WHEN SHOES LOOK "SECOND-HAND"

THE first shoe was a sandal—to protect foot soles only.

That is seven-eights of shoe duty yet.

But, the weak spot in nearly all fine shoes today lies in the sole leather.

Too many soles wear out in two months.

And, a shoe upper, when re-soled, looks as a Felt Hat does when blocked over—it looks "second-hand."

The time to put good soles on shoes is when the shoes are first made.

Then, they won't need re-soling till you've had wear enough from them, so you can afford to give them away to "the man."

The toughest sole leather in this world, or in any other, is the new process "Quick-Oak" Sole.

It is wiry and close-grained as rawhide, and almost refuses to wear out.

You can soak it in water for four straight hours without wetting it clear through.

Put high-priced regular process Oak Sole leather in water for one hour and it will be wet completely through from one side to the other.

What protects you from catching cold in wet weather is merely the difference between "Quick-Oak" Sole leather and the other kinds.

"Quick-Oak" Sole leather has now been tested a twelve-month, and we had to guarantee big purchases in order to control this brand for Canada.

To be had only in the genuine "Slater Shoes." These are made only by the Slater Shoe Company, and have the slate-frame trade-mark stamped inside, on the lining, with the price—$3.50 or $5.00.

GOD'S PLAN OF SALVATION.

CONTINUED FROM PAGE TWO

Now brethren why I have been speaking at such length upon this subject is to show you as best I can the reason for our every day living, the ground of our ethical action. It is the love of God manifested in His purposes of salvation that makes it obligatory upon us to be honest and upright in our every day actions. "I beseech you therefore by the mercies of God that ye present your bodies a living sacrifice, holy, acceptable unto God which is your reasonable service." The reasons for our ethical system, or our moral guidance do not rest upon the teaching of any church, or the caprice of any civilization, but upon the eternal purposes of God relative to our salvation. It is because God has thus loved us, that we should be honest in all our transactions with our fellow men, that we should render to every man that which is his due; for this reason we should be "kindly affectioned to one another in brotherly love, in honors preferring one another, not slothful in business, but fervent in spirit serving the Lord." Because of this our whole lives should be pure, our thoughts noble, and every effort put forward by us have for its object God's glory and the good of our fellow men.

It seems to me, if we take this view of Christianity, it must ennoble life for us, and give us a higher conception of the dignity of manhood. When we fully appreciate the fact that God has been interested in us from the foundation of the world, making provision for every necessity of our beings, and meeting us by His love at every turn in life, in order to save us from sin, and make us His own children, it seems to me to make life worth living. And if we miss the great end for which God has created us, it will be our own fault, and not the fault of God. Everywhere through the teaching of the divine word, God is represented as being anxious that we should take advantage of these provisions, and use them to His glory and our own good. "Come unto me all ye that labor and are heavy laden and I will give you rest; take my yoke upon you and learn of me, and ye shall find rest unto your souls."

SUNDAY SCHOOL LESSON

FOURTH QUARTER.

STUDIES IN THE OLD TESTAMENT FROM ISAIAH TO MALACHI.

LESSON XII.—DECEMBER 17.

PREPARATION FOR THE MESSIAH. Mal. 3. 1-12. Mem. ve verses 8-10.

GOLDEN TEXT.

I will send my messenger and he shall prepare the way before me.—Mal. 3. 1.

Time.—About 460 B. C.

Place.—Jerusalem.

INTRODUCTORY.

Malachi, the last of the Old Testament prophets, is known to us only through the prophecies recorded in the book bearing his name. The name itself may be regarded as an abbreviation of Melachiah, "the messenger of Jehovah," and as such indeed the prophet is permitted to bring the Old Testament revelation to a fitting close by pointing forward as he does, in the very last sentences of his prophetic message, to that other prophet who four centuries later should at once complete the old order and introduce the new.

2. But his coming will be a coming to judgment which few may abide. "A refiners fire."—The purifying fire of a refiner of precious metal which consumes all dross and impurity. "Fuller's soap."—A fuller was a cleaner of cloth goods.

3. "Shall sit . . . shall purify the sons of Levi."—The religious teachers of the common people. "And purge . . . that they may offer unto the Lord an offering in righteousness."

4. "Former years."—The judgment of Jehovah shall begin with the temple priesthood, and then (5) extend to the whole people among whom had come to flourish "sorcerers, . . . adulterers, . . . false swearers, and . . . those who oppress the hireling in his wages, the widow and the fatherless, and that turn aside the stranger (alien resident) from his right."

In verses 6-12 the people are more directly addressed. Want and famine have been to them judgments of Jehovah for withholding from him his dues. But if they will again bring unto him their tithes in full he will certainly restore to them the abundance they have lacked.

8. "Ye have robbed."—The same charge occurs in the next verse (9).

10. "All the tithes."—A tenth of all their increase was to have been given to Jehovah.

11. "Cast her fruit before the time." Miscarry, fail of maturing and yielding a full crop.

12. "Blessed."—Fortunate.

QUESTIONS ON THE LESSON.

What is known about the prophet Malachi? When did he live? What is the burden of his message to Israel. What is the meaning and what the significance of his name? Quote two other Old Testament prophecies pointing to the coming of the Messiah. In what sense was the whole Old Testament dispensation a preparation for Christ's coming? How and where may we prepare the way for Christ?

WAS SENT HOME AS INCURABLE

Then Jos. Boone Found Health in Dodd's Kidney Pills.

He was Unable to Work for Seven Years Before he Used the Great Canadian Kidney Remedy.

COTTEL'S COVE, NFLD., Dec. 8—(Special)—The days of miracles are past, but the cure of Joseph Boone of this place almost ranks with the sensational cures of the earlier ages.

Mr. Boone had been ailing for eight years, seven of which he was unable to work from the effects of Backache and Kidney Complaint. He was all aches and pains.

He was treated by several doctors, and after seven months in the hospital was sent home as incurable. It was there that reading of cures in the newspapers led him to use Dodd's Kidney Pills. It took twenty-one boxes to cure him, but to-day he is strong and well and hard at work lobster fishing.

People here have learned that if the disease is of the Kidneys or from the Kidneys, Dodd's Kidney Pills will cure it.

A WOMAN'S BACK IS THE MAINSPRING OF HER PHYSICAL SYSTEM.

The Slightest Backache, if Neglected, is Liable to Cause Years of Terrible Suffering.

No woman can be strong and healthy unless the kidneys are well, and regular in their action. When the kidneys are ill, the whole body is ill, for the poisons which the kidneys ought to have filtered out of the blood are left in the system.

The female constitution is naturally more subject to kidney disease than a man's; and what is more, a women's work is never done—her whole life is one continuous strain.

How many women have you heard say: "My, how my back aches!" Do you know that backache is one of the first signs of kidney trouble? It is, and should be attended to immediately. Other symptoms are frequent thirst, scanty, thick, cloudy or highly colored urine, burning sensation when urinating, frequent urination, puffing under the eyes, swelling of the feet and ankles, floating specks before the eyes, etc.

These symptoms if not taken in time and cured at once, will cause years of terrible kidney suffering. All these symptoms, and in fact, these diseases may be cured by the use of

DOAN'S KIDNEY PILLS

They act directly on the kidneys, and make them strong and healthy.

Mrs. Mary Galley, Auburn, N.S., writes: "For over four months I was troubled with a lame back and was unable to turn in bed without help. I was induced by a friend to try Doan's Kidney Pills. After using two-thirds of a box my back was as well as ever."

Price 50 cents per box or three boxes for $1.25 at all dealers, or sent direct on receipt of price. The Doan Kidney Pill Co., Toronto, Ont.
