Industries that Are Passing Away

Just as spinning and knitting has been displaced many years ago by machine made goods, so modern methods are doing away with home baking and other old fashioned industries. Many good women tell us that our large ice cream loaf is better than any they ever ate.

THE QUEEN'S COUNTY GUARDIAN

Head Offices in New Prowse Block—Charlottetown.

The latest news, first of all.

Jack Fraser, city, spent Sunday last in Hazelbrook.

Miss Hettie Beaton, Alexandra, has gone to Abney to take charge of the school in that district.

Rev. W. Harrison of this city has contributed an article to the Wesleyan, entitled "The Congress and the King."

Miss Melissa Barrett and Everett Holmes, Hazelbrook, attended the Orange Tea in Summerside last Tuesday.

The following amount is acknowledged by the Wesleyan under the heading of Mission Room Receipts:—Margate $16.

The Mayor of this city will take charge of the receipts for the Campbellton Fire Fund at the People's Theatre Tuesday night and any amounts will be received.

The Guardian today gives its readers a two page illustrated write up on the many and varied routes which may be taken by the traveller while on a holiday or business trip in the commodious steamers of Eastern Steamship Company.

A correspondent writes: What might have proved a very serious accident occurred Thursday night, when two teams, returning home from the Kingston picnic, ran into each other, badly breaking one of the carriages, which was a newone.

Johnson and Johnson have a most attractive window display, showing beautifully colored illustrations of the different crushed fruits and syrups which they serve at their popular soda fountain. Today they are serving Sundaes delicious crushed fruits with ice cream.

In the sixteen pages which comprise today's Guardian will be found many and varied articles of general interest and instruction to young and old. There is the specially selected Saturday sermon, the weekly Shakespearian sermon, Sunday School Lesson, short story and various other articles including several laughable short items.

Rev. H. L. Haslam, M. A., Rector of Liverpool, N. S., was a passenger by the Northumberland yesterday morning en route to his home, after having spent a pleasant holiday with his relatives and friends in Springfield. He was accompanied by his sisters, Mrs Dougald Frut, of Spokane who is spending the summer in her eastern home and Miss Carrie Haslam of Upper Prince Street School, who goes to attend the Summer School of Science.

The Auxiliary of the W. M. S. of the Methodist Church of Cornwall held their annual public meeting on the evening of June 30th. This year is also the silver anniversary of the society, it being first organized on June 22nd, 1885. The meeting was most enjoyable. Addresses were given by the Rev. Dr. Heartz and the Rev. W. Harrison. Those who heard the reverend gentlemen on that occasion will not soon forget the eloquent and earnest addresses delivered by them and both will always be warmly welcomed in Cornwall. A silver collection amounting to $17 was taken.

The lecture by Prof. Zavitz of O. A. College in St. Bonaventure's Hall, Tracadie, on Thursday evening last, was fairly well attended. His lecture on "Crop Rotation" was most interesting and listened to with marked attention. Several questions were asked by members present, which the lecturer answered in minutest detail. The monthly meeting of the Farmers' Institute was held on the 13th inst. A copy of prize lists for Institute Exhibition to be held on November 3rd, 1910, was placed on the table. The committee reported favorably re Government grant for Exhibition purposes. The secretary reported having purchased two hundred pounds of Paris Green at greatly reduced rates for the benefit of the members. Quotations on binder twine were reported and accepted. The secretary was authorized to purchase in time to accommodate the members. The resolution, passed by "Onward Institute" re Institutes holding central conventions at which delegates from the different Institutes be present, was favorably commented on and met with the approval of the meeting. The object of the P. E. I. Central Seed Fair to be held in Charlottetown in the spring of 1911 was explained to the members. The secretary was asked to secure quotations on coal as soon as convenient, so that an order be ready for the next monthly meeting.

