The Grand-Niece of  
**U. S. PRESIDENT JAMES K. POLK**  
**MRS. IDA ROSER,**  
Induced to Relate Her Experience for Benefit of Other Women.

"DEAR MRS. PINKHAM:—I have been married for nearly two years, and so far have not been blessed with a child. I have, however, suffered with a complication of female troubles and painful menstruation, until very recently.

"The value of Lydia E. Pinkham's Vegetable Compound was called to my attention by an intimate friend, whose life had simply been a torture with inflammation and ulceration, and a few bottles of your Compound cured her; she can hardly believe it herself to-day, she enjoys such blessed health. I took four bottles of your Compound and consider myself cured. I am once more in fine health and spirits; my domestic and official duties all seem easy now, for I feel so strong I can do three times what I used to do. You have a host of friends in Denver, and among the best count, Yours truly,  
Mrs. Ida L. Roser, 326 E. 18th Ave., Denver, Col."

### Lydia E. Pinkham's Vegetable Compound

seems to be the universal woman's medicine for the high and low, rich and poor; and why not? The organism of all women is alike, and the society woman is just as susceptible to the ills of womankind as are her less favored sisters, but owing to their inherent distaste for advertised articles will resort to all other methods for a cure first. Yet it is a fact worth recording that Mrs. Pinkham is constantly receiving letters from women of high social position, saying as a last resort and without any faith, they tried Lydia E. Pinkham's Vegetable Compound and were completely cured by it. She actually has thousands of such letters.

Mountains of gold could not purchase such testimony—or take the place of the health and happiness which Lydia E. Pinkham's Vegetable Compound brought to these women. No woman should suffer with such a remedy at hand.
