

HEART HUMBAG.

It is fashionable to day to have a few heart scares every 24 hours. The commonest symptoms of dyspepsia or nerve trouble, such as palpitation, weak spells, loss of appetite and poor circulation, are magnified and distorted into serious signs of heart trouble, with the object of frightening the public into taking this or that heart remedy. If a hundredth part of the heart trouble we hear about were real, the cemeteries would be filled in a month. A wrong construction is put upon common ailments in order to humbug the people into the belief that heart disease is prevalent, where as real heart trouble, which is so sadly and suddenly fatal when it does occur, is a rare disease. Lopsided arguments cannot convince an intelligent people. Iron is a vital element of the blood. Too little iron means weakness, lack of spirits, pallid cheeks, shortness of breath, sleeplessness, nervousness, loss of vim and force, ending in general break down. The iron in Dr. Ward's Blood and Nerve Pills is in the soluble form you need, in combination with other curative agents in such a manner that disease can't resist their action. You feel yourself getting well when you take Dr. Ward's Blood and Nerve Pills.

Capt. Daniel Fraser, Alberton writes: "This is to certify that after being almost entirely bald a new crop of vigorous, healthy hair has grown on my head through the use of McKlason's English Ointment. I can confidently recommend this Ointment to all similarly afflicted, and believe that it will do everything that is claimed for it. I tried many hair vigors and other preparations but none did me any good."

S'SIDE AND PRINCE CO. Painters' Kidneys.

The Boston Comedy Company will conclude their season in market Hall tonight, with what is probably their strongest play, Jesse Brown or the Relief of Lucknow. Mr. Webber and his talented company have during this visit added largely to their already large list of friends in Summerside. His performances have been better patronized, than during any previous visit and citizens generally, will look forward with pleasure to a future announcement for Summerside.

A SCARE. A few citizens who happened to be in the office of Mr. R. W. Sharp, Friday evening received what was probably the greatest scare of their lives. A young man from the country while driving somewhat recklessly down Water Street found his horse becoming unmanageable and the animal fell against Mr. Sharp's window demolishing it. The sleigh shafts were broken, the horse slightly injured, and the conversation inside suddenly interrupted. The young man made the amend honorable and after temporarily adjusting his rig left for home where he turned up no doubt during the night.

EXAMINATION OF Cross Roads School. The half yearly examination of Cross Road's school was held on Monday Jan. 16th in the presence of the trustees and a goodly number of parents and visitors. The school-room was beautifully decorated for the occasion by the girls. The pupils were examined in reading, orthography, arithmetic, geography, history, writing, grammar and current events by their teacher Mr. Geo. Burhoe assisted by Mr. Chester McLure teacher of Alexandra school. The pupils acquitted themselves creditably, the 3rd grade especially. At the close of the examination a program of reading, recitations and patriotic songs was well rendered. Then candy and apples were distributed to the scholars by Mr. John McNeill, Mr. Daniel McRae and the teacher. Complimentary remarks were made by Mr. James McCallum and others. A unanimous vote of thanks was tendered the teacher on the success of the examination and also to Mr. Chester McLure for his assistance. School closed by singing "God Save the Queen."

"Poor thing!" exclaimed one young woman at the theater. "That girl is beautiful, but she is deaf." "How do you know?" "She has sat all through this French farce without blushing once."

DREADING AN OPERATION.

Wary of experimenting with salves suppositories and ointments and dreading a surgical operation, scores and hundreds have turned to Dr. A. W. Chase's Ointment and found in it an absolute cure for piles. The first application brings relief from the terrible itching, and it is very seldom that more than one box is required to effect a permanent cure.

Lord Charles Beresford says that the roads in China are bad. When he was in that country he complained of them one day to an American resident, who replied: "Yes, a mule was drowned the other day in the road outside my house."

Painters' Kidneys.

The worst thing a painter has to contend with is the turpentine. The lead, of course, is bad too. But the turpentine cuts the kidneys, inflames and weakens them, makes the painter's life a dangerous and troublesome one. When a painter's back aches, its time for him to begin treating the kidneys.

DOAN'S KIDNEY PILLS

will fix them up—take out the inflammation and congestion, give ease to the aching back. Mr. J. Evanson, the well-known painter and decorator, 50 Oxford St., Toronto, Ont., said: "About eight weeks ago I was taken with an excruciating pain in my back over the kidneys. It was so bad that my wife had to apply hot cloths till the doctor came and gave me morphine. He said the trouble was due to a stone passing from the kidney to the bladder. My water was loaded with a brick dust deposit and scalded on passing. While in this condition I heard of Doan's Kidney Pills and started taking them. It was not long before I got relief from pain and have been improving in health ever since. My urine is now clear and does not smart me, and I feel better than in years."

HAD CATARRH SINCE CHILDHOOD BUT CATARRHOZONE CURED HIM.

Urie Breatit, of Swetsburg, Que., says:—"Since childhood I have suffered with Catarrh of the throat and nose and never knew what relief meant until I tried Catarrhozone. Two bottles completely cured me, and I have not one single symptom of Catarrh now. I can heartily recommend Catarrhozone for Catarrh, and would advise all sufferers to get an outfit at once and be cured as I was." Catarrh-c-zone is sold by all druggists. Trial outfit sent for 10c. in stamps by N. C. POLSON & CO., Kingston, O., Proprietors.

Great Actress—"That's an atrocious portrait! Is that the best you can do? Is there no way you can improve upon it? Suggest something." Photographer—"Madam, you might permit your understudy to sit for you."

"A HEART A STURDY AS AN OAK."

But what about the blood which the health must pump at the rate of 70 times a minute? If the heart is to be sturdy and the nerves strong this blood must be rich and pure. Hood's Sarsaparilla makes sturdy hearts because it makes good blood. It gives to men and women strength, confidence, courage and endurance. Hood's Pills are non-irritating and the only cathartic to take with Hood's Sarsaparilla.

Rose—"Did you ever faint, Isabel?" Isabel—"Only once; and I bumped my head so hard that I never tried it again."

Bertie—"Mother, will you take me to see the football match this afternoon?" Mother—"No, darling; but if you are a good boy mother will let you help her clean her bicycle."

PALE, WEAK GIRLS.

Many a pale, weak school girl, suffering the evil effects of an exhausted, nervous system, and thin, watery blood, has been fully restored to the vigor and buoyancy of robust health, by using Dr. A. W. Chase's Nerve Food. The healthful glow on the cheek and the brightness in the eye tell of the building up process which is taking place in the body.
