Sullivan was appointed to attend to same.

A hearty vote of thanks was tendered the retiring President, to which Mrs. Murphy graciously responded.

On motion, the meeting adjourned.

Following is the Secretary's Address read by Mrs. James Lawless: Reverend Chaplain, Madam President, Officers and members of St. James subdivision of the Catholic Women's League—

As your Recording Secretary, I wish to submit an account of our activities since our last annual meeting. During the year we held 5 regular and 5 executive meetings. No meetings were held during the winter months due to the hardships entailed in meeting at this season of the year.

The major activity of the year was in connection with the Red Cross, and a large amount of work was accomplished in this field of endeavor. A detailed account of the following articles, sewing and quilts which have been forwarded to the Red Cross Office will be given by the convenor of social welfare.

At the present time, two groups of Study Clubs are functioning, one in Emerald and one in Freetown. These meetings have proven to be both interesting and instructive.

The topics for discussion are the various articles in the Sacred Heart Messenger. Following the annual hour. The benefits resulting from these study clubs, both spiritually and intellectually should warrant the formation of at least one club in each district of the Parish.

Most of our revenue was derived in the following manner: by sponsoring a series of entertainment in our Parish Hall during the summer months. Variety concerts, Lotteries, etc. Besides paying our National dues, we have also purchased a piano, also a rug for the living room of the Parochial House.

We also made our donation to the C. W. L. Canadian War Fund and the Senior and Junior Catechism Examinations. A prize was also offered to each school in the parish in the pupils achieving the highest mark in civics, as an incentive to encourage more interest in this subject. As it is the objective of our Society to purchase a memorial Window in memory of our late Donald, we have donated \$140 to the Parish Fund with the object of paying the balance on the window in due time. A detailed account of our financial standing will be given by our Treasurer.

All monthly meetings and League activities were faithfully reported by our Corresponding Secretary who also attended sympathetically to those of our members who have suffered bereavement, we extend our deepest sympathy.

Besides our President, Mrs. Austin Murphy, several members attended the annual Diocesan Convention, which was held at Tignish last September. We also had the honor of having our President attend the luncheon given at the presentation in Ottawa of the Catholic Women's League donation of \$25,000. to the Dominion Government for the Canadian War Fund. We consider this a signal honor, as she was the sole representative of the Maritime present.

In November, with deep regret we were called upon to bid farewell to our former Pastor, Rev. Phalen McKenna, who was instrumental in organizing our society, and who became its first Chaplain. As a token of remembrance from the members of the League, on his departure he was presented with an address of appreciation, accompanied by a chest of silver.

To our new Chaplain, Rev. Fr. Murray, we extend a sincere welcome, and we take this opportunity of expressing our appreciation of the interest he is taking in our society.

Our undertakings during the past year have been very successful and with the continued co-operation and support of all our members, we shall strive to accomplish more to uphold our motto "For God and Canada."

In conclusion, I wish to extend the thanks of the sub-division to our President and staff for the splendid efforts in striving for the advancement of the League.

Respectfully Submitted,  
 HAZEL LAWLESS

**GAYS PLANTS**

Gay's Plants have been distributed throughout the Maritimes for the past fifty years. We plant the best and most expensive seeds procurable. The following is our list of plants and prices:—

**PETUNIAS** (height 1 foot) Rosy Morn, Brilliant, Rose, Carmine Glory, Pink Glory, Scarlet Glory, White Admiral, (Dwarf) Blue, Rose Gem, Dwarf Giant Mixed colors, Balcony White, Balcony Mixed.

**PETUNIA** (height 15 inches) Snow Queen, Flamingo, Grand Chantrelle Mixture, Blue Wonder.

**SNAPDRAGON** (half dwarf height 1 ft) in the following colors—Yellow, Bronzy Gold, Red Boy, Carmine Rose, Antique Gold, Orange Gladiolus, mixed colors, also California Giant mixed colors, height 15 to 18 inches. Other annual bedding plants include—Aster, Phlox, Stocks, Verbena, Scarlet Savilla, Zinnia, Giant Dahlias, Sweet Alyssum, Dwarf Lobelia, Trailing Lobelia, Marigold, Nootonia, Godetia, Cosmos, Kochia, or Burning Bush, Salpiglossis, Lupinus, Callendula, Annual Larkspur, Calliope, all the above plants at 20c doz. by mail post paid.

