JOHN GARFIELD in "THE PRIDE OF THE MARINES" WED. and THURS.

"BOYS' RANCH" BLENDS HUMAN INTEREST WITH DRAMATIC EXCITEMENT

Human interest and dramatic ex-citement are skillfully blended in "Boys' Ranch", new M-G-M pic-ture which opened at the Capitol Theatre, with Jackie "Butch" Jenkins, James Craig and Skippy Homeler heading a noteworthy cast.

The story, inspired by the famed refuge for homeless boys near Armarillo, Texas, founded by Cal Farley, centers on the attempt of

a Texan and his neighbors to give a fresh start in life to juvenile delinquents who have been hand-capped by poverty and the wrong environment.

James Craig is seen as the man who is willing to stake his career on the experiment of a Boys' Ranch, with "Butch" Jenkins

Skippy Homeler and Darryl Hick-man as three of his charges. The boys help to build the ranch that is to be their new home; they learn to grow farm produce and to raise prize cattle. It seems as though the enterprise will turn out a success until Skippy, tough-est of the lot, reverts to type and steals the prize money of a cattle show. Even his cynical character finds regeneration, however, when he saves a friend's life in a dynamic flood sequence, and the future of Boys' Ranch is assured.

—Y'S MEN'S MEETING—The program for the weekly meeting of the Summerside Y's Men's Club, which was held this week at the Baptist Church Hall was conducted by the "World Outlook" Com-mittee on that topic. Rev. Charles Carnegie and Mr. Davis Lidstone, both club members spoke with ref-erence to the topic of the evening Mr. Ralph MacParlane was a guest.—S.

—RETURN FROM HALIFAX—Mr. and Mrs. Theodore Perry, Convent Street have returned from a very pleasant motor trip through

the Upper Canadian Provinces and down through a large portion of the United States. During their trip Mr. and Mrs. Perry visited friends and relatives in many of the prin-ciple cities in Canada and south of the border. Before leaving Canada they paid a visit to Ottawa to the Papal Delegate at whose residence the Mother Superior of the Order of the Sisters of The Holy Family is an aunt of Mr. Perry. At Wash-ington they called to pay their respects to Mrs. Perry's aunt who is a sister in the same Order there. Mr. and Mrs. Perry speak very highly of the hospitality and kindness extended

to them both in Canada and the United States by all with whom they came in contact but were no doubt glad to be back in their native Province after a highly enjoy-able vacation.—S.
