PAINS IN LEFT SIDE AND BACK

Other Troubles Women Often Have Relieved by Lydia E. Pinkham's Vegetable Compound

Lachine, Quebec.—"I took Lydia E. Pinkham's Vegetable Compound because I suffered with pains in my left side and back, and with weakness and other troubles women so often have. I was this way about six months. I saw the Vegetable Compound advertised in the Montreal Standard' and I have taken four bottles of it. I was a very sick woman and I feel so much better I would not be without it. I also use Lydia E. Pinkham's Sanative Wash. I recommend the medicines to my friends and I am willing for you to use my letter as a testimonial."—Mrs. M. W. Ross, 580 Notre Dame Street, Lachine, Quebec.

Doctor Said an Operation

Provost, Alberta.—"Perhaps you will remember sending me one of your books a year ago. I was in a bad condition and would suffer awful pains at times and could not do anything. The doctor said I could not have children unless I went under an operation. I read testimonials of Lydia E. Pinkham's Vegetable Compound in the papers and a friend recommended me to take it. After taking three bottles I became much better and now have a bonny baby of four months old. I do my housework and help a little with the chores. I recommend the Vegetable Compound to my friends and am willing for you to use this testimonial letter."—Mrs. A. A. Ross, Box 54, Provost, Alberta.

Gleanings From Tryon And Vicinity

On Saturday last I. C. Clark of Augustine Cove, was advised of the death of his mother, Mrs. Mary Clark in Somerville, Mass. The remains arrived on Tuesday and were buried on Wednesday from the home of her son. Mrs. Clark was in her 87th year, and had lived here all her life, until she went to Somerville to visit her daughter, Mrs. Kilham, with whom she died. The deceased was the oldest member of the Baptist Church at Tryon; in her young days was one of its strong women. Her funeral was largely attended.

Rev. Geo. Somers has arrived home after two months spent in British Columbia. He occupied his pulpit on Sunday last and was warmly welcomed by good congregations.

The Provincial Government Clover Huller is in operation in this vicinity. Large quantities of clover seed are being threshed. Don McFadyen of Augustine Cove, produced over a ton of the seed. Prince Edward Island ought not to import any grass or clover seed, but ought to be an exporter. Many of our progressive farmers are beginning to see this and are acting accordingly.

Warren Simmons and wife of Crapaud, have arrived home after a month spent in the New England States. They are both hale and hearty after their holiday.

Th eelection passed off quietly. It was said to have been one of the most peaceful ever held here. There was more excitement the next day after the election than at any time before polling. The winners were jubiliant, while the beaten seemed very down hearted, and all are on the anxious seat waiting the final results.

Jas. Dawsgn of North Tryon was taken suddenly ill on Wednesday last. Dr. Bovyer was called and dignosed the case as perforation of the stomach. The patient was rushed to the hospital at Summerside. An operation was performed and the diagnosis confirmed. The perforation was repaired and Mr. Dawson is doing exceedingly well. His many friends hope for an early recovery.

Miss Millie Gamble, R. N., is spending a few days at Tryon, after having been for some weeks on a case at Murray River.

The Baptist Young People held their monthly social evening on Friday at the home of Howard Callbeck, North Tryon. When there are five Fridays in the month the fifth Friday is given to social exercises. It is always a great evening with the young people.

Mrs. Bradford Clark is confined to her bed. Two years ago she underwent a serious operation from which she never fully recovered. The past few weeks she has not been as well as usual.

Earle Boulter, who went West on the harvest excursion, has not returned home, but is visiting his brother Ralph in Chicago. Earl is much missed among the boys. All hope to see him home soon.

Ed McFadyen of Augustine Cove has gathered in 20,000 bbls of potatoes, which he is reported to have sold at a good figure. Last year Mr. McFadyen was burned out, and met with a staggering loss, but nothing daunted, He rebuilt and went ahead again. Its this kind of a man that makes the country. Everybody is delighted with his success this year, and hope he will have many more equally successful harvests.

There was the usual Hallowe'en pranks on Saturday evning but no serious damage was done.

Several schooners have loaded at Victoria with produce for Nova Scotia ports. E. Boswell being the chief shipper. For many years Mr. Boswell was one of the firm of Wright Bros. Upon the dissolution of that company a year ago, Mr. Boswell took over the export business of the company giving his entire time to it.

A. J. Robinson was taken seriously ill on Monday afternoon while at work in the field. Dr. Bovyer pronounced it acute appendicitis. He was taken at once to Charlottetown by Don McFadyen, where he was successfully operated upon and is reported to be resting easily.

Grade I (a)—1 Norwood Campbell, 2 George Brander. 3 Jean McLauren.

Grade I (b)—1 Ivan Duggan. 2 Bruce Coulson. 3 Olive Adams.

Perfect Attendance: — Anna Cody, John Murphy, Wanda Graham, Janetta Champion, Alice Sewart. Elva Duggan, Waldon Duggan. Marjorie Adams, Margaret Blakeney, Gladys Sudsbury, Reginald Hiltz, Marjorie Blakeney. Norwood Campbell.