**DOUBLE PETUNIAS** a limited quantity at 50c doz.

**FERRENIANS**—Giant Exhibition Pansy and English Daisy in bloom 10 each, \$1.00 per doz. Delphinium, and Double Holyhook 20c each, \$2.00 per doz. Fox Glove, Canterbury Bell and Sweet William, 15c each.—Seeding Giant Exhibition Pansy 40c doz.—Canterbury Bell and Columbine 2 years old 20c each. Chinese Forgetmenot 40c per doz.

**VEGETABLE PLANTS**—Extra Early Cabbage, Cauliflower and Celery 20c doz, \$1.25 per hundred.—Extra Early Tomatoes No. 1 40c doz.—Late tomatoes 30c doz. Iceberg Lettuce and cucumber 25c doz.

Late Cabbage for fall and winter use not ready before June 15th, at 30c per hundred. By mail 40c per 100.

Cart & Co Seed Store have our plants for sale, and are delivered to them fresh daily. We are always pleased to have customers call at our gardens and select plants. We allow a discount on large orders. All orders by mail or express must be accompanied by postal note or express money order. PLEASE WRITE PLAINLY. Orders not accepted for less than 50c. We do not send mail orders.

 Phone 264  
 Charlottetown, P.E.I. L-83.

**Red Cross Activities**

Following is Mrs. Foster's report of recent meetings attended in Toronto.

This report deals chiefly with the work undertaken by the women of the provinces in the making and packing of garments, surgical dressings and knitted comforts not only for our troops but for the unfortunate civilians in bombed areas where goods are needed badly and at once. According to reports from Mr. Scott, our Acting Commissioner in London, there are plenty of surgical dressings so that we do not need to make any more of these except to supply local needs.

Many complimentary letters have been received at National Office on the quality of goods and the condition on its arrival.

The Overseas Committee has stressed that in order to simplify the task of unpacking we put one kind of article, and one kind only, in each bundle. These bundles are sewn, also one size only, for instance we must make up a case of say size 14, 16 or 18, not 14, 16 and 18. It may be a bit more complicated for us but it is much easier for them. In the event of our not being able to fill a case in this way we are asked to send to the Toronto Warehouse such garments as can not be used in the above mentioned way. There they are assembled with like garments from the other provinces and shipped overseas—one kind, one size in a case. The exception to this is the Women's Territorial garments which may be shipped all in their original packing contents are plainly listed on outside.

A new valuation sheet has been issued and whether we think it right or not, each province must conform to it. These figures have been arrived at by the Government and Inspectors who have studied the invoices, patterns, etc., and are based on the cost of materials purchased by National Office. If goods are valued above this figure, we are not satisfied with their valuation, then we must supply National Office with our invoices.

A certain knitting book came in for a fair share of criticism and it was decided that Executive use of instructions contained therein, particularly the two-way mitt (which is not at all like Red Cross instructions) and defects the very purpose for which it was intended. There have been 547,000 knitting books given out free since war broke out and there is no necessity for anyone to be without proper instructions.

The "quilt-matches" chain letter about which we have had inquiries was discussed and condemned because chain letters are illegal.

The question of Badges and Buttons for Red Cross workers in accordance with the Executive order meet with the approval of the members but a small Red Cross button costing about a cent was favoured. I hope we shall be able to have these for our workers very soon. The Executive is favourable to the idea.

Dr. Rouley in his report said casualties among civilians greatly exceeded those of soldiers and the needs of these people have been much greater than those of the troops. It is this need that we must look after now. Quilts and blankets are needed in great quantities—and our Island women to make such marvelous quilts—as is also clothing of all kinds.

There was a fine display in the assembly room of civilian clothing as well as a sample of each knitted garment put there especially for the men to get an idea of all the "service" items that are being made by the women. Our ladies can readily visualize the display as you are all familiar with the work. Not only are the women of Canada doing this work but also the women of the United States through the American Red Cross. Samples of Canadian made articles were sent on request to Washington from National Headquarters. There they were received with approval and appreciation and these garments are now being made in the United States from the same patterns as our.

Mrs. Campbell in her report said that all articles brought with approval and that not only are we clothing the people who have lost everything but we are lifting their

**BILL, CAN'T YOU GUESS WHY MY SISTER THREW YOU OVER?**

**You have to perspire — you don't have to offend!**

**Use Lifebuoy**

—the one soap especially made to prevent "B.O." (BODY ODOR)

Perspiration plays no favorites  
 Winter or summer—whether you are active or just sitting still—you must perspire from 1 to 3 pints daily. Otherwise you would die of hyper-perspiration (heat stroke)! Most of the time you cannot see or feel this perspiration, because its water evaporates. But deposits remain on the skin, decompose, and cause offensive "B.O." Only when you use Lifebuoy regularly can you be sure you never offend.

