Christmas Carols Through the Ages

"Break forth, O beautiful heavenly light, Break forth, O beautiful heavenly light, And usher in the morning; Ye shepherds shrink not with affright, But hear the angel's warning... Perhaps the best known of the many Bach Chorales is this from his Christmas Oratorio. Endowed with the religious spirit inherited from his peasant forebears, he was able to transfer the melody of Johann Schop's original hymn into a beautiful harmonization. Words, by Johann Rist, were first published in 1641.