::Duplex Foldables. Now is the time when these goods are most needed. We carry quite a number of the different articles, including fishing creels, pails, baskets, tubs, etc. Orders taken for anything not in stock receive prompt attention. E. A. Foster, Central Drug store, Successor to

Miss Minnie McDonald, Glasgow Road, is visiting in Kingston.

There will be service in the Christian Church, Bradalbane, on the 17th inst. at 7 o'clock p. m.

The July 13th Wesleyan contains a lengthy notice of the death of the late John S. McGuarrie, of Victoria, P. E. I.

Miss Bruce, Toronto, is at present visiting friends in this city, the guest of John and Mrs McLeod, 202 Prince St.

Mrs A. R. Wise and her daughter Estelle, are visiting friends in New Glasgow, the guest of her aunt Mrs James Dickieson.

Miss Florrie W. Houston of Boston and her sister Miss Lottie E. Houston of Rusticoville, spent yesterday in Charlottetown.

The fourth and final match in the Canadian Rifle League will be shot at Kensington Range this afternoon, commencing at 2.30. Ranges two hundred, five hundred and six hundred yards.

Rev H. P. Cowperthewaite of St. John's, Nfld, well known here, has been appointed pastor of Gower Street Church in that city at the last Methodist Conference meeting. At this Conference Dr Carmen, Rev. Thos Marshall and Rev J. W. Aiken were present.

There is to be a splendid program put on at the People's Theatre on Tuesday evening and those attending can hand in whatever amount they desire as an admission fee, which will be taken charge of in the box office that evening by Mayor Rogers for the Campbellton fire sufferers.

Rev. Dr. Heartz occupied the pulpit in the Methodist Church at Cornwall on Sunday last and delighted his large audience with a most eloquent and impressive sermon. Mr. Heartz spoke in a touching manner of his trial sermon delivered in the "old church" forty-eight years ago. That he may be spared many years for the good work is the earnest hope of all.

The Fredericton, N. B., Daily Mail says: "On Monday evening, just before his departure from this city for Sydney, N. S., a party of Fredericton gentlemen waited on the Rev. J. W. McConnell and presented him with a handsome leather travelling companion, a hat box and an umbrella. The presentation was accompanied with a very appreciative address.

The Carleton, N.B., Sentinel speaks highly of the four years' pastorate of Rev. Thomas Pierce, formerly of this Province. It says: "During that time a splendid parsonage with all modern improvements was erected at a cost of $3,200. By the continued effort of Mr. Pierce and his talented family this amount has all been paid except $650. Mr. Pierce is popular as a preacher and a man and his removal is a distinct loss to the community. He is followed at Florenceville by the Rev. E. C. Turner."

The strawberry and ice cream festival held at the Cornwall Hall this week was not so successful as it would have been had the evening been fine. A heavy shower early in the evening and the very threatening appearance of the weather no doubt prevented many from going, but notwithstanding a goodly number gathered. The ladies of Cornwall fully sustained their high reputation for ice cream and cake and generously supplied the visitors. One gentleman was heard to remark that they did not charge enough. About $20.00 was realized.

"RUNNING on HOWARD time" is the highest praise the "old man" can give.

Railroad officials, engineers and conductors are taking a hearty interest in the new HOWARD Railroad Watch—a *lever-set* timepiece with all the Howard accuracy and dependability.

HOWARD Railroad dial has minute numerals from 1 to 60 running around the dial. A single glance tells the number of minutes past the hour.

Price *fixed* by printed ticket attached at the factory—$50 to $140.

Let us show you this distinctive watch.

Advertising Sense and Science

An inch of good advertising is worth more than a foot of bad. After all its not the amount of space and superlatives you use that counts.

If you are a man who desires to build a lasting, successful business, watch your advertising. Any fool can show some returns by tearing down the future reputation of a business, but it's the advertising that creates confidence and will make permanent customers that counts.

Keep an eye on your advertising—it's the greatest factor in the success or failure of your business.

Let us talk advertising.
