

TALCUM DAYS

Warm weather brings need of a pure talcum powder, a powder that won't streak or dissolve in perspiration, that prevents chafing, that is perfect for all toilet purposes. We recommend one of the following.

- Nyala Red Rose. Minty Rose, Violet or Lilac. Rigaud's Lilac or Mary Garden. Jergens Rose or Violet. Seely Lotus or Luxury. Jessa Trailing Arbutus. Colgate's nine kinds. Phoenix Snow. Boquet Nyala Mayflower. Royal Rose. Djer Kiss. Nyala Nyalalette. Euthymol.

All these talcs are reliable and list includes a large variety of delicate odors.

COAL, THINK IT OVER!

The schooner E. Marie Brown is now due from New York with a cargo of 625 tons anthracite coal in stove and chestnut sizes. She will be followed by the Nineta M. Porcella, with 825 tons, and we have closed another schooner of 1,000 tons to load latter part of this month.

This coal is all of highest American grade, and will be sold at lowest possible prices while discharging. Parties requiring anthracite coal cannot do better than book their orders and take delivery now, as prices will advance later on.

We have also a stock of good soft coal on hand, and to arrive, suitable for domestic and steam purposes. There is a cold winter ahead, so in order to be prepared for it, we would suggest putting in your coal early, as owing to present conditions one cannot tell about the coal supply later on.

Book your orders with BUNTAIN, BELL & CO. Selling Agents for Dominion Coal Co. Ltd., for P.E. Island. Phone 404.

Battery Notes

Are they sick, or what under the sun do they mean? You know Gr. Roy Proctor and A. Wobb. They don't look sick, do they? No. Well why do they visit the hospital night after night? And why on such occasions are their buttons polished with such care, their puttees rolled just so, and their hair—Oh! mercy! Perhaps "some" of the fair nurses can solve the mystery.

Yes, it was a memorable day for the "Gold Dust Twins"—Sgt. A. Bruce and Gr. "Tiny" Frank McDonald. They actually donned the khaki on Sunday. Their "war rigs" arrived last week, but modestly prevented them from appearing in them alone, so they waited for Sunday's Church Parade to make their "splash." The plain truth is that they had to; for "Tiny" was "arrested" by the R.M.P.'s, and locked in the "clink" the other night for "not being properly dressed." His eyes were opened, and he related his experience to "Blondy" after his breath, which accounts for their debut Sunday. "Tiny," prancing about like a hen with her head unattached, was ready first. "Blondy," poor fellow, labored under difficulties. Such an undertaking! Everything seemed to go wrong. First practically every boot in the building refused to cover his "dainty" feet. Then his buttons frowned darkly, and many other things of like importance refused to acquiesce. Sgt. L. Coyne and Gr. Jeff Christie worked frantically, but in vain, and were obliged to summon reinforcements. Between them (goodness knows how many, they had him dressed in time for Church—but such a job!
