There is hardly a stage of our existence when a really good Photo is not a welcome gift to some one, or is needed for some distant relative, or for a thousand and one other reasons.

The Ladies Auxiliary in a recent meeting decided to put in a hard wood floor in the gymnasium Hall, which will add greatly to Athletic activities.

SHIPMENT OF BEEF ETC.—Mr. Wm. Pound of Fredericton left on the 22nd for St. John, N. B., with a car load of dressed beef, mutton, pork, and butter; also a car load of horses. Mr. Pound is a progressive young farmer who has lately gone into the stock business and is certainly making the other stockmen sit up. No doubt he will clean up a few dollars in St. John.

GOING TO TORONTO.—Rev. R. H. Stavert of Hunter River left on Tuesday morning for Toronto as the Representative of the Grand Orange Lodge, P. E. Island to represent at an important meeting of representatives from all of the Grand Lodges of Canada to be held in Victoria Hall, Toronto, January 29th and 30th.

LONDON FUR AUCTIONS.—The price trend at recent London fur auctions has shown remarkable increases in the cheaper furs, such as muskrat, wolf, badger, kitt fox, etc. Even dressed dog and house cat advanced 25 per cent. There is thus a marked tendency to widen formerly in slight demand. If this tendency continues, the now well established Canadian industry of fur farming should receive a further extension and a new impetus.

BIBLE CLASS FORMED.—On Friday, January 23rd a meeting was held in the Glen Valley school house at the close of which a Bible class was organized by the pastor Rev. R. H. Stavert. The following officers were chosen: Pres. Mrs. Mark Pound; Vice Pres. Simon Blandin; Secretary-Treasurer, Miss Miriam Matheson; Convener of membership committee, Miss Katie Nicholson; Convener of Social committee, Miss Katie Gillis; and Convener of Devotional Committee, Mrs. Hugh Nicholson. The class will meet in the school house on Monday evenings. Mr. Mark Pound was chosen as teacher. All are cordially invited to attend.

PROFITABLE ENTERTAINMENT.—A pie social and concert was held in Fredericton Hall Thursday evening January 23rd. Mr. Louis H. D. McLeod occupied the chair. The order was excellent. The hall was packed and nearly all the young men from the surrounding villages were there to spend a few dollars. The entertainment was under Miss Stella Weeks' charge and was a great treat. The sum of one hundred and sixty two dollars being realized \$100.00 of which was sent to the Protestant Orphanage. Mr. Rufus Stevenson was auctioneer and made the boys come across. After the pies were sold the Chairman moved a vote of thanks to Mr. Stevenson which was replied to heartily.—Com.

NEW DOMINION NEWS.—A very pleasing and enjoyable evening was spent on Thursday Jan. 22nd at the home of Mr. T. A. Stewart, when a large number of his friends and members of the Presbyterian congregation of West River, assembled there to give their thanks and show their appreciation for his services as Secretary-treasurer of the Board of Managers of their Church. Mr. Stewart for many years has been very efficient, exact and faithful in his services to his home Church. Often when there were financial difficulties he inspired his associates of the Board to move forward and accomplish nearly impossible things. Today the Church and Manse stand out of debt and a bright future is looked to. When

What would you do with it?

A conservative man doesn't carry a lighted bomb around with him, searching for water to put out the fuse. He gets rid of it as quickly and gently as possible, then goes away from there.

Not all of us know that we are packing around with us every day a perpetual source of trouble that may produce disease or even death. Ninety per cent. of human illness is caused or aggravated by a clogging of waste in your bowels.

By an entirely new principle Nujol will keep the poisonous waste moving out of the body. Every other form of treatment either irritates or forces the system. Nujol works on the waste matter instead of on the system.

Nujol prevents constipation by keeping the food waste soft, thus helping Nature establish easy, thorough bowel evacuation at regular intervals—the healthiest habit in the world.

It is absolutely harmless and pleasant to take—try it.

Nujol is sold by all druggists in sealed bottles only bearing Nujol trade-mark. Write Nujol Laboratories, Standard Oil Co. (New Jersey), 50 Broadway, New York, for booklet, "Thirty Feet of Danger."

Wonderful Results on Floors

are obtained by using the O-Cedar Polish Mop. On varnished hardwood or painted, stained or oiled soft wood, linoleum or oil cloth, it produces a polished surface so brilliant, dry and hard that it lasts for days.

It saves you the hardest part of house-work—the bending and the climbing, to get at places "hard-to-get-at-places"—for it is just as successful for dusting and polishing wood-work as it is in keeping floors clean and sparkling bright.

O-Cedar Polish

all were assembled the Chairman, Rev. W. A. Wood called upon Mr. Wm. McNeil to read the address to Mr. Stewart while Mr. Duncan McEwen one of the Board of Managers presented him with a beautiful gold watch and chain in token of the deep regard in which he and his family are held by the congregation and for the high appreciation of his valuable services. Mr. G. Lowther, one of the Elders spoke a few words of appreciation and was followed by Mr. N. J. McNeil, Mr. E. Curry and Hon. John McMillan, ex. M. P. P. The ladies in their usual manner were in the meantime laying a very tempting repast which was done such ample justice to that even before it was over some were accusing the honored host of making away with two of the very best of chickens. Two wish-bones sometimes are mis-laid. About 12.30 a.m. after music and jovial exchange of conversation, a very happy evening came to an end with the singing of "He's a Jolly Good-fellow" "Auld Lang Syne" and "God Save the King" followed by three cheers and a tiger for Mr. Stewart.
