THE CRY OF THE WEST.

The West is crying out for more laborers to assist in the harvesting. There is a great scarcity of farm help in the West, and as the number of laborers who went from the provinces on the first excursion was only half of what was expected there is a great shortage, and in order to save the crops it is necessary for the West to have additional assistance from the East, hence the cry "More Harvesters." Thousands more are necessary, and it is earnestly hoped the cry will be heeded. The Canadian Pacific Railway is called upon to run ANOTHER FARM LABORERS' EXCURSION which has been arranged for September 8th. The arrangements will be the same as were in effect for the previous excursion. Fare from St. John to Winnipeg \$12. Tickets will be issued from points on the Intercolonial, Prince Edward Island and Dominion Atlantic railways at same excursion. 8-27drtt.