Girls are seldom frank about "B.O."—but when the girl of his heart acts cool a man should make sure he's not offending that way. Every living one of us perspires. When perspiration stays on your body, it becomes stale, offensive. Play safe! Use LIFEBOUY—THE ONE SOAP ESPECIALLY MADE TO PREVENT B.O. LIFEBOUY'S SPECIAL DEODORIZING INGREDIENTS gives you lasting, ALL-OVER protection. Start using LIFEBOUY today! You'll step out of your bath feeling like a million. Use LIFEBOUY for face and hands too—its rich, invigorating lather has a zip and tingle that leaves you gloriously refreshed!

**Now costs LESS!**

A Lever product

morale by the quality of our work. And here I would like to say to the workers in this province—please put your very best efforts into those civilian garments. Nothing is so good for such courageous people but make them attractive and put your very best work on them. A grand total of 7,104,344 garments were made by the women of Canada in a year, \$38,000 worth of shoes, overcoats and other things which women do not make have been shipped to supplement civilian outfits.

"The Red Cross Despatch"—Each publication of this paper carries valuable information and answers many questions with which we are often confronted. It is province received 3,800 copies of this magazine in 1940 and I hope all groups read it carefully as soon as it is received by them.

The Prisoners of War Report is always an interesting one but can be explained more fully by our President except that I'd like to say that five groups of ladies take one day a week to pack these boxes. 146,000 parcels have been shipped since January 6th, and about 6,000 stored. Mr. Urquhart said they were finding some of the articles increasing in difficulty to procure and owing to the cost of tea it might be necessary to substitute cocoa for a time. The cost of each of these parcels delivered to Geneva is \$2.32. A letter was read from a prisoner of war at Stalag, a copy of which was sent to the Quebec Division by his father as follows:—"We have just received an issue of Red Cross parcels—my third since I've been a prisoner. Some things were extremely fortunate and got the Canadian type. What a lovely parcel!—a pound tin of butter (real butter) made by Eaton's, Bookish honey and a host of other good things. Now, I want you to see about getting me a parcel like that with one addition, a couple of tins of peanut butter—I dream of the stuff. So you see the parcels are being received and are greatly appreciated.

Mrs. Plumtree, Commandant of the Canadian Red Cross Corps, reporting on that branch of service and convenient form of service in time of war. These are trained and disciplined women who are available for any Red Cross service. There are four Branches—Transport, Office Administration, Nurses and Nutrition, all four of which would be of tremendous value in the event of disaster. I understand the women of Charlottetown have recently organized this with Mrs. H.L. Palmer as Provincial Commandant.

The report of the Junior Red Cross was very interesting. At the end of the school year 1939-40 there were 26,783 Branches and Newfoundland. Of this number 15,981 are Prince Edward Islanders. The Juniors of Canada contributed \$140,000 in cash and probably an equal amount in garments.

This year the Toronto Exhibition Management has again loaned the Red Cross the Graphic Arts Building and the T. Eaton Company has once more agreed to co-operate in arranging our exhibit. The Exhibition Committee ask that all Divisions obtain pictures of all phases of the work in their own provinces and forward them to Toronto before the end of May. The Committee will then make the selection of the pictures to be entered and used Mr. Crosswell was good enough to take these pictures for us. They have been forwarded to Toronto.

Col. Cooper reporting on "Jam Making" said that \$11,625.00 worth of jam had been sent overseas and \$300. worth had been given to Military Hospitals at a cost to the Red Cross of \$3,000. The Women's Institutes provided the fruit, sugar and labour. This, I believe, was only tried out in British Columbia and Ontario where fruit is plentiful. I had the privilege of visiting

I would like the Executive to consider extending an invitation to Mrs. Campbell, National Chairman of the Women's War Work Committee to visit Prince Edward Island this summer. I understand Mrs. Campbell would accept such an invitation and she would be such an inspiration to all the workers of the province who might be privileged to hear her. We benefited greatly by her last visit and it would be even better to have her come in the summer when it would be possible for women from all parts of the province to attend a meeting.

Respectfully submitted,  
 MRS. E. A. FOSTER,  
 Chairman, Women's War Work Committee,  
 Prince Edward Island.
